[The Selfish Gene](#) - Richard Dawkins 1989

An ethologist shows man to be a gene machine whose world is one of savage competition and deceit

Battle of the Labyrinth, The (Percy Jackson and the Olympians, Book 4) - Rick Riordan
2009-05-02

Percy Jackson isn't expecting freshman orientation to be any fun. But when a mysterious mortal acquaintance appears on campus, followed by demon cheerleaders, things quickly move from bad to diabolical. In this latest installment of the blockbuster series, time is running out as war between the Olympians and the evil Titan lord Kronos draws near.

Dragonsblood - Todd J. McCaffrey 2005-01-25

"This is Pern, in the hands of a new master-grade harper. . . . May the saga continue!"
—David Weber, New York Times bestselling author of *The Shadow of Saganami* A mysterious epidemic is striking dragons, and the next deadly cycle of Threadfall is only days away. Somehow, dragonrider Lorana must find a way to save all the dragons—including her own beloved Arith—before they succumb to the sickness, leaving Pern undefended. No doubt the first colonists, who originally bred the dragons, possessed the advanced technology to find a cure. But over the centuries, that knowledge was lost. Five hundred years in the past, a scientist foresees that a disease may ultimately destroy the dragons, and she is determined to find a way to change the future. Now two brave women, separated by hundreds of years but joined by bonds transcending time, become unknowing allies in a desperate race for nothing less than

Pern's survival. Praise for *Dragonsblood*

"*Dragonsblood* is a strong, lively story, with vivid, interesting characters and plenty of exciting action. Todd has captured the tone as well as the familiar settings of the Pern books. Pern fans (and newcomers to the Pern universe) have reason to rejoice."—Elizabeth Moon, Nebula Award-winning author of *Marque* and *Reprisal* "For Pern lovers, the good news is that Todd McCaffrey has inherited his mother's storytelling ability. His dragons and firelizards, his harpers in Harper's Hall, carry on the great traditions—and add much to them. Huzzah, Todd! You have learned wisdom indeed."—Jane Yolen, award-winning author of *Briar Rose*

"*Dragonsblood* is cause for celebration! A worthy addition to one of the grandest traditions in the literature of the fantastic, this is a lock-the-door, take-the-phone-off-the-hook, send-the-kids-out-to-play, curl-up-and-enjoy adventure!"—David Gerrold, author of *Blood and Fire* "The torch has been passed and burns more brightly than ever in this latest chapter of the venerable Pern saga, the first of what one hopes will be many solo efforts by the son of series creator Anne McCaffrey. . . . This stand-alone tale fits beautifully into the existing history and style of earlier books while still breaking new ground."—Publishers Weekly (starred review) "McCaffrey convincingly spins a dramatic, thoroughly captivating tale, steeped in the lore and well-drawn characterizations of the people and the dragons for which the Pern novels are prized. Fans old and new will be delighted by his continuance of a beloved saga."—Booklist

The Hero and the Crown - Robin McKinley

1984-10-15

Robin McKinley's mesmerizing history of Damar is the stuff that legends are made of. The Hero and the Crown is a dazzling "prequel" to The Blue Sword. Aerin is the only child of the king of Damar, and should be his rightful heir. But she is also the daughter of a witchwoman of the North, who died when she was born, and the Damarians cannot trust her. But Aerin's destiny is greater than her father's people know, for it leads her to battle with Maur, the Black Dragon, and into the wilder Damarian Hills, where she meets the wizard Luthe. It is he who at last tells her the truth about her mother, and he also gives over to her hand the Blue Sword, Gonturan. But such gifts as these bear a great price, a price Aerin only begins to realize when she faces the evil mage, Agsded, who has seized the Hero's Crown, greatest treasure and secret strength of Damar.

Beyond Blood Oil - Leif Wenar 2018-08-08

Beyond Blood Oil expands on the themes and proposals laid out in Leif Wenar's previous book and engages a distinguished group of scholars to explore philosophical arguments, assessing the prospects of his practical policy proposal. The book addresses how oil resources can undermine democracy and discusses moral obligations of those who consume oil

Robert Ludlum's (TM) The Bourne Objective - Eric Van Lustbader 2010-06-01

A Jason Bourne novel from the #1 New York Times bestselling author Facing down mercenaries in Africa, Jason Bourne witnesses the death of an art dealer named Tracy Atherton. Her killing dredges up snatches of Bourne's impaired memory, in particular the murder of a young woman on Bali who entrusted him with a strangely engraved ring—an artifact of such powerful significance that people have killed to obtain it. Now he's determined to find the ring's owner and purpose. But Bourne never knows what terrible acts he'll discover he committed when he digs into the past. The trail will lead him through layers of conspiracy to a vicious Russian mercenary, Leonid Arkadin, who was also a graduate of the Central Intelligence training program Treadstone. A covert course designed to create ruthless assassins for C.I., it was shuttered by Congress for corruption. Yet before it was dismantled, it produced Bourne

and Arkadin, giving them equal skills, equal force, and equal cunning. As Bourne's destiny circles closer to Arkadin's, it becomes clear that the eventual collision of these men is not of their own making. Someone else has been watching and manipulating them. Someone who wants to know, Who is the more deadly agent?

Master of the Game - Sidney Sheldon 2010-05-25

Kate Blackwell is the symbol of success—a beautiful woman who has parlayed her inheritance into an international conglomerate. Now, celebrating her 90th birthday, Kate surveys the family she has manipulated, dominated, and loved: the fair and the grotesque, the mad and the mild, the good and the evil—her winnings in life.

Stuff You Should Know - Josh Clark 2020-11-24

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know.

With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

[The Gospel According to Mark](#) - 1999-01-01

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Black Like Me - John Howard Griffin
2006-04-01

This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

[Merchants of Doubt](#) - Naomi Oreskes 2011-05-31

Documents the troubling influence of a small group of scientists who the author contends misrepresent scientific facts to advance key political and economic agendas, revealing the interests behind their detractions on findings about acid rain, DDT, and other hazards.

[Bad Blood](#) - John Carreyrou 2018-05-21

NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword. “Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection.”

—The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes's worth at an estimated \$4.5 billion. There was just one problem: The technology didn't work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from

journalists to their own employees.

Killers of the Flower Moon - David Grann
2017-04-18

NATIONAL BOOK AWARD FINALIST •

NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma.

After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned.

And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered.

As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann's new book, *The Wager*, coming in April 2023!

Oil! - Upton Sinclair 2007-12-18

The classic novel that inspired the Academy award-winning film, *There Will Be Blood*. Penguin Books is proud to now be the sole publisher of *Oil!*, the classic 1927 novel by Upton Sinclair. After writing *The Jungle*, his scathing indictment of the meatpacking industry, Sinclair turned his sights on the early days of the California oil industry in a highly entertaining story featuring a cavalcade of characters including senators, oil magnets, Hollywood film starlets, and a crusading evangelist. This lively and panoramic book, which was recently cited by David Denby in the *New Yorker* as being Sinclair's “most readable” novel, is now the inspiration for the Paramount Vantage major motion picture, *There Will Be Blood*. It is the long-awaited film from Paul Thomas Anderson, one of the most admired filmmakers working

today whose previous movies, Boogie Nights and Magnolia were both multiple Academy Award nominees. The movie stars Oscar-winner Daniel Day-Lewis (Gangs of New York, My Left Foot) and Paul Dano (Little Miss Sunshine).

Paramount Vantage will be releasing the film in New York and Los Angeles on December 26, 2007 and go nationwide in January. This is the same company responsible for Babel and A Mighty Heart and the current releases, Into the Wild, Margot at the Wedding, and The Kite Runner. As wars rage on in the oil region and as anxiety over natural resources rise, the subject of this book, which celebrates its 80th anniversary in 2007, is more timely than ever.

The Decline of the West - Oswald Spengler 1991

Spengler's work describes how we have entered into a centuries-long "world-historical" phase comparable to late antiquity, and his controversial ideas spark debate over the meaning of historiography.

Going Green Before You Conceive - Wendie Aston 2016-09-27

I have long advocated the notion that the time to start eating well for a healthy baby is several years before your child is born! Give your baby and family the healthiest start possible by GOING GREEN!

The Brass Check - Upton Sinclair 1919

Black Blood = 21st Century Oil Rush Noel Robertson 2007-01-24

Noel Robertson was born during WWII. He worked hard to gain qualifications in school, banking and then general construction. All the time Noel had a nagging question - "Why are we so poor and who are these people controlling everything?" A Jewish friend told him that 'only fools work!' This made him think, so he embarked on various self-employed activities. Becoming ill at age 51, he has not worked since. He started his research into the history of mankind which took place way before all those Biblical stories - he needed to know the origins of our species and set out to find the 'missing' link according to Charles Darwin. Time allowed Noel to read numerous books allied to this subject, including those written by Zecharia Sitchin setting out his translations of the Sumerian Tablets. Noel basically found out where we, as a human race, came from. It was these findings that led to Black Blood = 21st Century Oil Rush. This brings right up to date the reasons for wars, both historical and current, which mankind has had to endure. Man has simply given his mind away! If you think you are free, then think again. It is a journey from pre-history, through Biblical times, the renaissance period to the present. Imperialist administrations are still fighting wars over the 'control' of modern energy - oil and gas - and indeed human minds. Man is being drawn in with most of the world not realising and understanding the covert powers at work here. Black Blood = 21st Century Oil Rush provides some very interesting answers - true understanding is highly controversial. Just

substitute the word 'God' for 'space-ship' and 'global' for New World Order and enter Noel's world.

Blood and Oil - Bradley Hope 2020-09-01

From award-winning Wall Street Journal reporters comes a revelatory look at the inner workings of the world's most powerful royal family, and how the struggle for succession produced Saudi Arabia's charismatic but ruthless Crown Prince Mohammed bin Salman, aka MBS. 35-year-old Mohammed bin Salman's sudden rise stunned the world. Political and business leaders such as former UK prime minister Tony Blair and WME chairman Ari Emanuel flew out to meet with the crown prince and came away convinced that his desire to reform the kingdom was sincere. He spoke passionately about bringing women into the workforce and toning down Saudi Arabia's restrictive Islamic law. He lifted the ban on women driving and explored investments in Silicon Valley. But MBS began to betray an erratic interior beneath the polish laid on by scores of consultants and public relations experts like McKinsey & Company. The allegations of his extreme brutality and excess began to slip out, including that he ordered the assassination of journalist Jamal Khashoggi. While stamping out dissent by holding 300 people, including prominent members of the Saudi royal family, in the Ritz-Carlton hotel and elsewhere for months, he continued to exhibit his extreme wealth, including buying a \$70 million chateau in Europe and one of the world's most expensive yachts. It seemed that he did not understand nor care about how the outside world would react to his displays of autocratic muscle—what mattered was the flex. *Blood and Oil* is a gripping work of investigative journalism about one of the world's most decisive and dangerous new leaders. Hope and Scheck show how MBS' precipitous rise coincided with the fraying of the simple bargain that had been at the head of US-Saudi relations for more than 80 years: oil, for military protection. Caught in his net are well-known US bankers, Hollywood figures, and politicians, all eager to help the charming and crafty crown prince. The Middle East is already a volatile region. Add to the mix an ambitious prince with extraordinary powers, hunger for lucre, a tight relationship with the

White House through President Trump's son in law Jared Kushner, and an apparent willingness to break anything—and anyone—that gets in the way of his vision, and the stakes of his rise are bracing. If his bid fails, Saudi Arabia has the potential to become an unstable failed state and a magnet for Islamic extremists. And if his bid to transform his country succeeds, even in part, it will have reverberations around the world.

Longlisted for the Financial Times & McKinsey Business Book of the Year Award

Story of the Eye - Georges Bataille 1989-10
Novel, translated by Joachim Neugroschel.

Bataille's scandalous *STORY OF THE EYE*, written under the pseudonym Lord Auch, centers around the exploits of a young couple exploring the utmost boundaries of the sacred and profane. This hallucinatory melding of sex and religion has lost none of its transgressive power since its original publication in the 1920s, and prefigures Bataille's later studies of death and sensuality, including *EROTISM* and *THE TEARS OF EROS*, also published by City Lights and available from SPD.

Blood and Money - Thomas Thompson
2016-12-13

New York Times Bestseller: The “gripping” true story of a beautiful Texas socialite, her ambitious husband, and a string of mysterious deaths (Los Angeles Times). Joan Robinson Hill was a world-class equestrian, a glamorous member of Houston high society, and the wife of Dr. John Hill, a handsome and successful plastic surgeon. Her father, Ash Robinson, was a charismatic oil tycoon obsessed with making his daughter's every dream come true. Rich, attractive, and reckless, Joan was one of the most celebrated women in a town infatuated with money, power, and fame. Then one morning in 1969, she fell mysteriously ill. The sordid events that followed comprise “what may be the most compelling and complex case in crime annals” (Ann Rule, bestselling author of *The Stranger Beside Me*). From the elegant mansions of River Oaks, one of America's most exclusive neighborhoods, to a seedy underworld of prostitution and murder-for-hire, New York Times–bestselling author Thomas Thompson tracks down every bizarre motive and enigmatic clue to weave a fascinating tale of lust and vengeance. Full of colorful characters, shocking twists, and deadly

secrets, Blood and Money is "an absolute spellbinder" and true crime masterpiece (Newsweek).

The Jungle - Upton Sinclair 2010-08-19

A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

Blood Oil - James Phelan 2014-04-15

What is the price of a human life? Lachlan Fox is about to pay it. Oil prices are rocketing. Terror attacks have destabilized the global economy. The White House believes the Nigerian oil fields are the key to safeguarding America's future, but someone else sees them as an opportunity to consolidate power. Travelling from New York to Nigeria, investigative journalist and ex-navy operative Lachlan Fox is hunting the story. He's seen action in Afghanistan, East Timor and Iraq, but this time it's personal. Wrestling with demons that push him right to the edge and leave him exposed like never before, will Fox uncover the truth in time? Or will his quest for revenge see him go too far?

A Discovery of Witches - Deborah Harkness 2011-02-08

Now a major Sky original production - Season 2 streaming now THE NUMBER ONE INTERNATIONAL AND SUNDAY TIMES

BESTSELLER. A *Discovery of Witches* is the first in the must-read ALL SOULS trilogy. It begins with absence and desire. It begins with blood and fear. It begins with a discovery of witches. Fall under the spell of Diana and Matthew in the stunning first volume of the No.1 internationally bestselling ALL SOULS trilogy. A world of witches, daemons and vampires. A manuscript which holds the secrets of their past and the key to their future. Diana and Matthew - the forbidden love at the heart of it. When historian Diana Bishop opens an alchemical manuscript in the Bodleian Library, it's an unwelcome intrusion of magic into her carefully ordered life. Though Diana is a witch of impeccable lineage, the violent death of her parents while she was still a child convinced her that human fear is more potent than any witchcraft. Now Diana has unwittingly exposed herself to a world she's kept at bay for years; one of powerful witches, creative, destructive daemons and long-lived vampires. Sensing the significance of Diana's discovery, the creatures gather in Oxford, among them the enigmatic Matthew Clairmont, a vampire geneticist. Diana is inexplicably drawn to Matthew and, in a shadowy world of half-truths and old enmities, ties herself to him without fully understanding the ancient line they are crossing. As they begin to unlock the secrets of the manuscript and their feelings for each other deepen, so the fragile balance of peace unravels... Five reasons to read *A Discovery of Witches* and the All Souls Trilogy 'Rich, thrilling ... A captivating and romantic ripping yarn' E L James 'Intelligent and off-the-wall ... irresistible to Twilight fans' Sunday Times 'I could lose myself in here and never want to come out ... Utterly enchanting on every level' Manda Scott 'Exciting amounts of spells, kisses and battles, and is recounted with enchanting, page-turning panache' Marie Claire 'A bubbling cauldron of illicit desire ... an assured saga that blends romance with fantasy' Daily Mail

War is a Racket - Smedley Butler 2018-01-19

War Is a Racket is a speech and a 1935 short book, by Smedley D. Butler, a retired United States Marine Corps Major General and two-time Medal of Honor recipient. Based on his career military experience, Butler frankly discusses how business interests commercially benefit (including war profiteering) from

warfare. He had been appointed commanding officer of the Gendarmerie during the United States occupation of Haiti, which lasted from 1915 to 1934.

Serpentine - Thomas Thompson 2016-12-13
New York Times Bestseller: This in-depth account of Charles Sobhraj, the serial killer portrayed in Netflix miniseries *The Serpent*, is “compulsive reading” (*The Plain Dealer*). There was no pattern to the murders, no common thread other than the fact that the victims were all vacationers, robbed of their possessions and slain in seemingly random crimes. Authorities across three continents and a dozen nations had no idea they were all looking for same man: Charles Sobhraj, aka “The Serpent.” A handsome Frenchman of Vietnamese and Indian origin, Sobhraj targeted backpackers on the “hippie trail” between Europe and South Asia. A master of deception, he used his powerful intellect and considerable sex appeal to lure naïve travelers into a life of crime. When they threatened to turn on him, Sobhraj murdered his acolytes in cold blood. Between late 1975 and early 1976, a dozen corpses were found everywhere from the boulevards of Paris to the slopes of the Himalayas to the back alleys of Bangkok and Hong Kong. Some police experts believe the true number of Sobhraj’s victims may be more than twice that amount. *Serpentine* is the “grotesque, baffling, and hypnotic” true story of one of the most bizarre killing sprees in modern history (*San Francisco Chronicle*). Edgar Award-winning author Thomas Thompson’s mesmerizing portrait of a notorious sociopath and his helpless prey “unravels like fiction, but afterwards haunts the reader like the document it is” (*The Plain Dealer*, Cleveland).

The Canterville Ghost - Oscar Wilde
2018-06-26

The Canterville Ghost is a humorous tale of an English ghost, set in Canterville Chase, an ancient English house that has all the requisite signs of appearing haunted. An American family of six the Otis family moves into the house despite being warned that the house is haunted. None of the members of the Otis family believe in the presence of the ghost. However, they keep finding the increasing evidence of the ghost's presence. Despite that, the Otises refuse to believe that the house is haunted. From clanking

chains to strange apparitions to bloodstains that keep reappearing, they take everything in their stride. They go about their life as usual, not frightened in the least. Only Virginia, the daughter of the Otis family, believes that the ghost exists. The narrator of the story is none other than Sir Simon, the ghost himself. He is characterised by a colorful personality and complex emotions. His regular talks with Virginia about matters of life and death reveal the complexity of his feelings. 'The Canterville Ghost' first appeared in 'The Court and Society Review Magazine' in February 1887. It has been adapted for film, theatre, and music.

The Thread of Energy - Martin J. Pasqualetti
2021-10-19

Energy weaves the tapestry of our lives, and it does so in more ways than we usually recognize. While it is clear that it powers our homes, airplanes, and factories, its overwhelming influence often goes without notice in other areas, from the heartbreak of poverty to the motivation for war. While maintaining its availability has the potential to create jobs and contribute to competitive economies, nonrenewable energy sources are scarring our landscapes, polluting our air, and fouling our water. Understanding how we use energy and what we are willing to do to maintain our access to it can help us prepare for the complex and daunting challenges that linger as we look for alternatives. In *The Thread of Energy*, Martin J. Pasqualetti homes in on this vital driver of human actions and decisions. He exposes the impact of energy according to multiple scales of measurement and assessment, from everyday applications to global entanglements. The book traces our increasing dependence on Earth's nonrenewable energy resources by comparing lifestyle changes throughout history. Pasqualetti showcases the many ways energy infiltrates communication methods in all its forms (e.g., print, visuals, digital, etc.). The final chapters detail various approaches used by democratic societies looking to lessen their energy usage, including the critical importance of environmentally conscious policymakers. *The Thread of Energy* treats energy as a social issue with a technical component, rather than the other way around.

The Andromeda Strain - Michael Crichton

2012-05-14

From the author of Jurassic Park, Timeline, and Sphere comes a captivating thriller about a deadly extraterrestrial microorganism, which threatens to annihilate human life. Five prominent biophysicists have warned the United States government that sterilization procedures for returning space probes may be inadequate to guarantee uncontaminated re-entry to the atmosphere. Two years later, a probe satellite falls to the earth and lands in a desolate region of northeastern Arizona. Nearby, in the town of Piedmont, bodies lie heaped and flung across the ground, faces locked in frozen surprise. What could cause such shock and fear? The terror has begun, and there is no telling where it will end.

The "People Power" Food Superbook: Book 2. Healthy Food (Health - Organic Foods, Juicing, Sprouts, Vitamins, Minerals, Amino Acids, Healing Salts, Bee Foods) - Tony Kelbrat 2014-04-04

Good foods are mostly natural foods. Bad foods are processed foods. Here are some types of food, good and bad: Grains are good if they're not refined, bleached or sweetened; barley, corn, millet, rice, rye, sorghum, wheat. Raw vegetables are best. Properly cooked vegetables retain some of their nutrients; asparagus, celery, leek, peppers, yam artichoke, chives, lentils, potato, zucchini, beans, collards, lettuce, rutabaga, beets, cucumbers, mushrooms, spinach, beet, greens, dandelion, greens, mustard, greens, squash, broccoli, egg, plant, okra, sweet, potato, brussels, sprout, endives, onion, turnip, cabbage, garlic, parsley, turnip, greens, cauliflower, kale, peas, watercress. Fresh fruits are good raw with the skin on; apple, apricot, avocado, banana, berry, cantaloupe, cherry, currant, fig, grape, grapefruit, honeydew, lemon, lime, nectarine, orange, papaya, peach, pear, pineapple, plum, rhubarb, tangerine, tomato, watermelon.

Revelation - 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Blood Money - Johan Raath 2018-09-19

A former Special Forces soldier—and presidential bodyguard—shares heart-stopping stories of his time as a private military contractor in Iraq. "I remember the cracking sound of the AK-47 bullets as they tore through our windscreen . . . A piece of bullet struck my bulletproof vest in the chest area and another piece broke off and lodged in my left forearm." Johan Raath and a security team were ambushed in May 2004 while on a mission to reconnoiter a power plant south of Baghdad for an American firm. He had been in the country for only two weeks. This was a taste of what was to come over the next few years as he worked as a private military contractor (PMC) in Iraq. His mission? Not to wage war, but to protect lives. Raath and his team provided security for engineers working on reconstruction projects in Iraq. Whether in the notorious Triangle of Death, in the deadly area around Ramadi, or in the faction-ridden Basra, Raath had numerous hair-raising experiences. Key to his survival was his training as a Special Forces operator, or Recce. This riveting account offers a rare glimpse into the world of private military contractors and the realities of everyday life in one of the world's most violent conflict zones.

Uglies - Scott Westerfeld 2011-05-03

A fresh repackaging of the bestselling Uglies books...the series that started the whole dystopian trend!

So Long Constipation, Part 1 - Katarina Nolte 2013-05-26

In So Long Constipation, Part 1 you will learn how to eliminate your constipation by learning what causes it and how this comes about. You will learn about the relationship between our daily environment and the gut. You will discover, in simple detail, how things like stress, industrial toxins and our modern diet and lifestyle influence the delicate balance of our mind-body system. You will familiarize yourself with the main aspects of this delicate balance in relation to gut function.

The TB12 Method - Tom Brady 2020-07-28

The #1 New York Times bestseller by the 6-time Super Bowl champion The first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—the 6-time Super Bowl champion who is still reaching unimaginable heights of excellence at 42 years

old—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to sustained peak performance for athletes of all kinds and all ages. In this new edition of *The TB12 Method*, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013 with Alex Guerrero—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, *The TB12 Method* provides step-by-step guidance on how to develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance and do what they love, better and for longer. With instructions, drills, photos, in-depth case studies that Brady himself has used, along with personal anecdotes and experiences from his legendary career, *The TB12 Method* gives you a better way to train and get results with Tom Brady himself as living proof.

Ethical Oil - Ezra Levant 2011-05-03

Canada's "no. 1 defender of freedom of speech" and the bestselling author of *Shakedown* makes the timely and provocative case that when it comes to oil, ethics matter just as much as the economy and the environment. In 2009, Ezra Levant's bestselling book *Shakedown* revealed the corruption of Canada's human rights commissions and was declared the "most important public affairs book of the year." In *Ethical Oil*, Levant turns his attention to another hot-button topic: the ethical cost of our addiction

to oil. While many North Americans may be aware of the financial and environmental price we pay for a gallon of gas or a barrel of oil, Levant argues that it is time we consider ethical factors as well. With his trademark candor, Levant asks hard-hitting questions: With the oil sands at our disposal, is it ethically responsible to import our oil from the Sudan, Russia, and Mexico? How should we weigh carbon emissions with human rights violations in Saudi Arabia? And assuming that we can't live without oil, can the development of energy be made more environmentally sustainable? In *Ethical Oil*, Levant exposes the hypocrisy of the West's dealings with the reprehensible regimes from which we purchase the oil that sustains our lifestyles, and offers solutions to this dilemma. Readers at all points on the political spectrum will want to read this timely and provocative new book, which is sure to spark debate.

And the Birds Rained Down - Jocelyne Saucier
2013-03-22

A CBC CANADA READS 2015 SELECTION!
FINALIST FOR THE 2013 GOVERNOR GENERAL'S LITERARY AWARD FOR FRENCH-TO-ENGLISH TRANSLATION
Tom and Charlie have decided to live out the remainder of their lives on their own terms, hidden away in a remote forest, their only connection to the outside world a couple of pot growers who deliver whatever they can't eke out for themselves. But one summer two women arrive. One is a young photographer documenting a series of catastrophic forest fires that swept Northern Ontario early in the century; she's on the trail of the recently deceased Ted Boychuck, a survivor of the blaze. And then the elderly aunt of the one of the pot growers appears, fleeing one of the psychiatric institutions that have been her home since she was sixteen. She joins the men in the woods and begins a new life as Marie-Desneige. With the photographer's help, they find Ted's series of paintings about the fire, and begin to decipher the dead man's history. A haunting meditation on aging and self-determination, *And the Birds Rained Down*, originally published in French as *Il pleuvait des oiseaux*, was the winner of the Prix des Cinq Continents de la Francophonie, the first Canadian title to win this honour. It was winner of the Prix des lecteurs Radio-Canada, the Prix

des collégiens du Québec, the Prix Ringuet 2012 and a finalist for the Grand Prix de la ville de Montréal. 'Nostalgic and beautifully grotesque, this novel is delightfully baroque and, although short, so striking it will simply never leave you.' - The Coast Jocelyne Saucier's novels have received countless prizes, including the Prix des Cinq Continents de la Francophonie. Rhonda Mullins's translation of Saucier's novel Jeanne's Road was nominated for the Governor General's Award.

The Drummer and the Great Mountain - a Guidebook to Transforming Adult ADD / ADHD - Michael Joseph Ferguson 2015-11-21

The most comprehensive holistic guide to transforming adult ADD / ADHD. "The Drummer and the Great Mountain - A Guidebook to Transforming Adult ADD/ADHD" starts with the premise that ADD/ADHD is a neurological type, not a disorder -- shared by countless artists and great minds throughout history. It offers a soulful, comprehensive, and holistic support system for creative individuals looking to maximize their potential and minimize their challenges with focus and consistency. Topics covered: Nutrition, Exercise, Emotional Support Tools, Time Management, Life Visioning, Creating Effective Support Systems, ADD / ADHD and Addiction, Meditation and Mindfulness Practices, and much more. Who Can Benefit: 1. Anyone diagnosed (or self-diagnosed) with ADD / ADHD. 2. Artists, musicians, entrepreneurs, and creative-types who struggle with consistency, structure, self-motivation, and possibly addictive tendencies. 3. People taking ADD / ADHD medication who are looking for effective, natural alternatives. 4. Social Workers, therapists, and wellness professionals seeking a comprehensive support plan for their clients. 5. Spouses, partners, and parents looking for ways to effectively support their loved ones. 6. Teachers, life coaches and support professionals wanting to discover more in-depth tools of support. "The Drummer and the Great Mountain is an informative, practical guidebook for those of us with the artistic or entrepreneurial temperament, offering a treasure trove of survival tools, personal growth techniques and coping mechanisms for a personality type that can often be at odds with our linear, rational society." ~ Warren Goldie, Author "This book

seems to not only span the whole spectrum of the ADD/ADHD subject but pierces deeply, bringing into focus the essential value of each part of our lives to augment - even perfect - our given natures; no matter how unique, rare or misunderstood." ~ Doro Kiley, Life Coach "Michael has taken a deeper look at how the foods we eat affect our brain chemistry. He has done a beautiful job explaining this phenomenon in clear and understandable terms; offering a realistic roadmap on how to recognize and take control of detrimental dietary patterns." ~ Jennifer Copyak, Nutritionist

Back to Blood - Tom Wolfe 2012-10-23

A big, panoramic story of the new America, as told by our master chronicler of the way we live now. As a police launch speeds across Miami's Biscayne Bay-with officer Nestor Camacho on board-Tom Wolfe is off and running. Into the feverous landscape of the city, he introduces the Cuban mayor, the black police chief, a wanna-go-muckraking young journalist and his Yale-marinated editor; an Anglo sex-addiction psychiatrist and his Latina nurse by day, loin lock by night-until lately, the love of Nestor's life; a refined, and oh-so-light-skinned young woman from Haiti and her Creole-spouting, black-gang-banger-stylin' little brother; a billionaire porn addict, crack dealers in the 'hoods, "de-skilled" conceptual artists at the Miami Art Basel Fair, "spectators" at the annual Biscayne Bay regatta looking only for that night's orgy, yenta-heavy ex-New Yorkers at an "Active Adult" condo, and a nest of shady Russians. Based on the same sort of detailed, on-scene, high-energy reporting that powered Tom Wolfe's previous bestselling novels, BACK TO BLOOD is another brilliant, spot-on, scrupulous, and often hilarious reckoning with our times.

Nothing Lasts Forever (Basis for the film Die Hard) - Roderick Thorp 2012-12-17

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster Die Hard. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken

hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers

wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!
