Hallo Anna 1 neu. Deutsch für Kinder. Arbeitsbuch mit Bastelvorlagen - Olga Swerlowa 2019

Geöffnetes Zeitfenster nutzen! - Iwona Wowro 2020-08-07

Wie kann die Fremdsprachenarbeit im Vorschul- und Grundschulbereich weiter optimiert und

erfolgreich fortgesetzt werden? Anhand verschiedener Lehrkonzepte und Projekte in Deutschland und Polen präsentieren und diskutieren die AutorInnen eine Bandbreite theoretisch fundierter Aspekte des Frühfremdsprachenunterrichts in Verbindung mit zahlreichen praktischen Erkenntnissen. Mit sehr unterschiedlichen, empirisch ausgerichteten Beiträgen wird damit ein reicher Fundus an erprobten Ideen und Unterrichtskonzepten zusammengestellt, die als Grundlage für einen Fremdsprachenunterricht dienen, in dem die Kinder die Sprache in realen und möglichst »natürlichen« Situationen erfahren und von ihm sowohl sprachlich als auch sozial, emotional und kognitiv profitieren können. Based on different teaching concepts and projects in Germany and Poland, this anthology reflects on how foreign language teaching can be further optimized and successfully continued in preschool and elementary education. Thus, based on the

background of the children's psychological and developmental learning prerequisites and educational policy requirements, a range of theoretically substantiated aspects of early foreign language teaching is presented and critically discussed in conjunction with their numerous practical findings. Very different empirically-oriented papers are an extensive source of proven ideas and lesson concepts that can be used as a basis for teaching a foreign language, where children learn the language in real and as "natural" situations as possible, and benefit from them both linguistically and socially, emotionally and cognitively.

**I Will Always Write Back** - Martin Ganda

2015-04-14

The New York Times bestselling true story of an all-American girl and a boy from Zimbabwe -- and the letter that changed both of their lives forever. It started as an assignment. Everyone in Caitlin's class wrote to an unknown student somewhere in a distant place. Martin was lucky to even receive a pen-pal letter. There were only ten letters, and fifty kids in his class. But he was the top student, so he got the first one. That

letter was the beginning of a correspondence that spanned six years and changed two lives. In this compelling dual memoir, Caitlin and Martin recount how they became best friends--and better people--through their long-distance exchange. Their story will inspire you to look beyond your own life and wonder about the world at large and your place in it.

2014-11-27

Bringing German to Life provides an innovative and refreshing cross-curricular approach to teaching languages in primary schools, combining art, design and foreign languages with various aspects of the National Primary Curriculum such as Literacy, Numeracy and PE. This unique practical resource comprises an engaging storyline about a day in the life of two German children and gives an opportunity for learners to re-enact their day, using finger puppets, handmade crafts and exciting games to practise new language. Each of the 14 sections begins with a short accessible dialogue in German and is followed by suggestions for using the new vocabulary in pairs, small groups or as a whole class. The main story is accompanied by fun craft activities linked to the story (one for each section, ie 14 in total) for children to create in class using the templates and instructions provided. A wide range of further activities follows, consisting of lively games, songs and

opportunities to communicate simple ideas. Language extensions are suggested, focussing on imaginative writing and reading ideas linked to the theme of each section. Written to support the new foreign languages programme of study, the book also includes: \* Cross-curricular links to numerous subjects including Literacy, Numeracy, PE and ICT \* Classroom games and activities \* Photocopiable resources and templates for fun classroom activities and projects \* Language extension activities. Bringing German to Life can be read on three levels to suit a variety of classroom situations. First, the story can be told 'straight' with the whole class participating in the dialogues. Teachers can use as many or as few as they wish. The resultant crafts can be

used for very effective classroom displays/open days/assemblies etc. Finally, the language extension activities can be used alongside the art/craft/design activities as desired.
