Rather than enjoying a good book with a cup of tea in the afternoon, instead they are facing with some malicious bugs inside their computer.

handbook of biblical chronology principles of time reckoning in the ancient world and problems of chronology in the bible is available in our book collection an online access to it is set as public so you can download it instantly.

Our book servers hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the handbook of biblical chronology principles of time reckoning in the ancient world and problems of chronology in the bible is universally compatible with any devices to read

Handbook of Biblical Chronology - Jack Finegan 1998

Have you been skipping over references to time in the Bible because they seem too confusing? Professor Jack Finegan's updated and revised Handbook of Biblical Chronology clarifies ancient systems of time reckoning for serious Bible students.

Biblical Preaching and Teaching - D. Min. Burdette 2010-11

One objective of this book is to set forth the heart of God's Gospel. This volume is composed of a compilation of sermons and in-depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Since the Cross of Christ is pivotal to a proper understanding of Christianity, numerous chapters in this book explore the "ins" and "outs" of the importance of the Cross in the lives of God's people. Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry, it also calls attention to Christian apologetics, that is, a defense of Christianity. Three chapters are devoted to this kind of study: (1) Christianity versus Skepticism, (2) Credibility and Candor of the New Testament Writers, and (3) Paul's Conversion: Apologetic for Christianity. Also, this book allocates three chapters to the subject of baptism and its meaning to God's children. And, finally, four chapters are dedicated to a detailed study of worship within the Christian community. Dallas Burdette has been a serious student, teacher and preacher of the Bible for fifty-eight years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals, as well as many essays and sermons which are available on his website

(www.freedominchrist.net). He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University (formerly Southern Christian University) where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree (1999) from Erskine Theological Seminary.

The Handbook of Biblical Chronology - Jack Finegan 2015-08-01

Have you been skipping over references to time in the Bible because they seem too confusing? Professor Jack Finegan's "Handbook of Biblical Chronology" clarifies those ancient systems of time reckoning and the biblical passages that use them. Part 1, Principles of Chronology in the Ancient World, describes the origins of basic units of time and surveys the calendars used in the Ancient Near East through the Roman era. Part 2, Problems of Chronology in the Bible, discusses major periods of the Old Testament, as well as the lives of Jesus, John the Baptist, and the Apostles Peter and Paul.

MUL.BABBAR The White Star Over Bethlehem - Dwight R. Hutchison 2018-09-30

Dwight Hutchison's historical novel, MUL.BABBAR, The White Star Over Bethlehem, shows how non-Jewish Babylonian astronomers and others could have shifted from their traditional ideas to believing in the Jewish Messiah. Relatively discreet events involving the synodic cycle of MUL.BABBAR (Jupiter) in the late first-century BC probably left plenty of ancient astronomers scratching their heads. The royal celestial events were at the heart of Babylonian astronomical science (but not at the heart of their astrology).

Biblical Preaching and Teaching - Dallas R. Burdette 2010-09

One objective of this book is to set forth an interest in the Book of Ephesians and the Book of Philippians. Ten studies are developed from Ephesians in order to explain predestination, election, and the richness of God's grace. Chapters 11 and 12 advance God's salvation with an emphasis in Chapter 11 concerning the role of women in sharing the

message of redemption. Chapter 13 examines one's life before rebirth and life after rebirth. Chapter 14 looks carefully at arguments adopted to condemn instrumental music in the Christian assembly. The next seven chapters (15-21) investigate several statements from the Book of Philippians with accent upon God working in us to accomplish His outreach to the lost. Three chapters (22-24) look at the purpose of the church, church and ministry, and the identification of the church. Chapter 25 sets forth the biblical date for the Exodus as well as biblical chronology versus liberal chronology. The next chapter (26) looks at the prophetic ministry. Chapters 27 and 28 review the prophet Jonah with an emphasis upon his psychological setback in his first refusal to carry out God's command to go to Nineveh. Chapter 29 discusses God's admonition to Joshua. Chapters 30-32 scrutinize 1 Timothy 2:11-15, which in-depth study is an overview of the Pastoral Epistles. This study seeks an answer to Paul's negative declaration about the participation of women in the church at Ephesus. These particular women were involved in the telling of stories about their gods and goddesses as well as the practice of magic. They did not understand the true nature of Jesus. The next three chapters (33-35) analyze the identity of Jesus. And, finally, Chapter 36 is written from an apologetic viewpoint, which reading concentrates upon the "cell" to demonstrate that there is an Intelligent Designer.

The Land that I Will Show You - J. Andrew Dearman 2002-04-01

A collection of seventeen articles by colleagues and former students of Professor J. Maxwell Miller who taught at the Candler School of Theology, Emory University. The papers deal with the history, chronology, geography, archaeology and epigraphy of ancient Israel and its setting in the Levant, and range from broad methodological discussions of historiography to focused analyses of individual texts or historical issues. A review of Miller's career and a select bibliography of his publications are also included.

The Age of Solomon - Lowell K. Handy 1997-01-01

The figure of King Solomon is central to our understanding of the history of Israel and Judah. This volume of collected articles brings the reader up-to-date with the latest scholarship in the field. The work consists of twenty-four chapters and provides important studies in the historical approach to Solomon and to 10th century B.C.E. Judah and Israel with archaeological surveys of the neighboring regions, sociological surveys, and literary readings of the biblical texts. With suggestions for further research and indexes.

Haggai, Malachi - Richard A. Taylor 2004

One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text.

On the Way to the Postmodern - David J. A. Clines 1998-11-01

For these two volumes, the author has selected 50 articles and papers, ten of them not previously published, from his work as an Old Testament scholar over the last 30 years. Some of the papers, like 'The Evidence for an Autumnal New Year in Pre-exilic Israel Reconsidered', are far from postmodern in their outlook. But there is ample evidence here that the postmodern is indeed the direction in which his mind has been moving. The essays are organized in eight sections (Method, Literature, History, Theology, Language, Psalms, Job-and, for entertainment, Divertimenti). They include 'Reading Esther from Left to Right', 'Beyond Synchronic Diachronic', 'Story and Poem: The Old Testament as Literature and as Scripture', 'In Search of the Indian Job', and 'Philology and Power'-as well as 'The Postmodern Adventure in Biblical Studies'.

The Harvest Handbook of Bible Lands - Steven Collins 2020-02-18

"The scope of your learning...will be unlimited and enhanced by leaps

and bounds as you use this wonderful tool.” from the Foreword by Walter C. Kaiser, Jr New discoveries are constantly being made as archaeologists work to uncover the ancient history of the Bible lands to tell a more complete story of the people, customs, and events of that era. Archaeologist Steven Collins and Bible scholar Joseph M. Holden have spent decades making and researching those discoveries and now offer a wealth of information based on the latest findings. This exciting addition to The Harvest Handbook™ series provides a textual and visual bird’s-eye view of ancient Near Eastern biblical geography, culture, history, and chronology. If you’re looking for an accurate, readable, and user-friendly resource to further your study of God’s Word, The Harvest Handbook™ of Bible Lands provides a valuable backdrop for biblical narratives and literature. With the most up-to-date information from biblical and archaeological disciplines, you will find your knowledge greatly enriched through well-written narrative-style text, numerous maps, instructive photographs, illustrations, and charts. This must-have tool will become your favorite resource as you study Scripture.

Dictionary of Daily Life in Biblical & Post-Biblical Antiquity: Time - Edwin M. Yamauchi 2022-05-17

This unique reference article, excerpted from the larger work (Dictionary of Daily Life in Biblical and Post-Biblical Antiquity), provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 2000 BC to approximately AD 600. Written and edited by a world-class historian and a highly respected biblical scholar, each article addresses cultural, technical, and/or sociological issues of interest to the study of the Scriptures. Contains a high level of scholarship. Information and concepts are explained in detail and are accompanied by bibliographic material for further exploration. Useful for scholars, pastors, teachers, and students—for biblical study, exegesis, or sermon preparation. Possible areas covered include details of domestic life, technology, culture, laws, or religious practices. Each article ranges from 5 to 20 pages in length. For the complete contents of Dictionary of Daily Life in Biblical and Post-Biblical Antiquity, see ISBN 9781619708617 (4-volume set) or ISBN 9781619701458 (complete in one volume).

Biblical Exegesis, Fourth Edition - John H. Hayes 2022-10-04

This is a beginner's guide to biblical exegesis, providing exegetical methods, practices, and theories. This book provides simple, helpful information and guidance about doing exegesis, without being overly prescriptive; succinctly introduces students to various methods; provides basic bibliographies that take students beyond an introductory discussion; and emphasizes exegesis as an everyday activity based on commonsense principles rather than as an esoteric enterprise. This revised edition of this perennially best-selling textbook includes discussions of emerging methods of interpretation aimed at a contemporary audience. Several chapters have been updated and improved, and readers will find an incisive new chapter on exegesis with a focus on identity and advocacy. Holladay has also written a new concluding chapter on exegesis as the art of seeing. Bibliographies are updated, and a helpful glossary is included in this new edition.

Encountering the New Testament (Encountering Biblical Studies) -

Walter A. Elwell 2013-07-15

Studying the New Testament can be an exciting--and intimidating--experience. This readable survey is designed to make the adventure less daunting and more rewarding. Two experienced classroom teachers offer a new edition of their bestselling and award-winning textbook, now with updated content and a new interior design. Other distinguishing features include: • abundant images, maps, and charts--all in full color • sidebars that address ethical and theological concerns and provide primary source material • focus boxes isolating key issues • chapter outlines, learning objectives, and summaries • study questions Students of the New Testament will find this introductory text both informative and engaging. An accompanying website through Baker Academic's Textbook eSources offers a wide array of resources for students and professors. Resources for students include flash cards, self quizzes, and introductory videos. Resources for professors include discussion questions, suggestions for class activities, PowerPoint slides, an instructor's manual, and a test bank.

Living On The Edge - Jonathan Burke

Chronos, Kairos, Christos Ray Summers 1998

Christian theologian and educator Ray Summers (Baylor University) influenced the lives of more than one generation of students, many of whom are now teachers, ministers, and missionaries. This collection of essays in honor of Mr. Summers focuses on his many interests--which are

also concerns of many people today--liberty of conscience, civil religion, warfare, the New Testament (especially the Gospels) and other topics.

Mastering the Discipline of Bible Study - Jenai J. Rasmussen Ed.D. 2022-07-22

This work, along with the other volumes in the Foundational Knowledge of the Bible series, can help those who are young in the faith to seek a Christian relationship with God. All who choose to enter into the new covenant must concurrently embrace a new perceptual field. By heeding God’s call to service, believers embark upon a Christian journey to become wise from the application of spiritual knowledge. This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God, which is the source of all spiritual truth in this world. The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment, be equipped with sound doctrine, and grow together in all things according to Christ’s authoritative leadership (Eph. 4:15). By becoming covenant Christians set apart by God for his particular use, we can be diligent by precisely and accurately handling the word of truth (2 Tim. 2:15). This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life’s pressing spiritual questions, whether general or specific. Accordingly, Christ’s disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty-bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study: “Why” addresses the importance of knowing God’s word, study motivations, conditions for discipleship, Christian distinctions, and the attributes needed to study biblical truth. “How” covers preliminary actions, Bible versions, principles, study considerations, and necessary skills. “What” offers a unique sevenfold framework for understanding the Bible. Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information, accessible resources, clear educational materials, and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text. This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth. To be sure, wisdom is the result of applying biblical knowledge to our lives. By speaking divine truth in love, believers can grow together in Christ as fellow workers who labor in the word of God. There is no greater work in this world than to share this life-saving truth with others. The obligation of receiving divine knowledge requires that it be shared. Truly, giving the hope and joy that is found in Jesus Christ, and the message he brought from the Father, is the greatest privilege of a human life. Amen, and amen.

An Introductory Bibliography for the Study of Scripture - Joseph A. Fitzmyer 1990

This third edition of the Introductory Bibliography for the Study of Scripture builds on the two preceding editions Older, obsolete titles have been eliminated, and newer relevant entries substituted, the twenty-four chapters of the book remain the same, but the contents of them have often changed. The book has been internationalized wherever possible and British publishers have been added to entries, when they could be ascertain. The aim of this revision remains what it has always been: to present a list of titles of reasonable length with which the student who is beginning the study of theology or of Scripture in a serious way might do well to familiarize himself or herself.

The Lion Led the Way - Dwight Hutchison 2021-07-07

Was there a meaningful stellar sign over Bethlehem? What did it look like to someone looking up at the night sky? Did wise men really come from the East seeking Israel’s Messiah sometime after the birth of Jesus? The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia. Important aspects of Babylonian astronomy seem to be involved in understanding the star’s appearing. But in addition, The Lion Led the Way also explores the men and events from a profoundly Jewish perspective. The traditional Jewish names of stars and planets, Jewish symbols, as well as Jewish dates, all seem to be keys to unlocking the mystery of the famous star. The star of Bethlehem was not the brightest of the heavenly lights, nor was it the most spectacular starry manifestation of all time. However, it was part of the most meaningful set of celestial events in human history. The God of Israel is surprising. His ways are not our ways; his thoughts are not our thoughts. The star gives us a concrete example of God’s intervention in the universe. Book

A New Chronology for the Kings of Israel and Judah and Its Implications for Biblical History and Literature - John H. Hayes
2007-06-08

For generations, scholars have attempted to solve the chronological problems associated with "the mysterious numbers of the Hebrew kings." In this volume, the authors provide a coherent, sensible, and believable chronology for the Israelite and Judean kings. In their reconstruction, Hayes and Hooker take into consideration not only all of the biblical data but also all relevant ancient Near Eastern sources. Utilizing all available and reliable evidence, they establish not only regnal years for all the rulers but also specific dates for numerous events in Israelite and Judean history. In their opening chapters, the authors explain the scheme of chronological reckoning found in the books of 1-2 Kings. Their calculations are then computed without recourse to shifting understandings of the methods of reckoning or to a theory of coregencies. The value of this work is not limited to purely chronological matters. Its implications extend to the dating of biblical sources such as the Book of the Covenant, D, P, and the Deuteronomistic History. The volume also provides insights into the socio-cultic life of biblical times.

A Four-Column Parallel and Chronological Harmony of the Gospels of Matthew, Mark, Luke and John: - Robert M. Sutherland
2020-06-30

The author Robert M. Sutherland is an accomplished Canadian criminal and civil trial lawyer with 34 years at the bar in five provinces, having had some notable successes, changing the law nationally and provincially at various points in time. He is philosophically a moderate realist and a natural law thinker, in the tradition of the three great Western thinkers: Aristotle, Thomas Aquinas and Mortimer J. Adler and a former Canadian director of the Chicago-based think-tank "Mortimer J. Adler's Centre for the Study of the Great Ideas". He is an evangelical Christian and a member of the United Church of Canada. This is how he would format the testimonial evidence of the various gospel writers in the court of public opinion for the purpose of assessing their individual and collective credibility and reliability and ultimately their three basic historical claims: namely, (1) Jesus of Nazareth claimed to be divine. (2) He died for that claim. (3) He rose again from the dead to establish the truth of that claim. These are purely historical matters, knowable and provable on a balance of probabilities. And to assist the reader he has provided some helpful methodologies for understanding the nature of truth, the nature of the natural moral law and the nature of historical inquiry.

The Last Days of the Kingdom of Israel - Shuichi Hasegawa 2018-11-05

Despite considerable scholarly efforts for many years, the last two decades of the Kingdom of Israel are still beneath the veil of history. What was the status of the Kingdom after its annexation by Assyria in 732 BCE? Who conquered Samaria, the capital of the Kingdom? When did it happen? One of the primary reasons for this situation lies in the discrepancies found in the historical sources, namely the Hebrew Bible and the Assyrian texts. Since biblical studies and Assyriology are two distinct disciplines, the gaps in the sources are not easy to bridge. Moreover, recent great progress in the archaeological research in the Southern Levant provides now crucial new data, independent of these textual sources. This volume, a collection of papers by leading scholars from different fields of research, aims to bring together, for the first time, all the available data and to discuss these conundrums from various perspectives in order to reach a better and deeper understanding of this crucial period, which possibly triggered in the following decades the birth of "new Israel" in the Southern Kingdom of Judah, and eventually led to the formation of the Hebrew Bible and its underlying theology.

Nativity: the Christmas Story, Which You Have Never Heard Before - Richard R. Racy 2007-11-02

Sometimes reading like a historical novel, or a forensics detective story, a melodrama, or a scientific adventure, Nativity takes the reader on a fast, awesome ride of discovery into the real history and real people behind the birth of Christ. Nativity is the ideal reference for pastors, students, and laymen, combining scholarly depth and reliability in a popular writing style easily accessible to all with references for independent study. New elements of meaning and relevance to the Nativity Scientific evidence virgin births occur as often as identical twins but Jesus was one of a kind The life and death drama behind Joseph and Mary rarely told The real events of Bethlehem and Nazareth Herod amazing genius whose architecture excelled Rome, and kept his murdered wife in a jar of honey! Was Jesus incarnated from the time of the Fall? Is the Christmas tree a pagan idol or a biblical image of the Tree of Life? While vigorously defending the traditional faith, Richard

Racy gives new insights and new theological perspectives guaranteed to inform and provoke while entertaining in a major new work on the birth of Jesus Christ. A revealing and thought-provoking new book that truly tells us the Christmas story, which we have never heard before!

Theology and Practice in Early Christianity - Troy W. Martin
2020-08-12

Early Christianity did not originate in a vacuum but in a world of linguistic, social, religious, and cultural richness and diversity. The twenty-two seminal essays in this volume - some previously published, some newly written - represent almost three decades of research by Troy W. Martin to understand how early Christianity developed in the ancient world. The broad-ranging investigations in these essays give attention not only to the linguistic and rhetorical features of early Christian texts, but also to the social, philosophical, physiological, and medical contexts in which these texts were written. The essays provide new understandings of early Christian conceptions of salvation and of the virtues of faith, hope and love that characterized early Christian communities. They include new medical and physiological explanations of early Christian sacraments, pneumatology, and eschatology and furthermore investigate early Christian communal life and practice, including the veiling of women, male/female relationships, and time-keeping. The essays include reception histories that describe their influence on subsequent research and place them within the context of contemporary research and scholarship. Those familiar with the well-trodden ground of New Testament studies will find in these essays new insights and previously unexplored comparative material for understanding early Christianity and the world in which it originated.

The Routledge Encyclopedia of the Historical Jesus - Craig A. Evans
2014-01-14

This Encyclopedia brings together the vast array of historical research into the reality of the man, the teachings, the acts, and the events ascribed to him that have served as the foundational story of one of the world's central religions. This kind of historiography is not biography. The historical study of the Jesus stories and the transmission of these stories through time have been of seminal importance to historians of religion. Critical historical examination has provided a way for scholars of Christianity for centuries to analyze the roots of legend and religion in a way that allows scholars an escape from the confines of dogma, belief, and theological interpretation. In recent years, historical Jesus studies have opened up important discussions concerning anti-Semitism and early Christianity and the political and ideological filtering of the Jesus story of early Christianity through the Roman empire and beyond. Entries will cover the classical studies that initiated the new historiography, the theoretical discussions about authenticating the historical record, the examination of sources that have led to the western understanding of Jesus' teachings and disseminated myth of the events concerning Jesus' birth and death. Subject areas include: the history of the historical study of the New Testament: major contributors and their works theoretical issues and concepts methodologies and criteria historical genres and rhetorical styles in the story of Jesus historical and rhetorical context of martyrdom and messianism historical teachings of Jesus teachings within historical context of ethics titles of Jesus historical events in the life of Jesus historical figures in the life of Jesus historical use of Biblical figures referenced in the Gospels places and regions institutions the history of the New Testament within the culture, politics, and law of the Roman Empire.

Chronological and Background Charts of the New Testament - Wayne House 2009

Students of the New Testament are confronted with a vast amount of information, both biblical and extrabiblical. Chronological and Background Charts of the New Testament helps the student organize and synthesize this material by providing a helpful visual overview of the data, chronology, historical background, and criticism of the New Testament. This format allows facts, relationships, parallels, and contrasts to be grasped quickly and easily. The 90 charts in this updated, expanded edition are divided into four broad categories: general material, backgrounds to the New Testament, the Gospels, and the apostolic age. They cover a wide range of topics, from basic matters such as a chronological list of the books of the New Testament to less familiar subjects such as "The Roman Military System," "Rabbinic Writings," and "The Five Gospels of the Jesus Seminar." This volume is a useful tool for classroom use, for individual study, and as a handy reference.

The Temporal Mechanics of the Fourth Gospel - Douglas Estes
2008-01-01

By redefining narrative temporality in light of modern physics, this book

advances a unique and innovative approach to the deep-seated temporalities within the Gospel of John and challenges the implicit assumptions of textual brokenness that run throughout Johannine scholarship.

Discovering Gilgamesh Vybarr Cregan-Reid 2015-11-01

In 1872, a young archaeologist at the British Museum made a tremendous discovery. While he was working his way through a Mesopotamian 'slush pile', George Smith, a self-taught expert in ancient languages, happened upon a Babylonian version of Noah's Flood. His research suggested this 'Deluge Tablet' pre-dated the writing of Genesis by a millennium or more. Smith went on to translate what later became The Epic of Gilgamesh, perhaps the oldest and most complete work of literature from any culture. Against the backdrop of innovative readings of a range of paintings, novels, histories and photographs (by figures like Dickens, Eliot, James, Dyce, Turner, Macaulay and Carlyle), this book demonstrates the Gordian complexity of the Victorians' relationship with history, while also seeking to highlight the Epic's role in influencing models of time in late-Victorian geology. Discovering Gilgamesh will be of interest to readers, students and researchers in literary studies, Victorian studies, history, intellectual history, art history and archaeology.

Chronology of the Old Testament - Dr. Floyd Nolen Jones 2005-03-01

The Chronology of the Old Testament has one goal to accomplish: to demonstrate "that every chronological statement contained in the Sacred Writ is consistent with all other chronological statements contained therein." Author Floyd Nolen Jones carefully and thoroughly investigates that chronological and mathematical facts of the Old Testament, proving them to be accurate and reliable. This biblically sound, scholarly, and easy-to-understand book will enlighten and astound its readers with solutions and alternatives to many questions Bible scholars have had over the centuries. Features: Scriptural solutions to many biblical mathematical controversies Sir Robert Anderson's calculation error corrected The 483-year prophecy of Daniel 9:25 explained A scriptural formula which biblically synchronizes the kingdoms of Judah and Israel 48 charts, graphs, and diagrams included in text Fully indexed with complete bibliography Supports and updates James Ussher's Annals of the World With reliable explanatory text, detailed charts, and diagrams, this book provides a systematic framework of the chronology of the Bible from Genesis through the life of Christ. No Bible scholar should be without this indispensable reference tool.

Kingdom of Fools - Nick Page 2012-05-10

Fools. Rebels. Ignorant peasants. That's how the Roman world saw the first Christians. Led by fishermen, tax collectors and renegade Pharisees, the first Christians shunned power and welcomed the poor and uneducated. Roman commentators mocked their upside-down values, but the apostle Paul - himself a Roman citizen, and a Pharisee to boot, affirmed that 'God chose what is foolish in the world to shame the wise.' Its followers were persecuted and its leaders killed, yet this ragged collection of lowly tradesmen, women, slaves - and a smattering of turncoat high-born Jews - created a movement that changed the world. How did this happen? How did the kingdom of fools conquer the mighty empire that was Rome? In this fascinating new biography of the early church, Nick Page sets the biblical accounts alongside the latest historical and archaeological research, exploring how the early Christians lived and worshipped - and just why the Romans found this new branch of the Jewish faith so difficult to comprehend. THE KINGDOM OF FOOLS is a fresh, challenging, accessible portrait of a movement so radical, so dangerous, so thrillingly different that it outlasted the empire that tried to destroy it and went on to become the driving force of our cultural development - and claims more followers today than ever before in history.

1998 - Massimo Mastrogregori 2003-01-01

Annually published since 1930, the International bibliography of Historical Sciences (IBOHS) is an international bibliography of the most important historical monographs and periodical articles published throughout the world, which deal with history from the earliest to the most recent times. The works are arranged systematically according to period, region or historical discipline, and within this classification alphabetically. The bibliography contains a geographical index and indexes of persons and authors.

Introduction to Biblical Interpretation - William W. Klein 2017-03-28

Introduction to Biblical Interpretation, now in its third edition, is a classic hermeneutics textbook that sets forth concise, logical, and practical guidelines for discovering the truth in God's Word. With updates and revisions throughout that keep pace with current

scholarship, this book offers students the best and most up-to-date information needed to interpret Scripture. Introduction to Biblical Interpretation: Defines and describes hermeneutics, the science of biblical interpretation Suggests effective methods to understand the meaning of the biblical text Surveys the literary, cultural, social, and historical issues that impact any text Evaluates both traditional and modern approaches to Bible interpretation Examines the reader's role as an interpreter of the text and helps identify what the reader brings to the text that could distort its message Tackles the problem of how to apply the Bible in valid and significant ways today Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation Used in college and seminary classrooms around the world, this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible.

Nick Page: The Longest Week, The Wrong Messiah, Kingdom of Fools - Nick Page 2018-03-08

Essential reading...enlightening and informative...you will be sure to learn something new. - Church of England Newspaper In this illuminating read, Nick Page strips away centuries of misrepresentation and myth to reveal the real personality portrayed in the gospels. Drawing on a wealth of historical and archaeological research, the result is a startling and vivid new portrait of Yeshua ben Yosef - Jesus of Nazareth.

The Literature of Theology - David R. Stewart 2003-01-01

This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research. It details bibliographic sources for encyclopedias, dictionaries, and electronic resources in biblical studies, historical studies, theology, and practical theology.

Judaica Reference Sources Charles Cutter 2004

A recipient of the Outstanding Reference Award from the Association of Jewish Librarians in its earlier edition, this updated edition of *Judaica Reference Sources* maintains its editorial excellence while revising and expanding coverage for the new century. Virtually every aspect of Jewish life, knowledge, history, culture, religion, and contemporary issues is covered in this annotated, bibliographic guide. A critical collection development tool for college, university, public school, and synagogue libraries, *Judaica Reference Sources* provides entries for over 1,000 reference works, as well as a selective list of related Web sites, in English, French, German, Yiddish, and Hebrew. Works published since 1970 are emphasized. Unique in providing expert guidance to *Judaica* material for the librarian, the layperson, the student, and the researcher, this reference guide is a versatile tool that will fulfill your every need for *Judaica* material.

Past, Present, Future Johannes de Moor 2021-11-22

The re-writing of the history of Israel, in the light of past failures and hopes for the future, by Deuteronomistic historians and prophets, is discussed in this series of studies. In this volume, the vitality of the Hebrew Scriptures is once again demonstrated.

Giving the Sense - David M. Howard (Jr.) 2003

This collection of essays covers the four major periods of Israel's history and explores the theological, literary, historical, and archaeological dimensions of each era.

Reference Sources in History - Ronald H. Fritze 2004

Fully annotated and completely updated—the most comprehensive guide to reference books in the field of history. * This guide includes 900+ complete entries for reference works and provides complete bibliographic information for over 400 other works * Descriptive annotations provide guidance to quality reference materials and offer a useful and time-saving alternative to research using the Internet * Topical chapters and detailed index help readers locate the materials they need for research and allow for effective searches of more obscure topics * The guide includes materials of interest for undergraduates, graduate students, academic researchers, and educated general readers

Dictionary of Daily Life in Biblical and Post-Biblical Antiquity -

Edwin M. Yamauchi 2021-10-05

The Dictionary of Daily Life in Biblical & Post-Biblical Antiquity is a unique reference work that provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 4000 BC to approximately AD 600. Also available as a 4-volume set (ISBN 9781619708617), this complete one-volume edition covers topics from A-Z. This dictionary casts light on the culture, technology, history, and politics of the periods of the Hebrew Bible and the New Testament. Written and edited by a world-class historian and a highly respected biblical scholar, with contributions by many others, this unique reference

work explains details of domestic life, technology, culture, laws, and religious practices, with extensive bibliographic material for further exploration. There are 115 articles ranging from 5-20 pages long. Scholars, pastors, and students (and their teachers) will find this to be a useful resource for biblical study, exegesis, and sermon preparation. This is not your standard Bible dictionary, but one that focuses on aspects of daily life in Bible times, addressing interesting and sometimes puzzling topics that are often overlooked in other encyclopedias. I highly recommend the Dictionary of Daily Life in Biblical and Post-Biblical Antiquity and will be giving it shout-outs in my classes in the years to come. James K. Hoffmeier, Professor of Old Testament and Near Eastern Archaeology, Trinity Evangelical Divinity School This wonderful resource is much more than a dictionary. It is a compendium of substantive essays on numerous facets of daily life in the ancient world. I am frequently asked by pastors and students for recommendations on books that illuminate the manners, customs, and cultural practices of the biblical world. Now I have the ideal set of books to recommend. Clinton E. Arnold, Dean and Professor of New Testament, Talbot School of Theology, Biola University

Biblical Exegesis - John Haralson Hayes 1987-01-01

The new edition retains the features of the first edition: a minimum of technical terms, solid introductory guidelines in exegetical method, and a valuable presentation of exegetical theory and practice. The new edition is even more ideal for general introductory courses in Old and New Testament, exegesis courses on specific books, homiletics and preaching

courses, and courses focusing on historical topics.

Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come on Earth - Pedro C. Arceno Jr 2019-07-22

Volume 1 of the book will discuss the true gospel of Jesus(as), which is about the imminent coming of the Son of Man and the establishment of the universal kingdom of God on earth. We will emphasize the fact that the entire ministry of Jesus(as) is all about the good news of the imminent fulfillment of the 'Son of Man' prophecy and the 'Kingdom of God' prophecy of Prophet Daniel(as) as written in the Bible. Based on the correct context and interpretation, the "Son of Man" mentioned by Jesus(as) refers to Prophet Muhammad(saw) and the "kingdom of God" refers to Islam. Volume 2 will discuss about the fulfillment of the Seventy Weeks prophecy of Prophet Daniel(as). This prophecy is actually a countdown to know the year Jesus(as) and Muhammad(saw) will come on earth. Jesus(as) is expected to arrive in the sixty-ninth week of the countdown, and Prophet Muhammad(saw) will arrive in the seventieth week of the countdown. Its exact fulfillment in history (such as the year of their birth, the starting year of their ministry and the year their messianic mission will be accomplished) is a miracle or sign from God Almighty (Qur'an 20:133) and a clear evidence (Qur'an 61:6) attesting the veracity of the prophethood of both Jesus(as) and Muhammad(saw). This will explain to us why there were Jews in Judea who knew what time or year Jesus(as) will arrive on earth; and why there were Jews in Yathrib Arabia who knew what time or year Muhammad(saw) will emerge as Messenger of God.
