Heart of Darkness - Joseph Conrad 2021-02-16
"One evening as I was lying flat on the deck of my steamboat, I heard voices approaching-and there were the nephew and the uncle strolling along the bank. I laid my head on my arm again, and had nearly lost myself in a doze, when somebody said in my ear, as it were: 'I am as harmless as a little child, but I don't like to be dictated to. Am I the manager-or am I not? I was ordered to send him there. It's incredible.' ... I became aware that the two were standing on the shore alongside the forepart of the steamboat, just below my head. I did not move; it did not occur to me to move: I was sleepy. 'It is unpleasant,' grunted the uncle. 'He has asked the Administration to be sent there,' said the other, 'with the idea of showing what he could do; and I was instructed accordingly. Look at the influence that man must have. Is it not frightful?' They both agreed it was frightful, then made several bizarre remarks: 'Make rain and

fine weather-one man-the Council-by the nose'- bitsof absurd sentences that got the better of my drowsiness, so that I had pretty near the whole of mywits about me when the uncle said, 'The climate may do away with this difficulty for you. Is he alonethere?' 'Yes, ' answered the manager; 'he sent his assistant down the river with a note to me in theseterms: "Clear this poor devil out of the country, and don't bother sending more of that sort. I hadrather be alone than have the kind of men you can dispose of with me." It was more than a year ago.Can you imagine such impudence!' 'Anything since then?' asked the other hoarsely. 'Ivory, ' jerked thenephew; 'lots of it-prime sort-lots-most annoying, from him.' 'And with that?' questioned theheavy rumble. 'Invoice, ' was the reply fired out, so to speak. Then silence. They had been talkingabout Kurtz."I was broad awake by this time, but, lying perfectly at ease, remained still, having no inducementto change my position. 'How did that ivory come all this way?' growled the elder man, who seemedvery vexed. The other explained that it had come with a fleet of canoes in charge of an English halfcaste clerk Kurtz had with him; that Kurtz had apparently intended to return himself, the stationbeing by that time bare of goods and stores, but after coming three hundred miles, had suddenlydecided to go back, which he started to do alone in a small dugout with four paddlers, leaving thehalf-caste to continue down the river with the ivory. The two fellows there seemed astounded atanybody attempting such a thing. They were at a loss for an adequate motive. As to me, I seemed tosee Kurtz for the first time. It was a distinct glimpse: the dugout, four paddling savages, and the lonewhite man turning his back suddenly on the headquarters, on relief, on thoughts of home-perhaps;setting his face towards the depths of the wilderness, towards his empty and desolate station. I didnot know the motive. Perhaps he was just simply a fine fellow who stuck to his work for its ownsake. His name, you understand, had not been pronounced once. He was 'that man.' The half-caste, who, as far as I could see, had conducted a difficult trip with great prudence and pluck, wasinvariably alluded to as 'that scoundrel.' The 'scoundrel' had reported that the 'man' had been veryill-had recovered imperfectly.... The two below me moved away

then a few paces, and strolled backand forth at some little distance. I heard: 'Military post-doctor-two hundred miles-quite alonenow-unavoidable delays-nine months-no news-strange rumours.' They approached again, justas the manager was saying, 'No one, as far as I know, unless a species of wandering trader-apestilential fellow, snapping ivory from the nat

The Joy Luck Club - Amy Tan 2006-09-21

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I

knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

[The Pit and the Pendulum](#) - Edgar Allan Poe 2020-08-26

It is almost impossible to escape the Spanish Inquisition alive. However, Edgar Allan Poe's unnamed narrator, after suffering innumerable tortures upon his body and soul in the hands of his tormenters, sees the light of the day at the very end of his sanity's tether. Even despite the lack of supernatural elements, "The Pit and the Pendulum" (1842) has enjoyed and influenced several notable movie adaptations. Animations such as *The "Flintstones"*, TV series like *"Crime Scene Investigation"*, to films like Roger Corman's *"The Pit and the Pendulum"* (1961), starring Vincent Price and some torture methods found in the "Saw" franchise, the story's famous pendulum scene is a rather fruitful source of inspirations. Yet, despite the terrific torments,

the story focuses primarily on how terror is implicitly depicted through the workings of the mind. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).

[How to Read Literature Like a Professor Revised](#) - Thomas C. Foster 2014-02-25

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. *How to Read Literature Like a Professor* helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

An Occurrence at Owl Creek Bridge -

Ambrose Bierce 2019-12-11

"An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce. Described as "one of the most famous and frequently anthologized stories in American literature", it was originally published by *The San Francisco Examiner* on July 13, 1890, and was first collected in Bierce's book *Tales of Soldiers and Civilians* (1891). The story, which is set during the American Civil War, is known for its irregular time sequence and twist ending. Bierce's abandonment of strict linear narration in favor of the internal mind of the protagonist is an early example of the stream of consciousness narrative mode. Peyton Farquhar, a civilian and plantation owner, is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War. Six military men and a company of infantrymen are present, guarding the bridge and carrying out the sentence. Farquhar thinks

of his wife and children and is then distracted by a noise that, to him, sounds like an unbearably loud clanging; it is actually the ticking of his watch. He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands, but the soldiers drop him from the bridge before he can act on the idea. Famous works of the author Ambrose Bierce: "A Psychological Shipwreck", "Killed at Resaca", "An Inhabitant of Carcosa", "One of the Missing", "A Tough Tussle", "An Unfinished Race", "One of Twins", "A Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger's Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".

The Allegory of the Cave Plato 2021-01-08

The Allegory of the Cave, or Plato's Cave, was presented by the Greek philosopher Plato in his work *Republic* (514a-520a) to compare "the effect of education (παιδεία) and the lack of it on our nature". It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates, narrated by the latter. The allegory is presented after the analogy of the sun (508b-509c) and the analogy of the divided line (509d-511e). All three are characterized in relation to dialectic at the end of Books VII and VIII (531d-534e). Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives, facing a blank wall. The people watch shadows projected on the wall from objects passing in front of a fire behind them, and give names to these shadows. The shadows are the prisoners' reality.

Heart of Darkness (Annotated Classic Edition)
Joseph Conrad 2020-04-02

Heart of Darkness centers around Marlow, an introspective sailor, and his journey up the Congo River to meet Kurtz, reputed to be an idealistic man of great abilities. Marlow takes a job as a riverboat captain with the Company, a Belgian concern organized to trade in the Congo. As he travels to Africa and then up the Congo, Marlow encounters widespread inefficiency and brutality in the Company's stations. The native inhabitants of the region have been forced into the Company's service, and they suffer terribly from overwork and ill treatment at the hands of the Company's agents. The cruelty and squalor of imperial enterprise contrasts sharply with the impassive and majestic jungle that surrounds the white man's settlements, making them appear to be tiny islands amidst a vast darkness.

Heart of Darkness and the Secret Sharer -
Joseph Conrad 2008-08-05

In this pair of literary voyages into the inner self, Joseph Conrad has written two of the most chilling, disturbing, and noteworthy pieces of fiction of the twentieth century. Heart of Darkness is a devastating commentary on the corruptibility of humanity. Based on Conrad's own 1890 trip up the Congo River, the story is told by Marlow, the novelist's alter ego. It is a journey into darkness and horror—both literally, as the narrator descends into a sinister jungle

landscape, and metaphorically, as he encounters the morally depraved Mr. Kurtz. The Secret Sharer is the tale of a young sea captain's first command as he sails into the Gulf of Siam—and into an encounter with his mysterious “double,” the shadow self of the unconscious mind. Joseph Conrad boldly experimented with the novella and novel forms, filled his writing with the exotic places he himself had traveled, and concerned himself with honor, guilt, moral alienation, and sin. Heart of Darkness and The Secret Sharer encapsulate his literary achievements—and his haunting portrayal of the dark side of man. With an Introduction by Joyce Carol Oates and an Afterword by Vince Passaro

The Secret Sharer - Joseph Conrad
2018-01-01

"The Secret Sharer" takes place on a sailing ship in the Gulf of Siam (now the Gulf of Thailand), at the start of a voyage with cargo for Britain. The date is probably in the 1880s, when Conrad was at sea himself. In common with many of Conrad's stories, it is narrated in the first person. The narrator is the ship's young captain, whose name is never given. He is unfamiliar with both his ship and his crew, having joined the ship only a fortnight earlier, and unsure of his ability to exert his authority over the officers and crew who have been together for some time. He makes the point several times that he is the "stranger" on board. After being towed downriver (presumably from Bangkok) by a steam tug, the ship is left at anchor near a group of small barren islands a few miles off shore, waiting for wind to begin its voyage. An incoming ship is anchored similarly a couple of miles away, awaiting a tug to go upriver. That night, the captain, being restless, unusually takes the watch. As the only man on deck in the small hours of the morning, he sees that a man has swum up to the ship's side. The naked swimmer is hesitant to talk or come on board, but seems pleased to discover he is speaking to the captain. Once on board, the man introduces himself as Leggatt and he and the captain find a natural rapport, almost as if Leggatt were the captain's other self, especially as the captain has now fetched some of his own clothes for Leggatt to wear. Still on deck, Leggatt explains that he was the First Mate of the other ship, but was placed under arrest after being accused of murdering a crew member. The victim was a disobedient bully. During a storm which nearly sank their ship on their voyage here, Leggatt was physically wrestling with the man to make him to pull a rope when a freak wave threw them both against a bulwark and the man was killed. Leggatt, a "stranger" on the other ship just as the captain is on his, would certainly face the gallows on landing. However, he escaped his

locked cabin and swam between islands to reach the narrator's ship. Though the captain could, and by all the rules should, arrest Leggatt, he instead leads him to concealment in his cabin. The captain has no plan yet, and hiding Leggatt seems impossibly difficult, given that his cabin is regularly serviced by his steward, the problem of food, a captain's movements being conspicuous to all, and the long voyage ahead. In the morning the captain of Leggatt's ship arrives by boat to inquire if the escapee has been sighted. Our captain, not a natural liar, manages to bluff through, but is left terrified as to what his own officers make of his strained behavior....

The Road - Cormac McCarthy 2007-03-20
NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

The Most Dangerous Game - Richard Connell
2020-04-21

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie *The Hunt*. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (*The Telegraph*). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —*Criterion*

Lord of the Flies - William Golding 2003-12-16

This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far

removed from reality as the hope of being rescued.

A Death in the Rainforest - Don Kulick
2019-06-18

“Perhaps the finest and most profound account of ethnographic fieldwork and discovery that has ever entered the anthropological literature.” —*The Wall Street Journal* “If you want to experience a profoundly different culture without the exhausting travel (to say nothing of the cost), this is an excellent choice.” —*The Washington Post* As a young anthropologist, Don Kulick went to the tiny village of Gapun in New Guinea to document the death of the native language, Tayap. He arrived knowing that you can't study a language without understanding the daily lives of the people who speak it: how they talk to their children, how they argue, how they gossip, how they joke. Over the course of thirty years, he returned again and again to document Tayap before it disappeared entirely, and he found himself inexorably drawn into their world, and implicated in their destiny. Kulick wanted to tell the story of Gapuners—one that went beyond the particulars and uses of their language—that took full stock of their vanishing culture. This book takes us inside the village as he came to know it, revealing what it is like to live in a difficult-to-get-to village of two hundred people, carved out like a cleft in the middle of a tropical rainforest. But *A Death in the Rainforest* is also an illuminating look at the impact of Western culture on the farthest reaches of the globe and the story of why this anthropologist realized finally that he had to give up his study of this language and this village. An engaging, deeply perceptive, and brilliant interrogation of what it means to study a culture, *A Death in the Rainforest* takes readers into a world that endures in the face of massive changes, one that is on the verge of disappearing forever.

An ode to Put the Damn Guns
Down, this is New York Times bestselling author
Jason Reynolds's electrifying novel that takes
place in sixty potent seconds—the time it takes a
kid to decide whether or not he's going to
murder the guy who killed his brother. A
cannon. A strap. A piece. A biscuit. A burner. A
heater. A chopper. A gat. A hammer A tool for
RULE Or, you can call it a gun. That's what
fifteen-year-old Will has shoved in the back
waistband of his jeans. See, his brother Shawn
was just murdered. And Will knows the rules. No
crying. No snitching. Revenge. That's where
Will's now heading, with that gun shoved in the
back waistband of his jeans, the gun that was his
brother's gun. He gets on the elevator, seventh
floor, stoked. He knows who he's after. Or does
he? As the elevator stops on the sixth floor, on
comes Buck. Buck, Will finds out, is who gave
Shawn the gun before Will took the gun. Buck
tells Will to check that the gun is even loaded.
And that's when Will sees that one bullet is
missing. And the only one who could have fired
Shawn's gun was Shawn. Huh. Will didn't know
that Shawn had ever actually USED his gun.
Bigger huh. BUCK IS DEAD. But Buck's in the
elevator? Just as Will's trying to think this
through, the door to the next floor opens. A
teenage girl gets on, waves away the smoke
from Dead Buck's cigarette. Will doesn't know
her, but she knew him. Knew. When they were
eight. And stray bullets had cut through the
playground, and Will had tried to cover her, but
she was hit anyway, and so what she wants to
know, on that fifth floor elevator stop, is, what if

Will, Will with the gun shoved in the back
waistband of his jeans, MISSES. And so it goes,
the whole long way down, as the elevator stops
on each floor, and at each stop someone
connected to his brother gets on to give Will a
piece to a bigger story than the one he thinks he
knows. A story that might never know an
END...if Will gets off that elevator. Told in short,
fierce staccato narrative verse, Long Way Down
is a fast and furious, dazzlingly brilliant look at
teenage gun violence, as could only be told by
Jason Reynolds.

In Cold Blood Truman Capote 2013-02-19
Selected by the Modern Library as one of the
100 best nonfiction books of all time From the
Modern Library's new set of beautifully
repackaged hardcover classics by Truman
Capote—also available are *Breakfast at Tiffany's*
and *Other Voices, Other Rooms* (in one volume),
Portraits and Observations, and *The Complete
Stories* Truman Capote's masterpiece, *In Cold
Blood*, created a sensation when it was first
published, serially, in *The New Yorker* in 1965.
The intensively researched, atmospheric
narrative of the lives of the Clutter family of
Holcomb, Kansas, and of the two men, Richard
Eugene Hickock and Perry Edward Smith, who
brutally killed them on the night of November
15, 1959, is the seminal work of the "new
journalism." Perry Smith is one of the great dark
characters of American literature, full of
contradictory emotions. "I thought he was a very
nice gentleman," he says of Herb Clutter. "Soft-
spoken. I thought so right up to the moment I
cut his throat." Told in chapters that alternate
between the Clutter household and the approach
of Smith and Hickock in their black Chevrolet,
then between the investigation of the case and
the killers' flight, Capote's account is so detailed
that the reader comes to feel almost like a
participant in the events.
