

Book Of Deuteronomy

Right here, we have countless book **book of deuteronomy** and collections to check out. We additionally pay for variant types and as a consequence type of the books to browse. The within acceptable limits book, fiction, history, novel, scientific research, as capably as various additional sorts of books are readily affable here.

As this book of deuteronomy, it ends stirring mammal one of the favored ebook book of deuteronomy collections that we have. This is why you remain in the best website to see the unbelievable ebook to have.

Abingdon Old Testament Commentaries |

Deuteronomy - Walter Brueggemann 2001

Shows the significance of the Book of Deuteronomy to the shape and substance of Israel's faith in the Old Testament

The Message of Deuteronomy - Raymond Brown 2022-02-08

No Old Testament book has exerted a greater influence on the formation of both Jewish and Christian thought and practice than Deuteronomy. When we read Deuteronomy today, we hear Moses address us as a future generation of the covenant people of God. In this BST volume, Raymond Brown guides Christians to hear and appreciate the timeless relevance of this ancient message.

A Study Commentary on Deuteronomy - John D. Currid 2006

EP Study Commentaries have been described as: 'Sufficiently scholarly to give [them] credence in the academic world, but at the same time ... sufficiently straightforward to make [them] accessible to any serious student of the Bible'. (Banner of Truth) - Provided by publisher.

The Gospel according to Moses Daniel I. Block 2012-02-10

These essays are concerned with broad hermeneutical and theological issues raised by the book of Deuteronomy.

The Rational Bible: Deuteronomy - Dennis Prager 2022-10-11

Is the Bible, the most influential book in world history, still relevant? Why do people dismiss it as being irrelevant, irrational, immoral, or all of these things? This explanation of the Book of Deuteronomy, the fifth book of the Bible, will demonstrate how it remains profoundly

relevant—both to the great issues of our day and to each individual life. Do you doubt the existence of God because you think believing in God is irrational? This book will cause you to reexamine your doubts. The title of this commentary is The Rational Bible because its approach is entirely reason-based. The reader is never asked to accept anything on faith alone. In Dennis Prager's words, "If something I write is not rational, I have not done my job." The Rational Bible is the fruit of Prager's forty years of teaching to people of every faith and no faith at all. On virtually every page, you will discover how the text relates to the contemporary world in general and to you on a personal level. His goal: to change your mind—and, as a result, to change your life.

Wisdom from the Torah Book 5:

Deuteronomy - Rob Skiba 2014-08-14

This Bible study guide is presented as an extension to Rob and Sheila Skiba's Virtual House Church. It is designed to show you how the themes, stories, and words of the Torah (the five books of Moses) are woven throughout the writings of the prophets and New Testament. There is much wisdom to be gained from the Torah. The word is often translated as "law" but really, it represents the instructions of our loving Father to His children. This book has an Introduction written by Rob Skiba, but the rest of it consists of just Scripture (with no commentary), carefully arranged for weekly Bible Study including the traditional weekly Torah portion, along with a selection of Scriptures from the Prophets and the New Testament as well as ample room for note-taking and 3 starter questions for people who desire to

start and/or continue home Bible Study groups and the end of each study. We pray this study draws you into a closer, more intimate relationship with Him. We also welcome you to join us for additional study and commentary at our Virtual House Church.

The Valediction of Moses - Idan Dershowitz
2021-04-08

Moses Wilhelm Shapira's infamous Deuteronomy manuscripts -- long believed to be forgeries -- are of far greater significance than ever imagined. Idan Dershowitz shows that the text preserved in these manuscripts is not based on the book of Deuteronomy. On the contrary, it is a proto-biblical book, the likes of which has never before been seen.

Remembering the Unexperienced - Stephen D. Campbell 2020-11-16

This book argues that a helpful framework within which to interpret the paraenesis of Deuteronomy 4:1-40 can be constructed through interaction with the cultural memory interests of German Egyptologist Jan Assmann and the canonical approach of U.S. biblical theologian Brevard Childs. By bringing Assmann's cultural memory concerns to bear on the world within the text, Deuteronomy is brought into fruitful contact with questions from the field of sociology; by asking these questions in interaction with the theologically rich formulation of canon offered by Childs's canonical approach, Deuteronomy is interpreted as an authoritative witness to God for contemporary communities of faith. As a result of this reading strategy the communal and trans-generational nature of covenant stands out. This emphasis, in turn, influences the way Horeb is remembered by later generations and how that memory is transmitted from one generation to the next through ritual practice and the text of Scripture.

Deuteronomy and the Death of Moses - Dennis T. Olson 2005-01-26

This overture provides the interested reader with a fresh approach to commentary writing, one that engages all the traditional concern with total coverage of the text in question, but with the added feature of uniting that commentary under a single set of larger working concerns. The first-time reader of Deuteronomy is introduced both to the standard critical issues

and to the text itself, but within the context of a concern to understand the book's abiding theological legacy. Christopher R. Seitz, from the Editor's Foreword

Women Living Well - Courtney Joseph
2013-10-08

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

The Book of Deuteronomy, Chapters 1-11 - Bill T. Arnold 2022-11-01

"The book of Deuteronomy can rightly be called a compendium of the most important ideas of the Old Testament." So begins this commentary on the book of Deuteronomy, which Bill Arnold treats as the heart of the Torah and the fulcrum of the Old Testament—crystallizing the themes of the first four books of the Bible and establishing the theological foundation of the books that follow. After a thorough introduction

that explores these and other matters, Arnold provides an original translation of the first eleven chapters of Deuteronomy along with verse-by-verse commentary (with the translation and commentary of the remaining chapters following in a second volume). As with the other entries in the New International Commentary on the Old Testament, Arnold remains rooted in the book's historical context while focusing on its meaning and use as Christian Scripture today. Ideal for pastors, students, scholars, and interested laypersons, this commentary is an authoritative yet accessible companion to the book of Deuteronomy.

The Book Of Deuteronomy - Joe Mander
2019-09-19

The Book of Deuteronomy is the fifth book of the Old Testament. Deuteronomy was written around 1406 BC, at the end of the forty years of wandering endured by the nation of Israel. At the time, the people were camped on the east side of the Jordan River, on the plains of Moab, across from the city of Jericho. They were on the verge of entering the land that had been promised centuries earlier to their forefathers. The children who had left Egypt were now adults, ready to conquer and settle the Promised Land. Before that could happen, the Lord reiterated through Moses His covenant with them. Introduction to the Book of Deuteronomy and why study this book The book of Deuteronomy contains Moses's final words to the children of Israel before they entered the land of Canaan with Joshua as their leader. The book's title means "second law" or "repetition of the law". Moses repeated to the Israelites many of the laws and commandments that were part of their covenant with the Lord. Moses also exhorted the Israelites to remember and keep their covenant as he taught them the consequences of either obeying or disobeying the Lord's laws and commandments. As students study Deuteronomy, they will learn the importance of looking to past spiritual experiences and remembering to keep the laws, covenants, and commandments of the Lord so that they can have the same promises of prosperity and protection as ancient Israel. Structure: Chapters 1-4 The journey through the wilderness from Horeb (Sinai) to Kadesh and then to Moab is recalled. Chapters 4-11 After a

second introduction at 4:44-49 the events at Mount Horeb are recalled, with the giving of the Ten Commandments. Heads of families are urged to instruct those under their care in the law, warnings are made against serving gods other than Yahweh, the land promised to Israel is praised, and the people are urged to obedience. Chapters 12-26, the Deuteronomic code: Laws governing Israel's worship, the appointment and regulation of community and religious leaders, social regulation, and confession of identity and loyalty. Chapters 27-28 Blessings and curses for those who keep and break the law. Chapters 29-30 Concluding discourse on the covenant in the land of Moab, including all the laws in the Deuteronomic code after those given at Horeb; Israel is again exhorted to obedience. Chapters 31-34: Joshua is installed as Moses's successor, Moses delivers the law to the Levites (a priestly caste), and ascends Mount Nebo or Pisgah, where he dies and is buried by God. The narrative of these events is interrupted by two poems, the Song of Moses and the Blessing of Moses. Features: Perfect for personal use or to give as a gift to celebrate special occasions like graduations, baptisms, birthdays, or achievements Easy-to-read Two column text 47 Pages

A Feminist Companion to Exodus to Deuteronomy - Athalya Brenner-Idan 2000-12-01
The studies in this collection, reflecting recent developments in feminist exegesis in Europe and the United States, comprise three 'revisits': the first, to Exodus and Moses, includes Susanne Scholz on a literary feminist reading of Exodus, Harold Washington on Exodus and Zora Neale Hurston's 'Moses, Man of the Mountain', Ilona Rashkow on 'Oedipus Wrecked: Moses and God's Rod', and 'Divine Puppeteer: Yahweh of Exodus' by Cheryl Kirk-Duggan. The second revisit, to Miriam, comprises 'Miriam' by Phyllis Silverman Kramer, 'Miriam Re-Imagined, and Imaginary Women of Exodus in Musical Settings' by Helen Leneman, Alice Bach, 'Dreaming of Miriam's Well' and Irmtraud Fischer on 'The Authority of Miriam'. The third revisit is to Daughters, where Tal Ilan writes on the daughters of Zelophehad and Leila Bronner on 'Serah and the Exodus'.

Reading Deuteronomy - Stephen L. Cook
2015-01

A lost treasure for large segments of the modern

world, the book of Deuteronomy powerfully repays contemporary readers' attention. It represents Scripture pulsing with immediacy, offering gripping discourses that yank readers out of the doldrums and back to Mount Horeb and an encounter with divine Word issuing forth from blazing fire. God's presence and Word in Deuteronomy stir deep longing for God and move readers to a place of intimacy with divine otherness, holism, and will for person-centered community. The consistently theological interpretation reveals the centrality of Deuteronomy for faith and powerfully counters critical accusations about violence, intolerance, and polytheism in the book.

Ritual in Deuteronomy - Melissa D. Ramos
2021-04-20

Ritual in Deuteronomy explores the symbolic world of Deuteronomy's ritual covenant and curses through a lens of religious studies and anthropology, drawing on previously unexamined Mesopotamian material. This book focuses on the ritual material in Deuteronomy including commands regarding sacrifice, prayer objects, and especially the dramatic ritual enactment of the covenant including curses. The book's most unique feature is an entirely new comparative study of Deut 27-30 with two ritual texts from Mesopotamia. No studies to date have undertaken a comparison of Deut 27-30 with ancient Near Eastern ritual texts outside of the treaty oath tradition. This fresh comparison illuminates how the ritual life of ancient Israel shaped the literary form of Deuteronomy and concludes that the performance of oaths was a social strategy, addressing contemporary anxieties and reinforcing systems of cultural power. This book offers a fascinating comparative study which will be of interest to undergraduate and graduate students in biblical studies, classical Hebrew, theology, and ancient Near Eastern studies. The book's more technical aspects will also appeal to scholars of the Pentateuch, Deuteronomy, Biblical Law, Ancient Near Eastern History, Mesopotamian Studies, and Classics.

Deuteronomy - Patrick D. Miller 2011-12-15
In this theological exposition of Deuteronomy, Patrick Miller is sensitive to the character of the book as a part of scripture that self-consciously addresses different generations. He discusses

the nature and character of the law as revealed in Deuteronomy, as well as the nature of the moral life under God. The treatment of Deuteronomy in the New Testament, and customary introductory issues such as authorship and date, are dealt with in terms of their significance for interpreting and understanding Deuteronomy's character and intention. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

Deuteronomy - The Navigators 2018-10-09
Second Timothy 3:16-17 tells us that all Scripture "is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work." Deuteronomy is one of the four Old Testament books most quoted in the New Testament. It is essentially a series of sermons Moses gave to the people of Israel before he died. This Navigator study explores Moses' teachings and how they can apply to our lives today. • 13 lessons • Includes study aids and discussion questions.

The Book of Deuteronomy - Peter C. Craigie
1976-08-12

Deuteronomy is a book about a community being prepared for a new life. Hardship and the wilderness lie behind; the promised land lies ahead. But in the present moment, there is a call for a new commitment to God and a fresh understanding of the nature of the community of God's people. Though the scene is set more than three thousand years in the past, Deuteronomy is still a book of considerable contemporary relevance. The book of Deuteronomy, however, is not only a book of contemporary relevance. It has been, and continues to be, one of the most important and debated works in modern biblical scholarship. - Author's preface.

Deuteronomy - Gerhard von Rad 1966-01-01
This commentary on Deuteronomy meets and exceeds the high standards of the Old Testament Library series. It provides one of the most sophisticated explanations to date of the compositional process that produced Deuteronomy, presenting that process as a

combination of large-scale redactional activity and "micro-redaction." The commentary is also attentive to the historical background of Deuteronomy's origins in the reigns of Manasseh and Josiah. The fresh translation that heads each section is followed by insightful linguistic comments that highlight Deuteronomy's famous homiletical and didactic style. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Oxford Bibliographies - Ilan Stavans

"An emerging field of study that explores the Hispanic minority in the United States, Latino Studies is enriched by an interdisciplinary perspective. Historians, sociologists, anthropologists, political scientists, demographers, linguists, as well as religion, ethnicity, and culture scholars, among others, bring a varied, multifaceted approach to the understanding of a people whose roots are all over the Americas and whose permanent home is north of the Rio Grande. Oxford Bibliographies in Latino Studies offers an authoritative, trustworthy, and up-to-date intellectual map to this ever-changing discipline."--Editorial page.

God at Sinai - Jeffrey Jay Niehaus 1995

God at Sinai is an in-depth look at God's self-manifestation which reveals fresh aspects of God's character and purpose.

Abingdon Old Testament Commentaries:

Deuteronomy - Walter Brueggemann 2011-09-01

The Abingdon Old Testament Commentaries series offers compact, critical commentaries on all the books of the Old Testament. In addition to providing fundamental information on and insights into Old Testament writings, these commentaries exemplify the tasks and procedures of careful, critical exegesis so as to assist students of the Old Testament in coming to an informed engagement of the biblical texts themselves. These commentaries are written with special attention to the needs and interests of theology students, but they will also be useful for students in upper-level college or university settings, as well as for pastors and other church leaders. Each volume consists of four parts: -- an introduction that addresses the key issues raised by the writing; the literary genre, structure, and

character of the writing; the occasional and situational context of the writing, including its wider social and historical context; and the theological and ethical significance of the writing within these several contexts -- a commentary on the text, organized by literary units, covering literary analysis, exegetical analysis, and theological and ethical analysis -- an annotated bibliography -- a brief subject index In this volume on Deuteronomy, Brueggemann shows the significance of the Book of Deuteronomy to the shape and substance of Israel's faith in the Old Testament. Deuteronomy gave classic articulation to the main themes characteristic of Judaism, and, derivatively, of Christianity. Brueggemann emphasizes that Deuteronomy is an expression of covenant theology, whereby YHWH and Israel are pledged to exclusive loyalty and fidelity to each other; YHWH is to assure the well-being of Israel, and Israel is to live in trust and obedience to YHWH. In examining the relationship of Israel to God, Brueggemann makes suggestions on how such covenant fidelity might be lived out by believers today. "Brueggemann's commentary on the Book of Deuteronomy provides an accessible exegetical and theological understanding of a crucial biblical text. The introduction presents Deuteronomy as an expression of the radical Yahwistic alternative to the political rhetoric and ideology of the Israelite monarchy in the eighth and seventh centuries. Each section consists of an introduction, exegesis, and theological and ethical analysis of the essential elements that form the core of Deuteronomy's message to the Israelite community. The choice between 'covenant' and 'idol' that forms the crux of the text's message is further interpreted in light of the concern for covenant faithfulness as expressed in the rest of the OT and in the proclamation of the NT. Brueggemann explores how this same choice is reflected in the political and ideological voices that address the community of faith today. This commentary introduces the Book of Deuteronomy to theological students, pastors and teachers and points to the relevance of its message for those who seek to bring the alternative biblical message into the current cultural conversation."--Beverly White Cushman, Calvin College, in Religious Studies Review, Volume 29 Number 3,

July 2003.

The Rational Bible: Deuteronomy - Dennis Prager 2022-10-11

Is the Bible, the most influential book in world history, still relevant? Why do people dismiss it as being irrelevant, irrational, immoral, or all of these things? This explanation of the Book of Deuteronomy, the fifth book of the Bible, will demonstrate how it remains profoundly relevant—both to the great issues of our day and to each individual life. Do you doubt the existence of God because you think believing in God is irrational? This book will cause you to reexamine your doubts. The title of this commentary is The Rational Bible because its approach is entirely reason-based. The reader is never asked to accept anything on faith alone. In Dennis Prager's words, "If something I write is not rational, I have not done my job." The Rational Bible is the fruit of Prager's forty years of teaching to people of every faith and no faith at all. On virtually every page, you will discover how the text relates to the contemporary world in general and to you on a personal level. His goal: to change your mind—and, as a result, to change your life.

Deuteronomy - Billy R. Fincher 2015-10-20

The book consists of three sermons or speeches delivered to the Israelites by Moses on the plains of Moab, shortly before they enter the Promised Land. The first sermon recapitulates the forty years of wilderness wanderings which have led to this moment, and ends with an exhortation to observe the law (or teachings), later referred to as the Law of Moses; the second reminds the Israelites of the need for exclusive allegiance to one God and observance of the laws (or teachings) he has given them, on which their possession of the land depends; and the third offers the comfort that even should Israel prove unfaithful and so lose the land, with repentance all can be restored.[2]

How I Love Your Torah, O LORD! - Daniel I. Block 2011-09-01

Like the book of Romans in the New Testament, the book of Deuteronomy provides the most systematic and sustained presentation of theology in the Old Testament. And like the Gospel of John, it represents mature theological reflection on God's great acts of salvation, in this case associated with the exodus of Israel from

Egypt. Unfortunately, for many Christians, Deuteronomy is a dead book, either because its contents are unknown or because its message is misunderstood. The essays in this collection arise from a larger project driven by a passion to recover for Christians the life-giving message of the Old Testament in general and the gospel according to Moses in particular. The "meditations" cover a wide range of topics, from explorations into the meaning of specific texts to considerations of the ethical and homiletical relevance of the book for Christians today.

Numbers and Deuteronomy for Everyone John Goldingay 2010-09-21

Following on the heels of the successful New Testament for Everyone commentaries by N. T. Wright, John Goldingay, an internationally respected Old Testament scholar, authors this ambitious Old Testament for Everyone series. Covering Scripture from Genesis to Malachi, Goldingay addresses the texts in such a way that even the most challenging passages are explained simply. Perfect for daily devotions, Sunday school preparation, or brief visits with the Bible, the Old Testament for Everyone series is an excellent resource for the modern reader. The fourth volume in the Old Testament for Everyone series, this book focuses on the biblical books of Numbers and Deuteronomy.

The Triumph of Grace in Deuteronomy - Paul A. Barker 2007-01-01

Does the Old Testament have an optimistic outlook for the people of God, ancient Israel, or is it pessimistic? The strands of optimism and pessimism seem to be juxtaposed throughout. In this study of Deuteronomy, a linchpin book within the Old Testament, the so-called tensions between optimism and pessimism are shown to cohere theologically. Despite the faithlessness of Israel, Yahweh's faithfulness to his promises results in the triumph of grace.

Ari se Take Thy Journey - Henry Pennington Toler 1903

The Theopolitical Discourses of Moses Martin Sicker 2009

The Book of Deuteronomy, the last of the Five Books of Moses or Pentateuch, consists in the main of Moses' final discourses delivered to the children of Israel as they stood poised to begin the conquest and settlement of the land upon

which they were to build a national society. The central concern of Moses, as reflected in these discourses, is with the challenge of nation building, creating an Israelite nation out of a mélange of ethnically related tribes and clans that were just liberated from centuries of subjugation and servitude in a relatively sophisticated pagan environment. That which is to bind them together is not a compact between them but rather a common covenant with God to which all would be equal parties. Many of the terms of the covenant were revealed incrementally in the earlier books of the Pentateuch. However, it is only here in Deuteronomy that Moses begins to give them the clearly discernible shape of a constitution for the covenantal society to be established as a nation-state in its divinely assigned territory. Within the constitutional framework set forth in the work is a range of precepts, rules, and regulations governing both those matters that are between man and God and those between man and man, understood as the two sides of a common coin, the covenant. In the effort to comprehend and explain the highly complex biblical text, the author has consulted and cited a wide range of commentaries and studies written over a period of some two millennia that have sought to understand the biblical texts from a variety of perspectives, many of which are virtually inaccessible to those without a good working knowledge of Hebrew.

Deuteronomy - Deanna A. Thompson 2014

In this fresh commentary, Deanna A. Thompson makes this important Old Testament book come to life. Recounting God's foundational relationship with Israel, Deuteronomy is set in the form of Moses' speeches to Israel just before entry into the promised land. Its instructions in the form of God's law provide the structure of the life that God wants for the people of Israel. Although this key Old Testament book is occasionally overlooked by Christians, Deuteronomy serves as an essential passing down to the next generations the fundamentals of faith as well as the parameters of life lived in accord with God's promises. Thompson provides theological perspectives on these vital themes and shows how they have lasting significance for Christians living in today's world. Thompson's sensitivity to the Jewish context and heritage

and her insights into Deuteronomy's importance for Christian communities make this commentary an especially valuable resource for today's preacher and teacher.

Isaiah in the New Testament - Steve Moyise 2005-10-22

Isaiah in the New Testament brings together a set of specially commissioned studies by authors who are experts in their field. Beginning with an introductory chapter on the use of Isaiah in the Dead Sea Scrolls and Second Temple literature, contributors go on to discuss each of the New Testament books that contain quotations from Isaiah: Matthew, Mark, (Q), Luke-Acts, John, Romans and Galatians, 1 and 2 Corinthians, Hebrews, 1 Peter and Revelation. Together they provide an overview of the status, role and function of Isaiah in the first century, considering the Greek and Hebrew manuscript traditions and offering insights into the various hermeneutical stances of the New Testament authors and the development of New Testament theology. The volume includes contributions from Darrell Hannah, Morna Hooker, Christopher Tuckett, Richard Beaton, Bart Koet, Catrin Williams, J. Ross Wagner, Florian Wilk, Cecil McCullough, Steve Moyise and David Mathewson.

The Book within the Book - Jean-Pierre Sonnet 2021-08-30

This volume describes the emergence of written communication in Deuteronomy, and carefully examines the poetics of powerful analogy: Deuteronomy is a book that tells of the birth of a book - Moses' Torah book.

Deuteronomy - J. Edward Owens 2011-05-01

The book of Deuteronomy forms the foundation for much of the Old and New Testaments. In this commentary J. Edward Owens highlights the key motifs and themes in this book of instruction: land, the theologies of love, remembering/forgetting, time, retribution, the Divine Name, the Lord as warrior, the Ten Commandments, and the great Shema. Through the story of the Israelites, Deuteronomy reminds us that we are a communal people who are called to remember always the love of the Lord.

Deuteronomy - Matthew H. Patton 2017-03-16

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-

week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The book of Deuteronomy contains the final words of Moses to Israel as they wait to enter the Promised Land. Reflecting on the nation's past mistakes, Moses calls Israel to faithful obedience while recounting the past faithfulness of God. This study guide helps Christians understand that the only hope for obedience to God's commands is the grace of God found in the person and work of Jesus.

Deuteronomy, the Book of Love - Jiří Moskala 2021

"Deuteronomy, The Book of Love is a review of the primary themes of the fifth book of the Bible. It shows how Deuteronomy expands on God's previous revelation, providing practical advice on how the Israelites are to live in the new territory He is giving them. It also reminds them to revere God and maintain a loving and obedient relationship with him"--

Deuteronomy - Jack R. Lundbom 2013-09
This milestone commentary by Jack Lundbom is intended for any and all readers who want to better know and understand the key Pentateuchal book of Deuteronomy, which has had a huge influence on both Judaism and Christianity over the centuries. For Jews Deuteronomy contains the Decalogue and the Shema -- Hear, O Israel, the Lord our God is one (6:4) -- supplemented by a code of primal legislation. Deuteronomy is much cited in the New Testament and has come to occupy an important place in the life and doctrine of the Christian church. It lifts up important wisdom themes such as humane treatment and benevolence to the poor and needy and is rich in

theology, calling repeatedly on Israel to reject other gods and worship the Lord alone as holy. Besides drawing on language, archaeology, and comparative Near Eastern material, Lundbom's commentary employs rhetorical criticism in explicating the biblical text. Lundbom also cites later Jewish interpretation of the book of Deuteronomy and makes numerous New Testament connections. An appendix contains all citations of Deuteronomy in the New Testament. Deuteronomy (Understanding the Bible Commentary Series) - Christopher J. H. Wright 2012-07-01

Section by section exposition with key terms and phrases highlighted and all Hebrew transliterated. A separate section of notes at the close of each chapter provides additional textual and technical comments. Each commentary also includes a selected bibliography as well as Scripture and subject indexes. This set is for serious and general readers alike. Wright is principal of All Nations Christian College in England. His PhD is from Cambridge University. Commentary on the Book of Deuteronomy - William George Jordan 1911

Word and Presence - Ian Cairns 1992

In this commentary Ian Cairns presents Deuteronomy as a slowly evolving, complex composite -- as legal code, as treaty text or covenant, as Moses' farewell speech, and as the final volume of the Pentateuch. Despite Deuteronomy's structural complexity, however, Cairns shows how the theme "Word and Presence" permeates the entire book: God is the living Presence who can be encountered and known through his word addressed to each generation in turn. This commentary is unique in its emphasis on the theology of Deuteronomy (e.g., law as "humane instruction") as well as in its modern applications and illustrations from non-Western cultures. Book jacket.

A Curious Student's Guide to the Book of Deuteronomy - Reuven Travis 2022-06-13

One of the most common phrases in the Torah is "And the LORD spoke to Moses, saying . . ." So many of the Torah's commandments are introduced in this way. These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people. Yet, this phrase is not found at all in Deuteronomy, and

this helps explain why this book is so very different from the other books of the Torah. Deuteronomy is Moses's book. It is the record of Moses's final speech to the Jewish people before his death. But this leads to a very basic and very fundamental question. Why are the words of man, even a man as great as Moses, part of

God's holy Torah? A very good question, a powerful one indeed. And while we may not come up with a good or satisfying answer, this book examines and presents life lessons just as important as those found in any other biblical text.
