Historical Dictionary of British Cinema - Alan Burton 2013-07-11

The Historical Dictionary of British Cinema has a lot of ground to cover.

This it does with over 300 dictionary entries informing us about significant actors, producers and directors, outstanding films and serials, organizations and studios, different films genres from comedy to horror, and memorable films, among other things. Two appendixes provide lists of award-winners. Meanwhile, the chronology covers over a century of history. These parts provide the details, countless details, while the introduction offers the big story. And the extensive bibliography points toward other sources of information.

Finding Center - Katherine Locke 2015-08-17

Zed and ballet are my two greatest loves It took all of Aly's strength to get them back after a tragic accident ripped them from her six years ago.

A long road to recovery led to her return, dancing full-time for the District Ballet Company and carrying Zed's child. But Aly is slipping. Each day becomes a fight to keep her career from crumbling under the weight of younger talent, the scrutiny of the public eye and the limitations of her ever-changing body. A fight she fears she's losing. I'm scared Aly is broken to her core Zed recognizes the signs, but he doesn't know how to fix her. The accident left him with his own demons, and while he wants nothing more than to take care of the woman he loves, it's getting harder the farther downward she spirals. When Aly's life is threatened and Zed's injuries prevent him from saving her, he's never felt so useless, so afraid he's not capable of being the man Aly and their child needs. With new life comes new hope. And with their fractured lives already hanging by a thread, Aly and Zed must discover if they have what it takes—both together and apart—to rebuild and carry on. Book Two of the District Ballet Company 70,000 words

Adaptation for Screenwriters - Robert Edgar 2019-11-14

Develop the critical and creative skills to 'translate' a story from page to screen with this step-by-step guide to the process of screen adaptation you'll learn to: - interrogate a novel or short story to release its 'inner film' - convert fictional prose into visual drama - overcome the obstacles presented by different media 'languages' - approach key strategic decisions - both technical and interpretive - draft and re-draft your plot, characters and dialogue - professionally format and submit your finished script In addition to examples taken from 'literary classics', contemporary novels, genre fiction, short stories, and biographical

material, Marland and Edgar embrace the wider phenomenon of re-telling and updating existing stories, such as the 'appropriation' of popular figures, inter-film adaptation (sequels and 'reboots'), and development into other visual forms including graphic fiction and video games. Whether you are producing a faithful adaptation of Tolstoy's War and Peace, or planning to pair up the crime-fighting duo of Sherlock Holmes and Batman, Adaptation for Screenwriters will be your guide.

Inspire! - Simon Maier 2011-05-11

Inspire! showcases 100 of the most brilliant speeches ever delivered from the worlds of film and theatre. From the plays of Shakespeare to contemporary cinema hits, people over the years have been inspired and moved by superb actors delivering powerful lines. Yet only a select few can be called truly "essential" to the betterment of the human spirit and condition, and these are the speeches which form this book. Some speeches have stood the test of time. Others are classics and are known by everyone. Why do we quote from them for pleasure and politics? Why have some been used for propaganda? Why do they make us cry and laugh? Are there insights that can benefit anyone who needs to deliver a rousing, powerful speech or presentation? Simon Maier selects the 100 from stage and screen and offers insights and analyses as to why they have inspired so many.

Billy Elliot - Melvin Burgess 2005

Time Out - Emma Murray 2020-05-26

'Brilliantly witty and marvellously observed...' Cathy Kelly 'It's just a phase,' they said. 'These are the happiest years of your life,' they said... Mother of one and professional writer Saoirse (pronounced Seersha, not Searcy - thanks a bunch Game of Thrones!) is still adjusting to the demands of motherhood, four years after the birth of her daughter, Anna. Living in the claustrophobic London suburb of Woodvale, and being surrounded by passive-aggressive mum-wars, isn't helping. Neither is her increasingly pent-up anger at her once-perfect husband. Her only comrade in arms, best friend Bea, is the one thing keeping her sane. When Saoirse's agent asks her to pitch for a book, she is horrified to discover the topic is motherhood. How can she possibly write a 'warts and all' account of being a mother without giving away what it's really like? Laugh-out-loud funny, painfully well-observed, but with an unmistakable warmth and unforgettable characters, this is the perfect read for anyone who desperately needs a break! The novel may or may not have been inspired by real life... For fans of Motherland! Praise for Emma Murray: 'Emma Murray's Time Out is a brilliantly witty and marvellously observed novel about young motherhood when there's always someone ready to tell you that you're doing it all wrong.' Cathy Kelly 'Emma tells it how it is with real honesty, and it made me laugh out loud.' Janet Hoggarth 'Witty, fun, beautifully-written. Very highly recommended. Excited to see what comes next from Emma Murray.' Jessica Redland What readers are saying about Time Out: 'Time Out was exactly what I needed right now, it's Hilarious, Witty, Brilliantly Written,

Authentic, Compelling, Uplifting and so very relatable. The characters are superbly written, and I really hope we get to read more from Saoirse.' 'This book is a reminder of the importance of a support system: old friends, new friends, parents, and sometimes even a kind word from a stranger.' 'I really related to the Saoirse, the main character in this book. I loved her humour, her insecurities, her strengths, her flaws and of course most importantly how she formed a fantastic friendship over a morning bottle of Prosecco.' 'Emma Murray has written a 5-star 'how-to' book on being part of the village ... 'it takes a village to raise a child' but it also takes that village to raise up a mom!' 'A fabulous read that had me hooked and also made me feel glad that my children were born prior to the arrival of Facebook and social media. But a refreshing read and one I would definitely recommend.'

Flop Musicals of the Twenty-First Century - Stephen Purdy 2020-05-17

Flop Musicals of the Twenty-First Century offers a provocative and revealing historical narrative of a group of musicals that cost millions and that had spectacular potential...but bombed anyway. Unlike similar books on the topic which have taken a more truncated approach to telling the fascinating stories of these shows, Stephen Purdy chooses instead to examine at length the production histories of these shows which are all bound together by a common thread. In this volume Purdy focuses the lens on several seemingly infallible theatre creatives that weren't destined to repeat their successes with the shows discussed in this volume. As such, Purdy grounds the discussion by examining what the legendary creators of Les Misérables, pop superstar Elton John, wunderkind Julie Taymor and many others have in common besides being inspired storytellers of iconic Broadway musicals. The answer is that that also all created shows that, for one reason or a dozen, didn't find an audience. This particular volume shares the story of what can happen when formidable creative teams of sell-out musicals attempt to re-create their success but miss the mark. This is an engaging book for students, practitioners and fans of musical theatre that contains thoughtful observations about luck and creative differences, botched adaptations and alienated audiences, all of which can determine the fate of a musical.

National Theatre Connections 2011 - Sam Adamson 2014-03-10

This brilliant new collection of ten plays for young people will prove indispensable to schools, colleges and youth theatre groups. Specially commissioned by the National Theatre for the Connections Festival 2011 involving 200 schools and youth theatre groups across the UK and Ireland, each play is accompanied by production notes and exercises. The Pied Piper re-imagined, the aftermath of genocide in Rwanda, witches in seventeenth century Norfolk, a giant baby on the rampage, an extraordinary day in an ordinary school are just some of subjects covered in the thrilling and varied new plays created by talented writers for young actors to perform in National Theatre Connections 2011. The plays in this anthology offer a huge variety of stories and styles to ignite the imagination of young casts and creative teams. Themes are both teenage and universal - ambition, dashed hopes, fear and confidence, loyalty and betrayal. These new plays embrace a huge range for their inspiration: they plunder classics and imagine the future.

How to Write About Theatre - Mark Fisher 2015-08-27

What do you do if you find yourself weeping in the stalls? How should you react to Jude Law's trousers or David Tennant's hair? Are you prepared to receive toilet paper in the post? What if the show you just damned turns out to be a classic? If you gave it a five-star rave will anyone believe you? Drawing on his long years of experience as a national newspaper critic, Mark Fisher answers such questions with candour, wit and insight. Learning lessons from history's leading critics and taking examples from around the world, he gives practical advice about how to celebrate, analyse and discuss this most ephemeral of art forms - and how to make your writing come alive as you do so. Today, more people than ever are writing about theatre, but whether you're blogging, tweeting or writing an academic essay, your challenges as a critic remain the same: how to capture a performance in words, how to express your opinions and how to keep the reader entertained. This inspirational book shows you the way to do it. Foreword by Chris Jones, Chief theater critic, Chicago Tribune

Cases in Marketing Management - Kenneth E. Clow 2011-03-28

This comprehensive collection of 38 cases selected from Ivey Publishing helps students understand the complex issues that marketing professionals deal with on a regular basis. The cases were chosen to help students apply conceptual, strategic thinking to issues in marketing management, as well as provide them with more practical operational ideas and methods. Cases were chosen from around the world, from small and large corporations, and include household names such as Twitter, Best Buy, Ruth's Chris, and Kraft Foods. The majority of the cases are very recent (from 2009 or later). Each chapter begins with an introductory review of the topic area prior to the set of cases, and questions are included after each case to help students to think critically about the material. Cases in Marketing Management is edited by Kenneth E. Clow and Donald Baack, and follows the structure and goals of their textbook Marketing Management: A Customer-Oriented Approach. It can also be used as a stand-alone text, or as a supplement to any other marketing management textbook, for instructors who want to more clearly connect theory and practice to actual cases.

The North East of England on Film and Television - James Leggott 2021-06-28

This book analyses the representation of North-East England in film and television. It is a response to the way a number of important British films and programmes—for example, *Get Carter* (1971), *Whatever Happened to the Likely Lads* (1973-74), *Our Friends in the North* (1996) and *Billy Elliot* (2000)—have used this particular setting to explore questions of class, identity and history. It argues for the significance and coherence of a North-East corpus of film and television through a series of case studies relating to specific eras or types of representation. These include regional writers working for television in the 1970s, the achievements of the workshop movement in the 1980s and works produced within the genres of documentary, crime drama, comedy, period drama and reality television. The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change, and legacies of de-industrialisation.

Cultural Capital - Robert Hewison 2014-11-11

Britain began the twenty-first century convinced of its creativity. Throughout the New Labour era, the visual and performing arts, museums and galleries, were ceaselessly promoted as a stimulus to national economic revival, a post-industrial revolution where spending on culture would solve everything, from national decline to crime. Tony Blair heralded it a "golden age." Yet despite huge investment, the audience for the arts remained a privileged minority. So what went wrong? In *Cultural Capital*, leading historian Robert Hewison gives an in-depth account of how creative Britain lost its way. From Cool Britannia and the Millennium Dome to the Olympics and beyond, he shows how culture became a commodity, and how target-obsessed managerialism stifled creativity. In response to the failures of New Labour and the austerity measures of the Coalition government, Hewison argues for a new relationship between politics and the arts.

The Full Monty - Simon Beaufoy 2013-02-02

In 1997, a BAFTA award-winning British film about six out of work

Sheffield steelworkers with nothing to lose took the world by storm. And now they're back, live on stage, only for them, it really has to be *The Full Monty*. Simon Beaufoy, the Oscar-winning writer of the film, has now gone back to Sheffield where it all started to rediscover the men, the women, the heartache and the hilarity of a city on the dole. *The Full Monty* was the winner of the UK Theatre Best Touring Production award 2013.

Defying Gravity - Carol de Giere 2008-09-01

DEFYING GRAVITY: THE CREATIVE CAREER OF STEPHEN SCHWARTZ

Dance and Politics - Alexandra Kolb 2011

This is the first anthology to explore the fertile intersection of dance and political studies. It offers new perspectives on the connections of dance to governmental, state and party politics, war, nationalism, activism, terrorism, human rights, political ideologies and cultural policy. This cutting-edge book features previously unpublished work by leading scholars of dance, theatre, politics, and management, alongside renowned contemporary choreographers, who propose innovative ways of looking at twentieth- and twenty-first-century dance. Topics covered range across the political spectrum: from dance tendencies under fascism to the use of choreography for revolutionary socialist ends; from the capacity of dance to reflect the modern market economy to its function in campaigns for peace and justice. The book also contains a comprehensive introduction to the relations between dance and politics.

Writing for Visual Media - Anthony Friedmann 2012-11-12

Writing for Visual Media looks at the fundamental problems a writer faces in learning to create content for media that is to be seen rather than read. It takes you from basic concepts to practice through a seven-step method that helps you identify a communications problem, think it through, and find a resolution before beginning to write. Through successive exercises, Writing for Visual Media helps you acquire the basic skills and confidence you need to write effective films, corporate and training videos, documentaries, web sites, PSAs, TV shows, nonlinear media, and other types of visual narratives. You'll explore your visual imagination and try out your powers of invention. The companion web site enriches the content of the printed book with video, audio, and sample scripts. It includes scripts and the video produced from them; visual demonstrations of concepts; and an interactive, illustrated glossary of terms and concepts. Please visit

National Identity and the British Musical - Grace Barnes 2022-07-14

National Identity and the British Musical: From Blood Brothers to Cinderella examines the myths associated with national identity which are reproduced by the British musical and asks why the genre continues to uphold, instead of challenging, outdated ideals. All too often, UK musicals reinforce national identity clichés and caricatures, conflate 'England' with 'Britain' and depict a mono-cultural nation viewed through a nostalgic lens. Through case studies and analysis of British musicals such as Blood Brothers, Six, Half a Sixpence and Billy Elliot, this book examines the place of the British musical within a text-based theatrical heritage and asks what, or whose, Britain is being represented by home grown musicals. The sheer number of people engaging with shows bestows enormous power upon the genre and yet critics display a reluctance to analyse the cultural meanings produced by new work, or to hold work to account for production teams and narratives which continue to shun diversity and inclusive practices. The question this book poses is: what kind of industry do we want to see in Britain in the next ten years? And what kind of show do we want representing the nation in the future?

Active Listening Michael Rost 2013-11-04

Listening is now regarded by researchers and practitioners as a highly active skill involving prediction, inference, reflection, constructive recall, and often direct interaction with speakers. In this new theoretical and practical guide, Michael Rost and JJ Wilson demonstrate how active listening can be developed through guided instruction. With so many new technologies and platforms for communication, there are more opportunities than ever before for learners to access listening input, but this abundance leads to new challenges: how to choose the right input how to best use listening and viewing input inside and outside the classroom how to create an appropriate syllabus using available resources Active Listening explores these questions in clear, accessible

prose, basing its findings on a theoretical framework that condenses the most important listening research of the last two decades. Showing how to put theory into practice, the book includes fifty innovative activities, and links each one to relevant research principles. Sample audio recordings are also provided for selected activities, available online at the series website www.pearsoned.co.uk/rostwilson. As a bridge between theory and practice, Active Listening will encourage second language teachers, applied linguists, language curriculum coordinators, researchers, and materials designers to become more active practitioners themselves, by more fully utilising research in the field of second language listening.

The Stars Look Down - A. J. Cronin 2013-03-14

The Stars Look Down was A.J. Cronin's fourth novel, published in 1935, and this tale of a North country mining family was a great favourite with his readers. Robert Fenwick is a miner, and so are his three sons. His wife is proud that all her four men go down the mines. But David, the youngest, is determined that somehow he will educate himself and work to ameliorate the lives of his comrades who ruin their health to dig the nation's coal. It is, perhaps, a typical tale of the era in which it was written - there were many novels about coal mining, but Cronin, a doctor turned author, had a gift for storytelling, and in his time wrote several very popular and successful novels In the magnificent narrative tradition of *The Citadel*, *Hatter's Castle* and Cronin's other novels, *The Stars Look Down* is deservedly remembered as a classic of its age.
