Tea with Jane Austen - Kim Wilson 2011-04-01

Who would not want to sit down with Jane Austen and join her in a cup of tea? Here for the first time is a book that shares the secrets of one of her favorite rituals. Tea figures prominently in Jane Austen's life and work. At the center of almost every social situation in her novels one finds tea. In Emma, does Miss Bates drink coffee? Of course not: 'No coffee, I thank you, for me-

never take coffee.-A little tea if you please.' In Pride and Prejudice, what is one of the supreme honors Mr. Collins can envision Lady Catherine bestowing on Elizabeth Bennet and her friends? Why, drinking tea with her, naturally. Tea with Jane Austen begins with tea drinking in the morning and ends with tea in the evening, at balls and other gatherings. Each chapter includes a description of how tea was taken at a particular

place or time of day, along with history, recipes, excerpts from Austen's novels and letters and illustrations from the time.

### **In My Brother's Shadow -**

Uwe Timm 2006

Uwe Timm was born in Germany in 1940. Just three years later his brother, Karl-Heinz, who was sixteen years his senior and a sapper in the elite SS Death's Head Division, was killed. His notebook was returned to the family, and the last entry read- 'I close my diary here because I don't see any point in recording the cruel things that sometimes happen.' When Timm decided to write this astonishing memoir, he feared the possibility that his brother's unit had taken part in the shooting of civilians and Jews. Yet he wanted to piece together his brother's experience, and also that of his nation, which once considered the qualities of an SS man so exemplary. As Timm unleashes his memories of this devastating time, he also pinpoints the questions that his parents' generation seemed unable to face, and offers new

insights into the impact of the war on ordinary Germans.

***Driving Miss Norma*** - Tim Bauerschmidt 2017-05-02

When Miss Norma was diagnosed with uterine cancer, she was advised to undergo surgery, radiation, and chemotherapy. But instead of confining herself to a hospital bed for what could be her last stay, Miss Norma—newly widowed after nearly seven decades of marriage—rose to her full height of five feet and told the doctor, “I’m ninety years old. I’m hitting the road.” And so Miss Norma took off on an unforgettable around-the-country journey in a thirty-six-foot motor home with her retired son Tim, his wife Ramie, and their dog Ringo. As this once timid woman says “yes” to living in the face of death, she tries regional foods

for the first time, reaches for the clouds in a hot air balloon, and mounts up for a horseback ride. With each passing mile (and one educational visit to a cannabis dispensary), Miss Norma's health improves and conversations that had once been taboo begin to unfold. Norma, Tim, and Ramie bond in ways they had never done before, and their definitions of home, family, and friendship expand. Stop by stop, state by state, they meet countless people from all walks of life—strangers who become fast friends and welcome them with kindness and open hearts. Infused with this irrepressible nonagenarian's wisdom, courage, and generous spirit, *Driving Miss Norma* is the charming, infectiously joyous chronicle of their experiences on the road. It portrays a transformative journey of living life on your own terms that shows us it is never too late to begin an adventure, inspire hope, or become a trailblazer.

*Like Family* Paolo Giordano  
2015

"When a young married couple hire a middle-aged widow during the wife, Nora's, difficult pregnancy, they don't realize the dominating force she will become in their small family. Signora A--maid, nanny, and confidante--becomes the glue in their household, and over time, the steady and loving presence whose benign influence allows them to negotiate the complexities of married life. But the delicate fabric of the young family comes undone when Signora A is diagnosed with lung cancer. After she becomes too sick to work, both husband and wife feel the strain of her absence. Moving seamlessly between the past and present, Giordano weaves together the layers of Signora A's devotion and sacrifice--from her early experiences of love during a tragically short marriage, to her adoration of her new surrogate family. Highlighting the joy of youth and the fleeting nature of time with remarkable precision and

lyricism, Paolo Giordano gives us a meditation on life, death, and the relationships we build in between. Like *Family* is not a simple love story; it's a story about love in its many forms, and how a capacity for love can give meaning to any existence, no matter how ordinary."--

**We Are the Goldens** - Dana Reinhardt 2014-05-27

"Reinhardt writes wonderfully about delicate, precarious human relationships, articulating dynamics I never noticed but which ring brilliantly true. The Goldens radiate charm, but beneath their charm is heartbreak,

ambition, and delusion. There is so much to dissect and discuss here: this book will leave crowds of people eager to talk about the ending."--E. Lockhart, author of *We Were Liars* and *The Disreputable History of Frankie Landau-Banks* Nell worships her older sister, Layla. They're one unit, intertwined: Nellayla. As Nell and her best friend, Felix, start their freshman year in high school, on Layla's turf, there's so much Nell looks forward to: Joining Layla on the varsity soccer team. Parties. Boys. Adventures. But the year takes a very different turn. Layla is changing, withdrawing. She's hiding something, and when Nell discovers what it is, and the consequences it might have, she struggles. She wants to support Layla, to be her confidante, to be the good sister she's always been. But with so much at stake, what secrets should she keep? What lies should she tell? Award-winning young adult author Dana Reinhardt explores questions of loyalty, love, and betrayal in this provocative and

intimate novel.

**The Capital: A Novel** - Robert Menasse 2019-06-18  
Winner of the German Book Prize, *The Capital* is an "omniscient, almost Balzac-ian" (Steven Erlanger, *New York Times*) panorama of splintered Europe. A highly inventive novel of ideas written in the rich European tradition, *The Capital*—epic in scope, but so particular in details—transports readers to the cobblestoned streets of twenty-first-century Brussels. Chosen as the European Union's symbolic capital in 1958 for no reason other than Belgium coming first alphabetically, this elusive setting has never been examined so intricately in literature. Here, in Robert Menasse's "great EU novel" (*Politico*), tragic heroes, clever schemers, and involuntary accomplices play out the effects of a fiercely nationalistic "union." Recalling the Balzacian conceit of assembling a vast parade of characters whose lives conspire to form a driving

central plot, Menasse adapts this technique with modern sensibility to reveal the hastily assembled capital in all of its eccentricities. We meet, among others, Fenia Xenopoulou, a Greek Cypriot recently “promoted” to the Directorate-General for Culture. When tasked with revamping the boring image of the European Commission with the Big Jubilee Project, she endorses her Austrian assistant Martin Sussman’s idea to proclaim Auschwitz as its birthplace—of course, to the horror of the other nation states. Meanwhile, Inspector Émile Brunfaut attempts to solve a gritty murder being suppressed at the highest level; Matek, a Polish hitman who regrets having never become a priest, scrambles after taking out the wrong man; and outraged pig farmers protest trade restrictions as a brave escapee squeals through the streets. These narratives and more are masterfully woven, revealing the absurdities—and real dangers—of a fracturing Europe. A tour de force from

one of Austria’s most esteemed novelists, *The Capital* is a mordantly funny and piercingly urgent saga of the European Union, and an aerial feat of sublime world literature. [Edinburgh German Yearbook 11](#) - Helmut Schmitz 2017

[The Camera Killer](#) - Thomas Glavinic 2012

**The Turncoat** - Siegfried Lenz 2020-10-06

“Never has the aftermath for Germans been better depicted than in Siegfried Lenz’s elegiac, *The Turncoat*. A newly discovered masterpiece.”

—Alex Kershaw, New York Times bestselling author of

Avenue of Spies Previously unpublished, this German postwar classic is one of the best books of this major writer, who died in 2014. The last summer before the end of World War II, Walter Proska is posted to a small unit tasked with ensuring the safety of a railway line deep in the forest on the border with Ukraine and Byelorussia. In this swampy region, a handful of men—stunned by the heat, attacked by mosquitoes, and abandoned by their own troops in the face of the resistance—must also submit to the increasingly absurd and inhuman orders of their superior. Time passes, and the soldiers isolate themselves, haunted by madness and the desire for death. An encounter with a young Polish partisan, Wanda, makes Proska further doubt the validity of his oath of allegiance, and he seeks to answer the questions that obsess him: When conscience and duty clash, which is more important? Is it possible to take any action without becoming guilty in some way? And where

is Wanda, this woman from the resistance he can't forget? Written in 1951, *The Turncoat* is Siegfried Lenz's second novel. Rejected by his publisher, who thought that the story of a German soldier defecting to the Soviet side would be unwelcome in the context of the Cold War, the manuscript was forgotten for nearly seventy years before being rediscovered after the author's death. A posthumous triumph.

**The Dressmaker** - Beryl Bainbridge 2016-10-04

Shortlisted for the Man Booker Prize: This psychological drama set in Liverpool during WWII follows the courtship of a US soldier and an English working-class girl. Rita is a passive and naïve seventeen-year-old who has been raised by two middle-aged aunts: Nellie, a curmudgeonly dressmaker obsessed with polishing the furniture, and Margo, a lively widow wise to the ways of the world. Rita's father, whom she calls Uncle Jack, is too busy with his butcher shop the next town over to pay much attention to his daughter. Regardless, surrounded by the ruins of houses bombed in the Blitz, this strange family is bound together as they face wartime life in Liverpool. The government is enforcing stringent rations on even the smallest pleasures, and an influx of well-off American soldiers is wooing all the local

girls. Though World War II has dramatically changed the family's standard of living and altered their perspective of the world, Nellie is determined to enforce her traditional ideas about the proper behavior and priorities of the lower middle class. This includes hampering the romantic desires of both Rita and Margo. It is no wonder, then, that Rita starts lying to her aunts about where she goes on Saturday nights. She has fallen in love with a Yankee GI named Ira. Or rather, she has fallen in love with the idea of this young soldier and all that he represents as someone who can make her a bride and whisk her away to a lavish life in the United States. But Ira is hardly the man she's dreamed of, and a relationship is the last thing on his mind. In a sinister turn of events, the years of stifled happiness finally catch up to Margo and she betrays her young niece. And through this transgression, Nellie reveals just how far she will go to enforce her rules, especially when it comes to the furniture .

. . . Written in strategically doled-out prose that keeps readers on the edge of their seats, *The Dressmaker* is a thrilling historical novel about repressed sexuality, sibling rivalry, and the dire consequences of bigotry. An immediate classic in British fiction, it was shortlisted for the Man Booker Prize and made into a film starring Jane Horrocks, Billie Whitelaw, and Joan Plowright. This ebook features an illustrated biography of Beryl Bainbridge including rare images from the author's estate.

*The Year of The Rat* Clare Furniss 2014-04-24

I always thought you'd know, somehow, if something terrible was going to happen. I thought you'd sense it, like when the air goes damp and heavy before a storm and you know you'd better hide yourself away somewhere safe until it all blows over. But it turns out it's not like that at all. There's no scary music playing in the background like in films. No warning signs. Not even a lonely magpie. One for sorrow,

Mum used to say. Quick, look for another. The world can tip at any moment ... a fact that fifteen-year-old Pearl is all too aware of when her mum dies after giving birth to her baby sister. Told across the year following her mother's death, Pearl's story is full of bittersweet humour and heartbreaking honesty about how you deal with grief that cuts you to the bone, as she tries not only to come to terms with losing her mum, but also the fact that her sister - The Rat - is a constant reminder of why her mum is no longer around... From the author of *How Not to Disappear* comes a stunning novel about love and loss, and how to carry on when your whole world is turned upside down. Praise for *The Year of the Rat*: 'Beautifully written with a dry sense of humour.' *The Stylist* 'I cried, I laughed, I cried some more... a moving must-read that'll stay with you long after the last page is turned.' *Bliss* 'The Year of the Rat is already a strong contender for best YA debut of 2014... The Soul Of Kindness - Elizabeth Taylor 2010-12-02

'Elizabeth Taylor is finally being recognised as an important British author: an author of great subtlety, great compassion and great depth. As a reader, I have found huge pleasure in returning to Taylor's novels and short stories many times over. As a writer I've returned to her too - in awe of her achievements, and trying to work out how she does it' Sarah Waters A brilliant novel about the damage caused by relentless 'niceness'. Uncritical, encouraging, 'the soul of kindness', Flora's help is the cruelest hindrance to those who love her most. 'Here I am!' Flora called to Richard as she went downstairs. For a second, Meg felt disloyalty. It occurred

to her of a sudden that Flora was always saying that, and that it was in the tone of one giving a lovely present. Elegant, blonde and beautiful, Flora has everything under control: her perfect home, her husband Richard, her friend Meg, adoring Kit, and the writer Patrick. Flora entrances everyone, dangling visions of happiness and success before their spellbound eyes. All are bewitched by this golden tyrant. Except, that is, for the clear-eyed painter, Liz, who can see that Flora's kindness is the sweetest poison of them all.

**Personajes en soledad en "Gut gegen Nordwind" de Daniel Glattauer** - Ada Puerto 2018-08-23

Seminar paper del año 2018 en el tema Alemán - Literatura, Obras, Nota: 10, Universidad de Sevilla, Materia: 4, Idioma: Español, Resumen: En este trabajo me dispongo a analizar la obra "Gut gegen Nordwind" del autor austríaco Daniel Glattauer centrándome principalmente en el tema de la soledad, tal vez el más importante en la obra del

autor. Aunque en un principio había pensado en analizar varios de sus textos, finalmente, y sólo por cuestiones de espacio, me he decidido por profundizar únicamente en su primera novela, "Gut gegen Nordwind", por considerar esta obra tal vez la más representativa del pensamiento del autor para el tema elegido. En mi trabajo intentaré estudiar los diferentes tipos de soledades que pueden observarse en los principales personajes de "Gut gegen Nordwind", para lo cual, y siguiendo los consejos de mi directora, he decidido recurrir a la psicología y apoyarme en la teoría del apego de Bowlby, que explicaré brevemente en mi capítulo dos, para describir el modo de relación existente entre personajes, esencial para descubrir su forma de soledad, y también utilizaré las ideas de V. Vivero, que igualmente explicaré más adelante.

**Netzwerkpoetiken in der Gegenwartsliteratur** - Szilvia Gellai 2018-10-09

Wie digitale Vernetzung unsere Gesellschaft verändert, gehört

zu den drängendsten Fragen der Gegenwart. Wie jedoch dieser Prozess die zeitgenössische Literatur prägt, erfährt seit der enthusiastischen Erforschung von Hypertexten um die Jahrtausendwende wenig kulturwissenschaftliche Aufmerksamkeit. Dabei lohnt es sich, die Beobachtungsperspektive von der Literatur im Netz auf das Netz in der Literatur zu verschieben. Denn informations- und kommunikationstechnologische Netzwerke - und vor allem das Internet - schreiben sich zunehmend in die Romane der Gegenwart ein. Nicht selten avanciert das ›Netz der Netze‹ sogar zum inhaltlichen Kernelement von erzählten Welten und wird dort vielfältig wirksam: von der räumlichen und temporalen Inszenierung des Motivs über das Zusammenspiel von Figurenkonstellationen und Erzähltechnik bis hin zur formalästhetischen und symbolischen Ausgestaltung der Texte. Auf einer breiten

theoretischen Basis erkundet die vorliegende Studie literarische Erzähltexte, die den medial bedingten Wandel der Lebenswelt reflektieren, indem sie dessen wohl wichtigstes Movens poetisch durchdringen.

*The Epistolary Renaissance*

Maria Löschnigg 2018-09-10

Since the late twentieth century, letters in literature have seen a remarkable renaissance. The prominence of letters in recent fiction is due in part to the rediscovery, by contemporary writers, of letters as an effective tool for rendering aspects of historicity, liminality, marginalization and the expression of subjectivity vis-à-vis an 'other'; it is also due, however, to the artistically challenging inclusion of the new electronic media of communication into fiction. While studies of epistolary fiction have so far concentrated on the eighteenth century and on thematic concerns, this volume charts the epistolary renaissance in recent literature, entering new

territory by also focusing on the aesthetic implications of the epistolary mode. In particular, the essays in this volume illuminate the potential of the epistolary (including digital forms) for rendering contemporary sensitivities. The volume thus offers a comprehensive assessment of letter narratives in contemporary literature. Through its focus on the aesthetic and structural aspects of new epistolary fiction, the inclusion of various narrative forms, and the consideration of both conventional letters and their new digital kindred, *The Epistolary Renaissance* offers novel insight into a multi-faceted (re)new(ed) genre.

**The Funeral Party** - Ludmila Ulitskaya 2010-12-01

August 1991. In a sweltering New York City apartment, a group of Russian émigrés gathers round the deathbed of an artist named Alik, a charismatic character beloved by them all, especially the women who take turns nursing him as he fades from this

world. Their reminiscences of the dying man and of their lives in Russia are punctuated by debates and squabbles: Whom did Alik love most? Should he be baptized before he dies, as his alcoholic wife, Nina, desperately wishes, or be reconciled to the faith of his birth by a rabbi who happens to be on hand? And what will be the meaning for them of the Yeltsin putsch, which is happening across the world in their long-lost Moscow but also right before their eyes on CNN? This marvelous group of individuals inhabits the first novel by Ludmila Ulitskaya to be published in English, a book that was shortlisted for the Russian Booker Prize and has been praised wherever translated editions have appeared. Simultaneously funny and sad, lyrical in its Russian sorrow and devastatingly keen in its observation of character, *The Funeral Party* introduces to our shores a wonderful writer who captures, wryly and tenderly, our complex thoughts and emotions confronting life and

death, love and loss, homeland and exile.

**The Human Body** - Paolo Giordano 2015-11-03

"A platoon of young men and one woman soldier leaves Italy for one of the most dangerous places on earth. Forward Operating Base (FOB) in the Gulistan district of Afghanistan is nothing but an exposed sandpit scorched by inescapable sunlight and deadly mortar fire. Each member in the platoon manages the toxic mix of boredom and fear that is life at the FOB in his own way. When a much-debated mission goes devastatingly awry, their lives are changed in an instant"--

Almost Like Spring - Alex Capus 2014-04-01

With brilliantly vivid irony, a mosaic of voices tells the true story of Switzerland's most notorious bank robbers: Kurt Sandweg and Waldemar Veltheimer. As 1933 draws to a close, the pair arrive in Basel from Wuppertal, Germany. Rebels on the run, they are searching for an escape from the confines of a callously regimented

society left impoverished by the Depression and the onset of Nazi power. However, their desperation leads them to a realm outside reality, on a destructive path of vengeance for the world's abhorrent lack of justice. Resolute on their doomed mission, neither expected to fall in love. Seen through the benign eyes of Dorly Schupp, the agonising humanity of their relationships are sharply juxtaposed against the reckless cruelty of their crimes. Yet in a world equally heartless and unremitting, who should shoulder the blame? Capus relates the portrait of these chillingly charismatic figures in a curious blend of documentary and narrative where precision of detail collides with an economy of emotion, and leaves the desolation of their situation stark and blindingly poignant. Suspended between the tragic and comic, Capus's novel mimics the absurd idiosyncrasies of life where often nothing but interpretation is left to determine the sacred from the

profane.

*Uncreative Writing* Kenneth Goldsmith 2011-09-20

Can techniques traditionally thought to be outside the scope of literature, including word processing, databasing, identity ciphering, and intensive programming, inspire the reinvention of writing? The Internet and the digital environment present writers with new challenges and opportunities to reconceive creativity, authorship, and their relationship to language. Confronted with an unprecedented amount of texts and language, writers have the opportunity to move beyond the creation of new texts and manage, parse, appropriate, and reconstruct those that already exist. In addition to explaining his concept of uncreative writing, which is also the name of his popular course at the University of Pennsylvania, Goldsmith reads the work of writers who have taken up this challenge. Examining a wide range of texts and techniques, including the use of Google searches to

create poetry, the appropriation of courtroom testimony, and the possibility of robo-poetics, Goldsmith joins this recent work to practices that date back to the early twentieth century. Writers and artists such as Walter Benjamin, Gertrude Stein, James Joyce, and Andy Warhol embodied an ethos in which the construction or conception of a text was just as important as the resultant text itself. By extending this tradition into the digital realm, uncreative writing offers new ways of thinking about identity and the making of meaning.
