They are coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism; a culture in which teenagers are spending so much time on

technology and social media that they are not developing basic communication skills. The dominant force in the lives of girls coming of age in America today is social media: Instagram, Whisper, Vine, Youtube, Kik, Ask.fm, Tinder. Provocative, explosive, and urgent, American Girls will ignite much-needed conversation about how we can help our daughters and sons negotiate the new social and sexual norms that govern their lives.

The American Yawp - Joseph L. Locke 2019-01-22

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

The American Pageant 16th Edition+ (AP* U. S. History) Activities Workbook - David Tamm 2016-03-17

Kaplan's, 5-Steps, Crash Course and other review books are great resources for that last month before the exam, but Tamm's Textbook Tools student activity books are meant to be an accompaniment all year long. This AP* U.S. History companion is filled with vocab and assignments that follow the Kennedy/Cohen sixteenth edition for all 41 chapters. They can be used as regular weekly assignments or reviews.

They can be used on short notice if there is a sub, or be assigned as regular homework. All you need is the textbook. Teachers can copy at will, or the book can be used as a student consumable. As publishers began putting their content online, a niche for traditional classwork was opened, a void filled by this series. And whether the textbook itself is written in ink or electrons, many students still find it more valuable to write and keep notes for themselves on paper, and portfolios still matter. The activities in this workbook challenge students to apply the concepts, give examples, and diagram every chapter. Find TTT on FB.

Girl from the North Country Conor McPherson 2017-11-20

“The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other’s work here and the result is magnificent.” —Independent “Bob Dylan’s back catalogue is used to glorious effect in Conor McPherson’s astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional.” —Guardian “Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre.” —Evening Standard “A

populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious.” —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). Bob Dylan, born in Duluth, Minnesota, in 1941, is one of the most important songwriters of our time. Dylan was awarded the Nobel Prize for Literature in 2016. He released his thirty-ninth studio album, *Triplicate*, in April 2017, and continues to tour worldwide.
