The Imperfect Storm: From Henry Street to Hollywood - Howard Storm 2019-12-29

THE IMPERFECT STORM: From Henry Street To Hollywood is the improbable - and vastly entertaining - story of Howard Storm (nee Howard Sobel), who grew up on the mean streets of New York's Lower East Side during the Great Depression and went on to become a successful standup comic, actor, improv teacher, and television director. In the world of entertainment, Howard's hilarious storytelling prowess is legendary. After years of friends demanding he set these stories down in book form, he finally did it, with the help of author Steve Stoliar (RAISED EYEBROWS: My Years Inside Groucho's House). THE IMPERFECT STORM is filled with funny, shocking, sometimes bittersweet stories about playing rough-and-tumble mob-owned clubs in the '50s, graduating to big-time clubs in the '60s, directing such classic TV shows as RHODA, LAVERNE & SHIRLEY, MORK & MINDY, TAXI and EVERYBODY LOVES RAYMOND, and much, much more. Along the way, there are previously unpublished photos and never-before-told stories about such immortals as Judy Garland, Cary Grant, Frank Sinatra, Lucille Ball, Desi Arnaz, Woody Allen, Lenny Bruce, Valerie Harper, Joan Rivers, Don Rickles, Jonathan Winters, and Robin Williams, just to shave the tip off the iceberg. A remarkable tale, from start to finish. "A terrific book. Great show-business stories, celebrities, gangsters, prizefighters - all fresh tales, hilariously told by a guy who really knows how to tell them." — Woody Allen "What a humorously entertaining and immersing autobiography!!! It makes one feel they're on an extended car-trip with a favorite uncle through the glory days of show-biz; from vaudeville to the Catskills to Broadway to Hollywood sit-coms. (And had I known Howard was so 'connected,' I would have gotten to work on time!) This amazing trip through time is certainly worth the ride." — Pam Dawber "One of the most life-affirming reads ever. Howard Storm is an American Master." — Richard Lewis

Still Waters Tami Hoag 2003-12-30

The deepest waters hide the darkest secrets.... When the body of a murdered man literally falls at Elizabeth Stuart's feet, she's able to wash away the blood--but not the terror. Unwelcome newcomers to Still Creek, Minnesota, she and her troubled teenage son are treated with suspicion by the locals, including the sheriff. Yet nothing will stop her from digging beneath the town's placid surface for the truth—except the killer. Running from a messy divorce, Elizabeth believed buying a small-town newspaper offered a fresh start for herself and her son. But idyllic Still Creek, nestled in the heart of lush Amish farmlands, hides secrets dangerous enough to push someone to commit murder. Now Elizabeth must risk everything to save herself and her son, and to unmask the killer...before the current of evil flowing through Still Creek drags her under. When Elizabeth Stuart searched for a quiet, peaceful home for

herself and her son, Still Creek seemed perfect. Nestled in the heart of lush Amish farmlands, this small, idyllic Minnesota town would allow her to put a shattering divorce behind her. But the locals were noticeably cool to the newcomer—who was rumored to be a gold-digger—especially when she started stirring up controversy with her newspaper. And now when a murdered body literally falls at her feet, she has a slight credibility problem...particularly with the arrogant sheriff whose blue eyes seem to know her darkest secrets. An ex-pro athlete who had returned to Still Creek a hero, Sheriff Dane Jantzen doesn't have much use for the media—especially not in the form of this glamorous, gutsy outsider who spells trouble with every word she prints. So when she becomes his suspect in a vicious crime, the last thing Dane expects is the jolt of attraction at their every encounter. Elizabeth would soon challenge Dane's every assumption, including the one that he's better off without love. But as they risk everything to uncover the truth, the current of evil that contaminates Still Creek threatens to pull them both under...

Twice in a Lifetime - Agust Borgþor Sverrisson 2013-12-03

'The stories in this collection brilliantly draw a world through brief details and coincidence.' - The Manchester Review. A woman receives a postcard from a married man she's never met, addressed, it would seem, to his mistress... A successful business man tries to scheme his way out of a paternity test by offering his less fortunate brother a deal he cannot refuse... A teenage boy escapes the grief-stricken atmosphere of his home, in the wake of his brother's death, by taking refuge in the immaculate violence of American horror movies... Each of Sverrisson's stories offers an intricate study in the precariousness of life, the frailty of every fleeting opportunity. Characters are scarred by simple, careless actions. Lives turn on the smallest events: a child steals cash from his father for a pretend-money game and unwittingly throws his brother's entire life off balance; a man has a one-night stand with a married woman and only realizes the consequences years later; an overbearing girlfriend sends her cynical boyfriend a letter that stops him in his tracks. Yet amid the anonymity of urban life, the random accidents and mistaken identities that make up Sverrisson's stories, there can also be found an abiding faith in the unexpected gifts that chance throws up: synchronicities, coincidences, moments in time seen from new perspectives that offer fresh secrets, and, occasionally, even a second chance. 'A splendid collection... Sverrisson is a great author who cunningly masters the spare form of the short story.' — Páll Baldvin Baldvinsson
