Mister of the Game Sidney Sheldon 2010-05-25

Kate Blackwell is the symbol of success—a beautiful woman who has parlayed her inheritance into an international conglomerate. Now, celebrating her 90th birthday, Kate surveys the family she has manipulated, dominated, and loved: the fair and the grotesque, the mad and the mild, the good and the evil—her winnings in life.

Oxford Readings in Menander, Plautus, and Terence - Erich Segal 2001

This book documents the origins of modern comedy by examining the evolution of New Comedy, the Greek genre of which the works of Menander are the only surviving example. It looks at the quiet domestic dramas of Menander, the farces of Plautus, and the comedies of Terence. An authoritative Introduction sets the papers, which are by leading experts in their field, in context and explores connections between them thus examining the legacy for modern comedies. All Latin and Greek is translated.

Bloodline 2 - Kate Cary 2007-02-01

Mary Seward thought she had escaped the darkness of Transylvania. But now, back in England, she has terrible nightmares, fears the night, and sees vampires everywhere she turns. When a strange virus weakens her father, Mary suspects that there's a far more sinister explanation for the disease than doctors can provide. Then Mary's worst nightmare comes true: Quincey Harker, heir to Count Dracula's bloodline, appears in England. He declares his eternal love for Mary and claims he has renounced his evil heritage. Is he telling the truth or playing a deadly game?

Sunshine - Robin McKinley 2008

Left to die in an abandoned mansion as the prey of a vampire, Sunshine is stunned to find herself unharmed and must come up with a way to save her undead host from the perils of the daylight world, in a seductive tale of supernatural desire from the Newbery Medal-winning author of *The Hero and the Crown*. Reprint.

The Battles Before - David Connery 2016-11-05

Much of Australia's military history literature focuses on battles and the way generals plan and prosecute an action or campaign. But what do generals do when they are not fighting battles? *The Battles Before* examines the role of senior leaders in preparing an army for war — fighting bureaucratic battles, mobilising forces for operations, or preparing for a future that is impossible to anticipate. The five cases examined in this book focus on strategic leadership and describe how major organisations grapple with political, strategic, economic and cultural change over time. The first three case studies analyse a series of pivotal moments in the history of the Australian Army: the dramatic downsizing that followed the Vietnam War, the seminal 1985 Dibb Review, and the build-up to the East Timor intervention in 1999. Further cases describe planning within a large organisation, particularly the way senior leaders grapple with the demands of multiple operations while facing significant impetus for force modernisation. The final chapter focuses on the crucial role of the Army's leadership in developing the next generation of leaders. The book concludes with a series of insights into the study of command in peacetime and its relevance to wartime command, particularly given the challenges that face peacetime commanders who operate within considerable constraints. *The Battles Before* uses recently declassified documents and interviews with key participants in a meticulous examination of a 30-year period characterised by profound and far-reaching change. This was a period that would reshape the Australian Army.

Warriors Super Edition: Moth Flight's Vision - Erin Hunter 2015-11-03

An epic stand-alone adventure in Erin Hunter's #1 nationally bestselling *Warriors* series! Set just after the events of the Dawn of the Clans prequel arc, this super edition follows WindClan's first medicine cat, Moth Flight, on a quest that changes the shape of the warrior Clans forever. The five warrior Clans are newly formed, and the forest is at peace—but in WindClan, one young cat is troubled by strange visions that will lead her to a destiny no cat could have predicted. Join the legion of fans who have discovered the epic adventures, fierce warrior cats, and thrilling fantasy world of the mega-bestselling *Warriors* series. This stand-alone entry is perfect for new readers and dedicated fans alike. *Moth Flight's Vision* also includes an exclusive ten-page *Warriors* manga adventure!

Vampires, Hearts & Other Dead Things - Margie Fuston 2022-07-19

An ALA Morris Award Finalist! In this “equal parts heartbreaking and joyful” (*School Library Journal*) debut YA novel that's *The Coldest Girl in Coldtown* meets *They Both Die at the End*, a teen girl takes a trip to New Orleans with her estranged best friend to find a vampire to save her dying father. Victoria and her dad have shared a love of the undead since the first vampire revealed his existence on live TV. Public fear soon drove the vampires back into hiding, yet Victoria and her father still dream about finding a vampire together. But when her dad is diagnosed with terminal cancer, it's clear that's not going to happen. Instead, Victoria vows to find a vampire herself—so that she can become one and then save her father. Armed with research, speculations, and desperation—and helped by her estranged best friend, Henry—Victoria travels to New Orleans in search of a miracle. There she meets Nicholas, a mysterious young man who might give her what she desires. But first, he needs Victoria to prove she loves life enough to live forever. She agrees to complete a series of challenges, from scarfing sugar-drenched beignets to singing with a jazz band, all to show she has what it takes to be immortal. But truly living while her father is dying feels like a betrayal. Victoria must figure out how to experience joy and grief at once, trusting all the while that Nicholas will hold up his end of the bargain...because the alternative is too impossible to imagine.

Prominent Families of New York - Lyman Horace Weeks 1898

The Pit Bull Placebo - Karen Delise 2007

First it was the Bloodhound, sensationalized in the dramatizations of *Uncle Tom's Cabin*. Then it was the Doberman, symbol of the Nazi menace. Today, it is the Pit bull that is vilified for the depravity of his masters. Today, police chase down fleeing Pit bulls in the street, firing dozens of wild shots in response to media-fed rumors of supernatural Pit bull abilities. Politicians coach and nurture this fear with their own brand of rhetoric used to assist in the passing of quick and ineffective legislation created to pacify communities ignorant of the real cause for dog attacks. Hundreds of animal shelters throughout the country kill all unclaimed Pit bull-looking dogs, as they are deemed "unadoptable" solely on their physical appearance. This has occurred because the human/dog bond, the most complex and profound inter-species relationship in the history of mankind, has been reduced to a simple axiom: Breed of dog = degree of dangerousness. We have come to accept that hanging entire breeds of dogs in effigy for the sins of their owners is an acceptable solution to canine aggression because we have been placated by a Pit Bull Placebo. Like the pharmacologically inactive sugar pill dispensed to pacify a patient who supposes it to be medicine, eradication of the Pit bull is the placebo administered to ease the public's anxiety about dog attacks. The book, *The Pit Bull Placebo: The Media, Myths and Politics of Canine Aggression*, explores how our views

and beliefs about canine aggression have changed over the last 150 years and how our perceptions about the nature and behavior of dogs has been influenced by persons and organizations who often times disseminate information about dog attacks which is tailored to further an agenda unrelated to the improvement of the human/dog bond. We are in the midst of a social hysteria about Pit bulls because we have abandoned centuries-old common-sense and have been duped by inaccurate reporting from the "Pit Bull Paparazzi" and by politicians who traffic in rumors, myths and pseudoscience in their efforts to pass legislation that demonizes dogs while exonerating criminal and abusive owners. If we truly believe that the extremely rare cases of fatal dog attacks merit extreme measures in the management of dogs, if our concern and shock is genuine, then we must be equally genuine and sincere in seeking out and addressing the real causes for these incidents. Only by stepping back from the swirl of present-day hysteria surrounding isolated cases of severe canine aggression and examining the problem from a broader and more objective perspective can we hope to understand and address the human and canine behaviors which contribute to these incidents.

British Children's Literature and the First World War - David W. Budgen 2018-05-17

Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes, explaining and interpreting the events of 1914-18 for young readers. British Children's Literature and the First World War examines the role novels, textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century. David Budgen focuses on representations of the conflict since its onset in 1914, ending with the centenary commemorations of 2014. From the works of Percy F. Westerman and Angela Brazil, to more recent tales by Michael Morpurgo and Pat Mills, Budgen traces developments of understanding and raises important questions about the presentation of history to the young. He considers such issues as the motivations of children's authors, and whether modern children's books about the past are necessarily more accurate than those written by their forebears. Why, for example, do modern writers tend to ignore the global aspects of the First World War? Did detailed narratives of battles written during the war really convey the truth of the conflict? Most importantly, he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events.

When Scotland Was Jewish - Elizabeth Caldwell Hirschman 2015-05-07

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Free Radicals and Oxidation Phenomena in Biological Systems - Roberfroid 1994-12-14

This work offers an analysis of the biological processes mediated by free radicals, from a toxicological point of view, providing easy access to information in an integrated, coherent presentation. The chemistry and biochemistry of all principal types of radical are explained, and the multiple forms in which radicals participate in living organisms are investigated.; This work should be of use to biochemists, pharmacologists, pharmaceutical researchers, food scientists and technologists, nutritionists, toxicologists, chemists, biologists and graduate students in these disciplines.

Mdnight Alley Rachel Caine 2007-10-02

Claire Danvers's college town may be run by vampires but a truce between the living and the dead made things relatively safe. For a while. Now people are turning up dead, a psycho is stalking her, and an ancient bloodsucker has proposed private mentoring. To what end, Claire will find out. And it's giving night school a whole new meaning. Watch a Windows Media trailer for this book.

Genealogy of the Descendants of John Eliot, "apostle to the Indians," 1598-1905 - Wilimena Hannah Eliot Emerson 1905

My Secret File - Kate Cary 2000-11

Crammed with secret charms, cryptic codes, hot tips and revealing quizzes, this furry-feel covered organizer is intended for the modern girl. It features a lockable clasp to keep secrets safely locked away and a pull-out scroll to fill in, seal and store for years to come as well as a press-out cardboard secret decoder and do not disturb door hanger.

Bloodline - Kate Cary 2006-08-17

Thirty-five years have passed since the death of the Master. But now a new evil walks among the living. . . . When nineteen-year-old John Shaw returns from the trenches of World War I, he is haunted by nightmares—not only of the battlefield, but of the strange, cruel and impossible feats of his regiment's commander, Quincey Harker. Harker's ferocity knows no limits, and his strength is superhuman. At first John blames his bloody nightmares on trench fever. But when Harker appears in England and begins wooing John's sister, John must confront the truth—and stop Harker from continuing Dracula's bloodline.

The de Brailes Hours - Claire Donovan 1991-01-01

Claire Donovan provides a detailed discussion of the Hours, its iconography and its place in the thirteenth-century Oxford book trade, with five appendices, notes and bibliography.

Bloodline - F. Paul Wilson 2010-07-20

This Repairman Jack book from F. Paul Wilson, *Bloodline*, the eleventh in the series, follows the New York Times bestseller, *Harbingers*. Jack has been on hiatus since the events in *Harbingers*. With his lover Gia's encouragement he dips a toe back into the fix-it pool. Christy Pickering's eighteen-year-old daughter is dating Jerry Bethlehem, a man twice her age. Christy sensed something shady and sinister about him, so she hired a private investigator to look into his past. But the PI isn't returning her calls. Will Jack find out why? Jack learns there's a very good reason for the unreturned calls: The PI is dead, a victim of a bizarre water-torture murder. As Jack delves into Jerry Bethlehem's past he learns that the man is not who he says he is. Who—and what—he is will have a devastating effect on Jack's life and future, adding another piece to the puzzle of who he really is and why he's been drafted into this cosmic shadow war. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Assassination of the Archduke - Greg King 2013-09-03

Drawing on unpublished letters and rare primary sources, King and Woolmans tell the true story behind the tragic romance and brutal assassination that sparked World War I In the summer of 1914, three great empires dominated Europe: Germany, Russia, and Austria-Hungary. Four years later all had vanished in the chaos of World War I. One event precipitated the conflict, and at its heart was a tragic love story. When Austrian heir Archduke Franz Ferdinand married for love against the wishes of the emperor, he and his wife Sophie were humiliated and shunned, yet they remained devoted to each other and to their children. The two bullets fired in Sarajevo not only ended their love story, but also led to war and a century of conflict. Set against a backdrop of glittering privilege, *The Assassination of the Archduke* combines royal history, touching romance, and political murder in a moving portrait of the end of an era. One hundred years after the event, it offers the startling truth behind the Sarajevo assassinations, including Serbian complicity and examines rumors of conspiracy and official negligence. Events in Sarajevo also doomed the couple's children to lives of loss, exile, and the horrors of Nazi concentration camps, their plight echoing the horrors unleashed by their parents' deaths. Challenging a century of myth, *The Assassination of the Archduke* resonates as a very human story of love destroyed by murder, revolution, and war.

Victorian Architecture in London and Southwestern Ontario - Nancy Z. Tausky 1986

Published in conjunction with a 1986 exhibition presented at the London (Ont.) Regional Art Gallery. Illustrations in bandw. A thorough history, a large book at a small (subsidized?) price. Annotation copyrighted by Book News, Inc., Portland, OR

Five-Minute Crimebusters Stan Smith 1999-12-12

Gathers several unsolved mysteries, from stolen diamonds to a New Year's Eve murder, and gives subtle clues that lead to the solution of the crimes.

Damsel - Elana K. Arnold 2018-10-02

A 2019 Michael L. Printz Award Honor Book A dark, twisted, unforgettable fairy tale from Elana K. Arnold, author of the National Book Award finalist *What Girls Are Made Of*. The rite has existed for as long as anyone can remember: When the king dies, his son the prince must venture out into the gray lands, slay a fierce dragon, and rescue a damsel to be his bride. This is the way things have always been. When Ama wakes in the arms of Prince Emory, she knows none of this. She has no memory of what came before she was captured by the dragon or what horrors she faced in its lair. She knows only this handsome young man, the story he tells of her rescue, and her destiny of sitting on a throne beside him. It's all like a dream, like something from a fairy tale. As Ama follows Emory to the kingdom of Harding, however, she discovers that not all is as it seems. There is more to the legends of the dragons and the damsels than anyone knows, and the greatest threats may not be behind her, but around her, now, and closing in.

Gemma James' Pirate Adventure - Kate Cary 1997

Throat Sprockets Tim Lucas 1996-07

The Dark Days Pact Alison Goodman 2017-01-31

Sequel to New York Times bestselling author Alison Goodman's acclaimed *The Dark Days Club*—a smashing combination of *Buffy* and *Jane Austen*! Summer, 1812. After the scandalous events at her presentation ball in London, Lady Helen has taken refuge at the fashionable seaside resort of Brighton, banished from her family and training as a Reclaimer with the covert *Dark Days Club*. She must learn to fight the dangerous energy-wielding Deceivers and prepare to face their master, the elusive Grand Deceiver. As she struggles to put aside her genteel upbringing, Helen realizes that her mentor, Lord Carlston, is fighting his own inner battle. Has the foul Deceiver energy poisoned his soul, or is something else driving him towards violent bouts of madness? Either way, Helen is desperate to help the man with whom she shares a deep but forbidden connection. When Mr. Pike, the hard bureaucratic heart of the *Dark Days Club*, arrives in Brighton, he has a secret mission for Helen: find the journal left by a mad rogue Reclaimer, before it falls into the hands of the Deceivers. Coerced by Pike, Helen has no choice but to do as ordered, knowing that the search for the journal may bring about Lord Carlston's annihilation.

Steps to Writing Well - Jean Wyrick 2001-10-01

The informal, student-friendly tone of these rhetorically-organized rhetoric/reader/handbooks provides step-by-step instructions on writing a variety of 500-800-word essays.

Thorn - Intisar Khanani 2020-03-24

Hunted meets *The Wrath and the Dawn* in this bold fairytale retelling—where court intrigue, false identities, and dark secrets will thrill fans of classic and contemporary fantasy alike. Princess Alyrra has always longed to escape the confines of her royal life, but when her mother betroths her to a powerful prince in a distant kingdom, she has little hope for a better future. Until Alyrra arrives at her new kingdom, where a mysterious sorceress robs her of both her identity and her role as princess—and Alyrra seizes on the opportunity to start a new life for herself as a goose girl. But as Alyrra uncovers dangerous secrets about her new world, including a threat to the prince himself, she knows she can't remain silent forever. With the fate of the kingdom at stake, Alyrra is caught between two worlds, and ultimately must decide who she is and what she stands for. Originally self-published as an ebook and now brought to life with completely revised text, *Thorn* also features an additional short story set in-world, *The Bone Knife*.

Regulatory Theory - Peter Drahos 2017-02-23

This volume introduces readers to regulatory theory. Aimed at practitioners, postgraduate students and those interested in regulation as a cross-cutting theme in the social sciences, *Regulatory Theory* includes chapters on the social-psychological foundations of regulation as well as theories of regulation such as responsive regulation, smart regulation and nodal governance. It explores the key themes of compliance, legal pluralism, meta-regulation, the rule of law, risk, accountability, globalisation and regulatory capitalism. The environment, crime, health, human rights, investment, migration and tax are among the fields of regulation considered in this ground-breaking book. Each chapter introduces the reader to key concepts and ideas and contains suggestions for further reading. The contributors, who either are or have been connected to the Regulatory Institutions Network (RegNet) at The Australian National University, include John Braithwaite, Valerie Braithwaite, Peter Grabosky, Neil Gunningham, Fiona Haines, Terry Halliday, David Levi-Faur, Christine Parker, Colin Scott and Clifford Shearing.

Reckoning - Kate Cary 2007

In this story told primarily through journal entries, Quincey Harker, the heir to Dracula's bloodline, returns to England in 1918 to pursue Nurse Mary Seward, whose fiancé has been transformed into a monstrous vampire.

After the Snow - S. D. Crockett 2012-03-27

The oceans stopped working before Willo was born, so the world of ice and snow is all he's ever known. He lives with his family deep in the wilderness, far from the government's controlling grasp. Willo's survival skills are put to the test when he arrives home one day to find his family gone. It could be the government; it could be scavengers—all Willo knows is he has to find refuge and his family. It is a journey that will take him into the city he's always avoided, with a girl who needs his help more than he knows. S.D. Crockett on narrative voice and an especially cold winter: What was your inspiration for *After the Snow*? Well, apart from the unbelievably cold winter during which I was writing—in an unheated house, chopping logs and digging my car out of the snow; I think much of the inspiration for the settings in *After the Snow* came from

my various travels. In my twenties I worked as a timber buyer in the Caucasus Mountains of southern Russia, and that work led to travels in Eastern Europe and Armenia. As soon as I step off the plane in those places it smells like home. It may sound strange to say, when *After the Snow* is set in Wales, but really the practical dilemmas in the book come directly from places I've been, people I've lived with, and the hardships I've seen endured with grace and capability. I was in Russia not long after the Soviet Union collapsed and I've seen society in freefall. Without realizing it at the time I think those experiences led me to dive into *After the Snow* with real passion. What would western civilization look like with a few tumbles under its belt? What would happen if the things we took for granted disappeared? I wanted to write a gripping story about that scenario, but hardly felt that I was straying into fantasy in the detail. What do you want readers to most remember about *After the Snow*? We all have the capacity to survive, but in what manner? What do we turn to in those times of trouble? Those are the questions I would like people to contemplate after reading *After the Snow*. How did Willo's unique voice come to you? Willo's voice appeared in those crucial first few paragraphs. After that it just grew along with his world and the terrible situations that arise. I think his voice is in all of us. We don't understand, we try to make good—maybe we find ourselves. How did you stay warm while writing this novel? I banked up the fire—and was warmed by hopes of spring.

Mad Harry - George Franki 2003-01-01

To each character of Australian war history is attached a story inevitably of bravery, courage, and humour,

and *Mad Harry* is no exception. Yet there is to his story a distinguishing significance, for *Mad Harry* is Australia's most decorated soldier.

Technical Change and Industrial Transformation - Giovanni Dosi 1984-08-16

The Bear and The Nightingale - Katherine Arden 2020-01-30

_____ Beware the evil in the woods... In a village at the edge of the wilderness of northern Russia, where the winds blow cold and the snow falls many months of the year, an elderly servant tells stories of sorcery, folklore and the Winter King to the children of the family, tales of old magic frowned upon by the church. But for the young, wild Vasya these are far more than just stories. She alone can see the house spirits that guard her home, and sense the growing forces of dark magic in the woods. . . Atmospheric and enchanting, with an engrossing adventure at its core, *The Bear and the Nightingale* is perfect for readers of Naomi Novik's *Uprooted*, Erin Morgenstern's *The Night Circus*, and Philip Pullman's *His Dark Materials*. _____ Now with over 100 5* reviews, readers are spellbound by this magical story: 'This book stayed with me, I didn't want it to end' 'A beautifully written story' 'An entrancing story, which swept me up from the very first chapter' 'Full of magic'

_____ Make sure you've read all the books in the acclaimed *Winternight Trilogy* 1. *The Bear and the Nightingale* 2. *The Girl in the Tower* 3. *The Winter of the Witch*

Multilingual Australia - Michael G. Clyne 1982
