Weekend Australian 'With sharply observed characters and comic set-pieces to make you laugh out loud, Dinner with the Schnabels is great fun to read and casts a more mature and acerbic eye on modern masculinity.' Sydney Morning Herald, Fiction Pick of the Week You can marry into them, but can you ever really be one of them? A novel about marriage, love and family. Things haven't gone well for Simon Larsen lately. He adores his wife, Tansy, and his children, but since his business failed and he lost the family home, he can't seem to get off the couch. To keep everyone happy, Simon needs to do one little job: he has a week to landscape a friend's backyard for an important Schnabel family event. But as the week progresses, Simon is derailed by the arrival of an unexpected house guest. Then he discovers Tansy is harbouring a secret. Sarah Polley's work as an actor, screenwriter, and director is celebrated for its honesty, complexity, and deep humanity. She brings all those qualities, along with her exquisite storytelling chops, to these six essays. Each one captures a piece of Polley's life as she remembers it, while at the same time examining the fallibility of memory, the mutability of reality in the mind, and the possibility of experiencing the past anew, as the person she is now but was not then. As Polley writes, the past and present are in a "reciprocal pressure dance." Polley contemplates stories from her own life ranging from stage fright to high-risk childbirth to endangerment and more. After struggling with the aftermath of a concussion, Polley met a specialist who gave her wholly new advice: to recover from a traumatic injury, she had to retrain her mind to strength by charging towards the very activities that triggered her symptoms. With riveting clarity, she shows the power of applying that same advice to other areas of her life in order to find a path forward, a way through. Rather than live in a protective crouch, she had to run towards the danger. In this extraordinary book, Polley explores what it is to live in one's body, in a constant state of becoming, learning, and changing.
