[The Night of the First Billion](#) - Ghada Samman 2005-02-01

Set in Geneva, Switzerland, around the 1982 Israeli invasion of Lebanon, this intricately plotted novel probes the emotional misfortunes of Arab men and women fleeing the horror of war only to find their ways of life constantly challenged by their foreign surroundings. The author's scalding critique of the Lebanese situation resonates with strong sociopolitical issues. Here are telling portraits of class oppression and the role of women in Arab society, the treatments of war and sexuality, of immigration, of cultural assimilation and nationalism. With supreme artistry and insight—and in modern Arab literary fashion—Ghada Samman skillfully blends realism with fantasy into a highly stylized, thematically multilayered tale. It is at once a Gothic romance and a suspenseful whodunit with engaging characters. At the same time it is a gripping study of social injustice and the consequences of wartime upheaval. Far from home and out of harm's way, Samman's Lebanese exiles repeat and replay the very same conflicts that torment them in their own land even as it is under siege. The Night of the First Billion is an eloquent reminder that the only genuine security in the most profound and human sense of the word is to be found in the courageous willingness to confront, challenge, and finally to ease suffering.

[Billion Dollar Fantasy](#) Albert Chen 2019

The author reveals the story of the rise of daily fantasy sports and the brilliant entrepreneurs disrupting the way fans consume sports.

[Billions and Billions](#) - Carl Sagan 1997

In Billions and Billions, Carl Sagan demonstrates his incredible ability to cut through the jargon and misinformation to help us make sense of the world around us as it prepares for the challenges of the coming millennium.

[His Billion-Dollar Takeover Temptation](#) - Emmy Grayson 2021-05-25

In debut author Emmy Grayson's sexy workplace romance, will the Spanish CEO be able to resist giving in to desire? He will claim her company But can he claim her, too? Everleigh Bradford won't simply hand over control of the family vineyard she expected to inherit. She's lost too much already. If she must confront internationally renowned new owner Adrian Cabrera, she will! Even if she has to fight her red-hot response to the brooding Spaniard. Bringing Everleigh home to Grenada to prove he'll protect her heritage is essential to their working relationship—but it's dangerous. Innocent Everleigh is intoxicating. And she deserves everything that Adrian's past and his iron self-control won't let him give her. No matter how tempting it is... Takeover Temptation Book 2: Proof of Their One Hot Night Book 3: A Deal for the Tycoon's Diamonds

One In A Billion - Belinda Williams 2022-06-20

MAKING A DEAL WITH A BILLIONAIRE IS RISKY BUSINESS... Victoria Verity is on a deadline. In less than two months, she'll be thirty and out of a job unless she can turn her journalism career around. Her solution is to gain an exclusive interview with Australia's newest tech billionaire. Except there's one small hitch—he's notoriously private. Seth Pierce can't stand it when people make a big deal about his billionaire status, but he knows it's time for him to appoint a media adviser. When the perfect candidate walks into his office for all the wrong reasons, Seth is determined to make her an offer she can't refuse. Victoria will do anything to land the story, although she draws the line at mixing business with pleasure. But she's about to discover that billionaires don't give up easily. Especially when they've found something—or someone—they want... One In A Billion is the third book in the Pierce Brothers series. Each book can be read as a stand alone and features four brothers who are equally nice as they are naughty.

Fifteen Billion Years Iii - Rand McLester 2015-05-18

But as for the cowardly, the faithless, the polluted, as for murderers, fornicators, sorcerers, idolaters, and all liars, their lot shall be in the lake that burns with fire and brimstone, which is the second death. Revelation 21: 8 (RSV) Holy Bible A faraway place, a distant future... A blend of Indiana Jones and Lord of the Rings, the Fifteen Billion Years Trilogy is an epic adventure loosely based on the Book of Revelation in the Bible. With the end and beginning of mankind, the characters must overcome impossible odds in the unending conflict of good versus evil with hope for a future. Time Warriors is the final installment of an engrossing adventure bound with unfailing friendship, uncommon faith and undying perseverance. Time Warriors Beyond the horizon threshold Reed stammered, People dont just disappear they dont! There was peace in the new world until all but four disappeared and their vibrant world began to decompose. The challenge before them, to undo what had been done. With their first glimpse inside the mysterious Legend Mountain the

puzzle becomes even more challenging and dangerous and a small twisted tree with its limbs drifting to the left. Now a world in decay, they must decipher the riddle ...part of the Puzzle... pursued by Night Hunters, a shadow-phantom, and haunted by the ghost ship dredged from the darkness and depths of the Bermuda Triangle long ago... and ultimately face an evil that no one has yet known in a climactic conflict of good versus evil. ...Then something more, the Final Revelation.

National R&D Expenditures Expected to Reach \$85 Billion in 1983 - 1982

8 Billion and Counting: How Sex, Death, and Migration Shape Our World - Jennifer D. Sciubba 2022-03-29

A provocative description of the power of population change to create the conditions for societal transformation. As the world nears 8 billion people, the countries that have led the global order since World War II are becoming the most aged societies in human history. At the same time, the world's poorest and least powerful countries are suffocating under an imbalance of population and resources. In 8 Billion and Counting, political demographer Jennifer D. Sciubba argues that the story of the twenty-first century is less a story about exponential population growth, as the previous century was, than it is a story about differential growth—marked by a stark divide between the world's richest and poorest countries. Drawing from decades of research, policy experience, and teaching, Sciubba employs stories and statistics to explain how demographic trends, like age structure and ethnic composition, are crucial signposts for future violence and peace, repression and democracy, poverty and prosperity. Although we have a diverse global population, demographic trends often follow predictable patterns that can help professionals across the corporate, nonprofit, government, and military sectors understand the global strategic environment. Through the lenses of national security, global health, and economics, Sciubba demonstrates the pitfalls of taking population numbers at face value and extrapolating from there. Instead, she argues, we must look at the forces in a society that amplify demographic trends

and the forces that dilute them, particularly political institutions, or the rules of the game. She shows that the most important skills in demographic analysis are naming and being aware of your preferences, rethinking assumptions, and asking the right questions. Provocative and engrossing, 8 Billion and Counting is required reading for business leaders, policy makers, and anyone eager to anticipate political, economic, and social risks and opportunities. A deeper understanding of fertility, mortality, and migration promises to point toward the investments we need to make today to shape the future we want tomorrow.

Billion Dollar Cowboy - Carolyn Brown 2013-06-04

Book 1 of Cowboys & Brides From New York Times and USA Today-bestselling author Carolyn Brown comes a contemporary Western romance filled to the brim with sexy cowboys, gutsy heroines, and genuine down-home Texas twang. Colton Nelson was twenty-eight years old when he won the Texas Lottery and went from ranch hand to ranch owner overnight. Now he's desperate to keep the gold diggers away. It shouldn't be too hard to find a pretty girl and hire her to pretend to be his one-and-only. Laura Baker's got mixed feelings about this-she's on the ranch to work, not to be arm candy. On the other hand, being stuck for a while in the boondocks with a gorgeous cowboy isn't half-bad. What neither Colton nor Laura expects are the intensely hard lessons they have to learn about the real cost of love... Fans of Linda Lael Miller and Diana Palmer will thrill to this moving story of a marriage of convenience between a cowboy who has it all...and the woman he could never have enough of. Cowboys & Brides Series: Billion Dollar Cowboy (Book 1) The Cowboy's Christmas Baby (Book 2) The Cowboy's Mail Order Bride (Book 3) How to Marry a Cowboy (Book 4) Praise for Bestselling Contemporary Western Romances by Carolyn Brown: "An old-fashioned love story told well... A delight."-RT Book Reviews, 4 Stars "Sizzling hot and absolutely delectable."-Romance Junkies "Funny, frank, and full of heart... One more welcome example of Brown's Texas-size talent for storytelling."-USA Today Happy Ever After "Alive with humor... Another page-turning joy of a book by an engaging author."-Fresh Fiction

His Billion-Dollar Dilemma - Alexia Adams 2015-04-14

Simon Lamont is an ice-cold corporate pirate. He buys companies, strips them of their assets, and moves on. With money. Lots and lots of money. But when he arrives in San Francisco to acquire a floundering company and is accosted by a cute engineer with fire in her eyes, it takes all Simon has to maintain his legendary cool. Helen Winston has mastered hiding behind geeky clothes and an obsessive dedication to her job. So what's with her desire for the arrogant-and sexy as sin-Simon Lamont? He may have only been wearing a towel when they met, but he's planning to destroy her company, and Helen will do whatever it takes to change his mind. If that means becoming the sexy woman Simon didn't know he wanted, so be it. If only she wasn't about to walk into her own trap... Each book in the Guide to Love series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Played by the Billionaire Book #2 His Billion Dollar Dilemma Book #3 Masquerading with the Billionaire Minerals Yearbook - 1999

Demanding His Billion-Dollar Heir - Pippa Roscoe 2020-03-01

The woman he can't forget... The child he can't deny! Wild. Powerful. Ultrarich. Matthieu's reputation was infamous. And he wanted to keep it that way! It was a way to shelter from the pain of his traumatic past. Until enchanting Maria entered his world of unimaginable wealth...and unraveled his carefully ordered life with a night of blistering passion. She was the only woman to see the man behind the scars. Yet, to protect her, Matthieu pushed her away. Now Maria is back, with an announcement that leads him to question everything: "I'm pregnant."

Billion Dollar Painter - G. Eric Kuskey 2014-09-09

The unbelievable true story of artist Thomas Kinkade, self-described "Painter of Light," and the dramatic rise —and fall—of his billion-dollar gallery and licensing business. He was just one man, but Thomas Kinkade ultimately made more money from his art than every other artist in the history of the world combined. His sentimental paintings of babbling brooks, rural churches surrounded by brilliant fall foliage, and

idyllic countryside cottages were so popular in the 1990s that one out of every twenty homes in America owned one of his prints. With the help of two partners—a former vacuum-cleaner salesman and an ambitious junior accountant who fancied himself a businessman—Kinkade turned his art into a billion-dollar gallery and licensing business that traded on the NYSE before it collapsed in 2006 amid fraud accusations. One part a fascinating business story about the rise, and demise, of a financial empire born out of divine inspiration, one part a dramatic biography, *Billion Dollar Painter* is the account of three nobodies who made it big. One of them was a man who, despite being a devout Christian who believed his artwork was a spiritual force that could cure the sick and comfort the poor in spirit, could not save his art empire, or himself. Eric Kuskey, former colleague of Thomas Kinkade's and close friend until the artist's death in 2012, tells Kinkade's story for the first time—from his art's humble beginnings on a sidewalk in Carmel, California, to his five-house compound in Monte Sereno. It's a tale of addiction and grief, of losing control, and ultimately, of the price of our dreams.

Thousands, Not Billions - Donald B. DeYoung 2005

"This compelling documentary summarizes the extensive eight-year research project, and includes a brief dramatization of the all-too-common experience of a Christian student whose faith is challenged by a secular science professor steeped in evolution" from container.

Snowbound in His Billion-Dollar - Kali Anthony 2022-01-25

There's no escaping their chemistry when the Italian count and the violinist are stranded in this intense forced proximity romance from Kali Anthony! Outside a snowstorm is raging Inside the temperature is rising... Ousted from Italian high society, Count Stefano Moretti has locked himself behind his castle walls. He's determined to right the wrongs that ruined his family's name. The arrival of beautiful Lucy Jamieson at his door is a distraction he can't afford! Running from heartbreak, violinist Lucy is attempting to return a precious heirloom. Caught in a bitter snowstorm, she's forced to seek shelter in Stefano's castle, where she finds herself longing to unravel the truth behind his disgraced reputation...and to discover the searing heat promised in his

bed! From Harlequin Presents: Escape to exotic locations where passion knows no bounds.

The First Billion - Christopher Reich 2003-07-29

Christopher Reich electrified readers with *Numbered Account* and *The Runner*, his first two international thrillers. Now the New York Times bestselling author whose work has been called "gripping" (Chicago Tribune), "chilling" (The Denver Post), "wonderful" (The New York Times Book Review), ratchets up the stakes in an ingeniously plotted story of nerve-jangling intrigue and hot-wired suspense. Using today's cutthroat global economy as a backdrop, *The First Billion* explodes into a breakneck tale of betrayal, revenge, and redemption... John "Jett" Gavallan is a former fighter pilot, now the high-flying CEO of Black Jet Securities, an investment firm that earned its first billion before the techno dream crashed and burned. Poised for an offering crucial to his company's survival, Gavallan is banking on the riskiest gamble of his dazzling career. In exactly six days, he will take Mercury Broadband, Russia's leading media company, public on the New York Stock Exchange. But rumors of fraud have suddenly surfaced that could send the deal south. Gavallan makes a preemptive strike by dispatching his number-two man--fellow Desert Storm fighter pilot Grafton Byrnes--to Moscow to penetrate the shadowy Russian multinational. When Byrnes fails to return, Gavallan fears the worst. But the truth is even more diabolical than he can imagine. Plunging into a desperate search for his best friend, the renegade top gun is suddenly fighting a different kind of war, where there is no safe harbor and no one he can trust. Not Konstantin Kirov, the elusive head of Mercury Broadband who may not be what he seems. Not the bankers and traders Gavallan does business with every day. Not the exotic beauty who has told him all her deepest secrets--except one. Suddenly Jett finds himself trapped in a conspiracy that could shatter the delicate balance between nations--and plunge the global economy into chaos. Hunted by the F.B.I. and a band of elite killers, Jett races from Palm Beach to Zurich to Moscow in a desperate search for answers. But for this brave ex-commando haunted by visions of war, the truth comes at a terrible price. With Mercury rising and the

hours ticking down, he is moving closer to a place where murder and revenge are the currency of choice...and where the first billion is the ultimate insider secret--and the deadliest obsession of all. With breakneck plotting, stunning realism, and a sense of danger that keeps the heart racing, *The First Billion* is a knockout of a novel that will linger long after the final shocking twist is revealed.

[Expecting His Billion-Dollar Scandal](#) - Cathy Williams 2020-06-01

A passionate fling leads to carrying the billionaire's baby! USA TODAY bestselling author Cathy Williams delights with this pregnancy romance, inspired by the classic fairy tale, *The Little Mermaid*. His breathtaking touch... Her life-changing revelation! Cordelia's life was...well, ordinary. Luca Baresi was the first person to ever make her feel extraordinary, but their relationship had to end—their lives were simply too different. It's something Cordelia can't forget as she stands nervously outside the billionaire's Italian villa, about to tell him that she's pregnant! Luca relished the fact their fling was driven by desire, not his wealth. Now their baby compels him to bring Cordelia into his sumptuous world. But to give her his heart? It's a price he can't pay... From Harlequin Presents: Escape to exotic locations where passion knows no bounds. Read all of the Once Upon a Temptation books: *Cinderella's Royal Secret* by Lynne Graham *Beauty and Her One-Night Baby* by Dani Collins *Shy Queen in the Royal Spotlight* by Natalie Anderson *Claimed in the Italian's Castle* by Caitlin Crews *Expecting His Billion-Dollar Scandal* by Cathy Williams *Taming the Big Bad Billionaire* by Pippa Roscoe *The Flaw in His Marriage Plan* by Tara Pammi *His Innocent's Passionate Awakening* by Melanie Milburne

[A Billion Consequences](#) - Jessa York 2021-12-15

Stay tuned for the continuing story of Nick and Eve!!

[Beyond Six Billion](#) - National Research Council 2000-09-11

Is rapid world population growth actually coming to an end? As population growth and its consequences have become front-page issues, projections of slowing growth from such institutions as the United Nations and the World Bank have been called into question. *Beyond Six Billion* asks what such projections really say, why they say it, whether

they can be trusted, and whether they can be improved. The book includes analysis of how well past U.N. and World Bank projections have panned out, what errors have occurred, and why they have happened. Focusing on fertility as one key to accurate projections, the committee examines the transition from high, constant fertility to low fertility levels and discusses whether developing countries will eventually attain the very low levels of births now observed in the industrialized world. Other keys to accurate projections, predictions of lengthening life span and of the impact of international migration on specific countries, are also explored in detail. How good are our methods of population forecasting? How can we cope with the inevitable uncertainty? What population trends can we anticipate? *Beyond Six Billion* illuminates not only the forces that shape population growth but also the accuracy of the methods we use to quantify these forces and the uncertainty surrounding projections. The Committee on Population was established by the National Academy of Sciences (NAS) in 1983 to bring the knowledge and methods of the population sciences to bear on major issues of science and public policy. The committee's work includes both basic studies of fertility, health and mortality, and migration; and applied studies aimed at improving programs for the public health and welfare in the United States and in developing countries. The committee also fosters communication among researchers in different disciplines and countries and policy makers in government, international agencies, and private organizations. The work of the committee is made possible by funding from several government agencies and private foundations.

Three Billion Years of Life - Alfred Cailleux 1968

Beach Read - Emily Henry 2021-05-25

THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION! "Original, sparkling bright, and layered with feeling."--Sally

Thorne, author of *The Hating Game* A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

Building a Billion - Charlie Berridge 2011

****PLEASE NOTE THAT THIS BOOK EXAMINES THE LIFE OF A UK-BASED BUSINESSMAN AND COMPANY**** John McCarthy MBE, of McCarthy and Stone, is a self-made multimillionaire. He and his family have been long-term members of The Times Rich List. One of the best examples of the self-made man, John started working life at fifteen as a "chippy". Every venture he has embarked on, he has achieved with drive and success. His legendary reputation is as the most successful builder of retirement homes across Europe. He has also built and skippered winning ocean-racing yachts. He has owned and run a top polo team. He became a big game hunter and avid game bird shooter, underwater diver, skier and squash player. He makes other septuagenarians look really old. In this book John McCarthy recounts his fascinating life story so far. But these are not just the interesting memoirs of a successful man. John's tussles with bankers and lawyers, planners and politicians, Government red tape and political autocracy, competitors and recalcitrant employees tell a story that has real relevance to all aspiring entrepreneurs in whatever field of endeavour. John McCarthy's rules of engagement and how to build a billion pound company are as topical now

as they were when he did it.

One in a Billion - Beth Kery 2012-08-01

The discovery that corporate mogul Lincoln DuBois had left her half his company rocked Deidre Kavanaugh's world. After all, she'd only just learned that the billionaire could be her real father. And with his right-hand man, Nick Malone, up in arms, claiming her share of the inheritance wouldn't be easy. Charismatic tycoon Nick Malone had his doubts about Deidre's paternity claim, but it was hard to remain aloof when all he wanted to do was kiss her! Nick couldn't seem to stop wanting to protect the rebellious beauty—or silence the desire to make her his own. And if her claim was true, Nick could lose half his inheritance. So why was he focusing on what he could gain...a lifetime of love with the woman of his dreams?

The Billion Dollar Player - Mandy Baxter 2014-11-04

In *The Billion Dollar Player* by Mandy Baxter, Jase Blackwell, starting tight end for the Dallas Cowboys, is a pro when it comes to football—and to women. Never one to shy away from a challenge, "Billion Dollar Blackwell" is finally able to get the cute waitress he's had his eye on out for a little fun. But when their steamy encounters inspire Jase to play better than he ever has before, he has to wonder if this exciting woman is more than just a good luck charm... Avery Lockhart doesn't understand why a pro football player would want to go out with her. Incredibly wealthy and undeniably sexy, Jase Blackwell is everything she thinks she's not. Getting a little closer to this enigmatic billionaire, however, proves too much for Avery to resist. But as their passion heats up, so does Jase's game play, and soon, the rumors start to fly. Is Avery only being kept around to ease Jase's pre-game superstitions? Or, like she believes, does their connection run deeper...?

Billions & Billions - Carl Sagan 1998-05-12

NEW YORK TIMES BESTSELLER • In the final book of his astonishing career, Carl Sagan brilliantly examines the burning questions of our lives, our world, and the universe around us. These luminous, entertaining essays travel both the vastness of the cosmos and the intimacy of the human mind, posing such fascinating questions as how

did the universe originate and how will it end, and how can we meld science and compassion to meet the challenges of the coming century? Here, too, is a rare, private glimpse of Sagan's thoughts about love, death, and God as he struggled with fatal disease. Ever forward-looking and vibrant with the sparkle of his unquenchable curiosity, *Billions & Billions* is a testament to one of the great scientific minds of our day. Praise for *Billions & Billions* "[Sagan's] writing brims with optimism, clarity and compassion."—Ft. Lauderdale Sun-Sentinel "Sagan used the spotlight of his fame to illuminate the abyss into which stupidity, greed, and the lust for power may yet dump us. All of those interests and causes are handsomely represented in *Billions & Billions*."—The Washington Post Book World "Astronomer Carl Sagan didn't live to see the millennium, but he probably has done more than any other popular scientist to prepare us for its arrival."—Atlanta Journal & Constitution "Billions & Billions can be interpreted as the Silent Spring for the current generation. . . . Human history includes a number of leaders with great minds who gave us theories about our universe and origins that ran contrary to religious dogma. Galileo determined that the Earth revolved around the Sun, not the other way around. Darwin challenged Creationism with his Evolution of Species. And now, Sagan has given the world its latest challenge: *Billions & Billions*."—San Antonio Express-News "[Sagan's] inspiration and boundless curiosity live on in the gift of his work."—Seattle Times & Post-Intelligencer "Couldn't stay awake in your high school science classes? This book can help fill in the holes. Acclaimed scientist Carl Sagan combines his logic and knowledge with wit and humor to make a potentially dry subject enjoyable to read."—The Dallas Morning News

Billion-Dollar Baby Bargain - Tessa Radley 2009-08-01

Turned from best man to baby's guardian in one shocking moment, bad-boy billionaire Connor North intended to stake his claim. If maid-of-honor Victoria Sutton wanted any part in the child's life, she would have to play by the billionaire's rules. So Victoria moved into Connor's mansion. She even agreed to become his wife. And despite her initial disdain for the powerful businessman, she eventually succumbed to his charms. The

bond they formed—to the baby and to each other—was an outcome neither had expected. But would a surprising truth destroy all they had finally found?

A Billion Decisions - Jessa York 2021-12-15

Eve Who exactly did I marry? When I finally discover the answer to that question--my world is tilted on its side. Again. This is not the life I signed up for. And I have no intention of sticking around. However, my husband has no intention of ever letting me go.

Cinderella's Billion-Dollar Christmas - Susan Meier 2019-12-01

From her small town... ..to the dazzling lights of NYC! In this The Missing Manhattan Heirs story, the first time Leni Long meets investment tycoon Nick Kourakis, she's dressed as a Christmas elf. Then he gives her the staggering news she might be heir to a fortune! Adopted small-town girl Leni's completely unprepared for a life of New York luxury, yet Nick's determined to open her eyes to the possibilities... But will that new life also include him?

A Billion Reasons Why Kristin Billerbeck 2011-01-31

There are a billion reasons Kate should marry her current boyfriend. Will she trade them all to be madly in love? Katie McKenna leads a perfect life. She has a fulfilling job, a cute apartment, and a wedding to plan with her soon-to-be fiancé, Dexter. She can think of a billion reasons why she should marry Dexter. He's everything she wants in a husband. And then in walks Luc DeForges, her bold, breathtaking ex-boyfriend. Only now he's a millionaire. And he wants her to go home to New Orleans to sing for a friend's wedding. As his date. But Katie made up her mind about Luc eight years ago, when she fled their hometown after a very public breakup. Yet there's still a magnetism between them she can't deny. Katie thought her predictable relationship with Dexter would be the bedrock of a lasting, Christian marriage. But what if there's more? What if God's desire for her is a heart full of life? And what if that's what Luc has offered all along? "Katie and Luc dance off the pages of this book, making you fall in love with them and New Orleans. Full of surprises and romance." —Carolyn Aarsen, author of *The Baby Promise*

Billion Dollar Start-Up - Adam Miron 2021-02-02

It only took five years for two brothers-in-law to create a billion-dollar, award-winning, take-no-prisoners cannabis company called HEXO. How did they do it? That's the story. From early roadblocks and devastating personal and financial setbacks to explosive growth and some of the biggest cannabis deals in global history, Billion Dollar Start-Up not only recounts the HEXO story but the history of Canada's momentous road to legalization. In this part fast-paced memoir, part high-octane business book, writer and journalist Julie Beun gives us an intimate look at the life of a start-up and the ferocious entrepreneurial drive it takes to succeed — written in real-time, as the story unfolded. Throughout history, there have been fewer than 100 Canadians who have started a company and lived to see it become worth one billion dollars. Adam Miron and Sébastien St-Louis are two of them. This is their story.

One of Ten Billion Earths - Karel Schrijver 2018-06-28

Illustrated with breathtaking images of the Solar System and of the Universe around it, this book explores how the discoveries within the Solar System and of exoplanets far beyond it come together to help us understand the habitability of Earth, and how these findings guide the search for exoplanets that could support life. The author highlights how, within two decades of the discovery of the first planets outside the Solar System in the 1990s, scientists concluded that planets are so common that most stars are orbited by them. The lives of exoplanets and their stars, as of our Solar System and its Sun, are inextricably interwoven. Stars are the seeds around which planets form, and they provide light and warmth for as long as they shine. At the end of their lives, stars expel massive amounts of newly forged elements into deep space, and that ejected material is incorporated into subsequent generations of planets. How do we learn about these distant worlds? What does the exploration of other planets tell us about Earth? Can we find out what the distant future may have in store for us? What do we know about exoworlds and starbirth, and where do migrating hot Jupiters, polluted white dwarfs, and free-roaming nomad planets fit in? And what does all that have to do with the habitability of Earth, the possibility of finding extraterrestrial life, and the operation of the globe-spanning network of

the sciences?

The Greek's Billion-Dollar Baby - Clare Connelly 2019-10-01

The man with the iron will... Meets the woman who will change his life! All the money in the world couldn't save Leonidas from the pain—and guilt—of losing his loved ones. Since then, he's forbidden himself all pleasure in life. Until he meets enchanting innocent Hannah at a lavish party in Greece... Reeling from the discovery of her fiancé's infidelity, Hannah is determined to swear off men. But her instant chemistry with Leonidas is undeniable. And for one night, they break all their rules, indulging in red-hot oblivion—with inescapably powerful consequences...

Claiming Her Billion-Dollar Birthright - Maureen Child 2010-07-01

The revelation turned Erica Prentice's world upside down—by birth, she belonged to a wealthy Colorado dynasty and her real father had left her a fortune. And the Jarrod family attorney, Christian Hanford, was there to show her the ropes. As Mr. Tall, Dark and Handsome escorted her around Aspen, Erica was in for a second shock—her fiery attraction to the strictly off-limits attorney. Fraternizing with the Jarrod heiress could get Christian fired. Which would she choose: duty to her family dynasty...or desire for a dynamic bachelor?

This is your inside look into how Aaron Kyro made Braille

Skateboarding happen.

Two Billion Caliphs - Haroon Moghul 2022-04-12

Explains the attraction of Muslims to their faith, and discusses the challenges contemporary Islam confronts, and how we might imagine an Islamic theology and identity ready to face tomorrow Islam is often associated with and limited to the worst of the world—extremism, obscurantism, misogyny, bigotry. So why would so many people associate with such a fundamentalist faith? Two Billion Caliphs advocates for a way of being Muslim in the world, ready for today and prepared for tomorrow. Unlike stale summaries, which restrict themselves to facts and figures, Haroon Moghul presents a deeply Muslim perspective on the world, providing Islamic answers to universal questions: Who are we? What are we doing here? What happens to us when we die? And from description, Moghul moves to prescription, aspiring to something outrageous and audacious. Two Billion Caliphs describes what Islam has been and what it is, who its heroes are, what its big ideas are, but not only to tell you about the past or the present, but to speak to the future. Two Billion Caliphs finds that Islam was a religion of intimacy, a faith rooted in and reaching for love, and that it could be and should be again. Fulfilling that destiny depends on the efforts of Muslims to reclaim their faith, rebuild their strength, and reimagine their future, on their own terms. Two Billion Caliphs offers Muslim thoughts for the age ahead, to create an interpretation Islam of and for days to come, the kind of religion the world's Muslims deserve, with echoes of the confident faith Muslims once had. The destiny of Islam, then, is not, as so many prefer to argue, a reformation. It is a counter-reformation. A restoration of what once was.

Billion Dollar Bride - Muriel Jensen 2010-12-27

Anna could hardly turn down the contract of her career! Austin Cahill had parlayed his business savvy to the point that he had everything he

wanted out of life. Except, of course, a child. And Caroline Lamont had happily agreed to provide him with one. Event planner Anna Maitland was a pro at themed extravaganzas. Medieval knights and ivy-draped bowers were right up her alley. So Caroline Lamont had to have her orchestrate Texas's wedding of the year. Landing the account for the Cahill-Lamont nuptials had an unexpected fringe benefit. Anna's son, Will, got to meet his idol, Austin Cahill. The problem was, the charismatic Mr. Cahill was proving pretty irresistible to Will's mom, too, even though she was doing a bang-up job of arranging his wedding to another woman! [Bride Behind the Billion-Dollar Veil](#) - Clare Connelly 2019-11-01
How to redeem the world's richest playboy? Marry a Cinderella! Fantastically wealthy Thanos Stathakis almost has it all. He requires just one last company to complete his empire. But to acquire it, he must counter his scandalous reputation—with a wife! His executive assistant, Alice, is the perfect choice—oh-so-respectable and in need of financial support for her family. He persuades her their vows are purely for show. Until he lifts Alice's veil and their intense, electrifying kiss complicates everything... Step into the Greek's decadent world with this emotional Cinderella story

His Billion Dollar Baby - Lea Nolan 2014-05-19

Burned by love and grieving over his brother's death, sexy billionaire CEO Carter Anderson wants nothing more than to protect his family. So when beautiful and unassuming physical therapist Gwen Radley shows up at the funeral, pregnant with his brother's baby, Carter's certain she wants an interest in the Anderson empire—and both his suspicion and attraction grow when circumstances force Gwen to move into his family's mansion. An orphan, Gwen's never wanted anything more than a family, and she finds in the Andersons a place she and her baby might belong. When Gwen's therapy expertise leads to long hours of intense, late-night collaboration on a lucrative project, the attraction between her and Carter leads to a night of white-hot passion. But Carter's distrust remains, leading them both to wonder if he will ever embrace his brother's baby—or the love that's blooming between them.
