Immigration Narratives in Young Adult

Literature - Joanne Brown 2010-12-02

Although the United States prides itself as a nation of diversity, the country that boasts of its immigrant past also wrestles with much of its immigrant present. While conflicting attitudes about immigration are debated, newcomers—both legal and otherwise—continue to arrive on American soil. And books about the immigrant experience—aimed at both adults and youth—are published with a fair amount of frequency. In *Immigration Narrative in Young Adult Literature: Crossing Borders*, Joanne Brown explores the experiences of adolescents as portrayed in young adult novels. Her study features protagonists from a wide variety of religious and ethnic backgrounds in order to provide a complete discussion of the immigration experience of young adults. In this volume, Brown analyzes young adult novels that portray various aspects of the immigrant experience—journeys to the shores of the United States, the difficulties of adjustment, and the tensions that develop within family units as a result of immigration. Brown also examines how ethnicity, religion, and country of origin affect the adolescent characters' adjustment to their new country, as well as the process of moving from social outsiders to accepted citizens. This thoroughly researched book includes theories of

adolescent development and perspectives on immigration itself applied to the literary analyses. It also offers a framework for anticipating the success of young immigrants and relates this analysis to the novels Brown discusses. With an appendix of additional novels for further reading, this book will be a useful resource for librarians and teachers of adolescent literature, as well as for students, both those born in the United States and those who are immigrants themselves.

My Salinger Year - Joanna Rakoff 2014-06-03

A keenly observed and irresistibly funny memoir about literary New York in the late nineties, a pre-digital world on the cusp of vanishing. Now a major motion picture starring Sigourney Weaver and Margaret Qualley After leaving graduate school to pursue her dream of becoming a poet, Joanna Rakoff takes a job as assistant to the storied literary agent for J. D. Salinger. Precariously balanced between poverty and glamour, she spends her days in a plush, wood-paneled office—where Dictaphones and typewriters still reign and agents doze after three-martini lunches—and then goes home to her threadbare Brooklyn apartment and her socialist boyfriend. Rakoff is tasked with processing Salinger's voluminous fan mail, but as she reads the heart-wrenching letters from around the world, she becomes reluctant to send the agency's form response and impulsively begins writing back. The results are both humorous and moving, as Rakoff, while acting as the great writer's voice, begins to discover her own.

A marathon game of dominoes, lasting from early morning to dusk, and involving four men for whom the game is a trigger for social, political and sexual rivalries against a background of colonial unrest. A complacent bailiff and his feckless taxi-driver partner are deserted by their wives for a mixture of personal and idealistic reasons, and the resulting turmoil leads on to murder and suicide as the tensions work themselves out. As well as being a novel of character, *Double Play* offers a powerful picture of colonial and attitudes in the mid-twentieth century.

A History of Literature in the Caribbean James Arnold 1994-09-06

It breaks new ground in establishing a common grid for reading literatures that have been kept separate by their linguistic frontiers. Readers will have access to the best current scholarship on the evolution of popular and literate cultures in the various regions since their earliest emergence. The History of Literature in the Caribbean brings together the most distinguished team of literary Caribbeanists ever assembled, cutting across ideological commitments and critical methods. De man van veel - Karin Amatmoekrim 2021-02-04

In december 1939 wordt een Surinaamse man gedwongen opgenomen in een Haags gesticht. Aanvankelijk lijkt hij - op zijn afkomst na - niet veel anders dan de andere patiënten. In de gesprekken met zijn arts ontwikkelt zich echter een overweldigend beeld van een rijk, misschien wel te rijk, leven van een man die bijna ten onder gaat aan zijn idealen. Anton is banneling, schrijver, staatsvijand van de Nederlandse overheid en zwarte echtgenoot van de witte, Haagse Petronella. In deze opzienbarende roman van Karin Amatmoekrim wordt het waargebeurde verhaal van Anton de Kom, die zijn leven gaf voor het verzet tegen de Duitsers in de Tweede Wereldoorlog, eens en voor altijd uit de vergetelheid gehaald. De man van veel gaat over de waanzin van een man wiens plannen te groot lijken voor deze wereld. Wat houden we over als de werkelijkheid niet strookt met datgene waarvan we dromen? Karin Amatmoekrim (1976) werd geboren in Paramaribo. In 1981 emigreerde ze naar Nederland. Haar autobiografische boek, *Het gym*, werd door pers en publiek juichend ontvangen. Ook *De man van veel*, dat in 2013 voor het eerst verscheen, kreeg lovende kritieken. Haar laatste boek, *Tenzij de vader*, is een memoir over haar vader. 'De man van veel is hoopvol, ontroerend mooi zelfs.' VRIJ NEDERLAND 'Een indrukwekkend portret.' WEGENER **** 'Amatmoekrim heeft al een aantal prachtige boeken op haar naam staan. Dit boek gaat over Anton de Kom, het is ontzettend mooi gedaan, een kijkje in de psyche van de mens.' BOEKENPANEL DWDD

Meaning in History - Karl Löwith 2011-03-31
Modern man sees with one eye of faith and one eye of reason. Consequently, his view of history is confused. For centuries, the history of the Western world has been viewed from the Christian or classical standpoint—from a deep faith in the Kingdom of God or a belief in recurrent and eternal life-cycles. The modern mind, however, is neither Christian nor pagan—and its interpretations of history are Christian in derivation and anti-Christian in result. To develop this theory, Karl Löwith—beginning with the more accessible philosophies of history in the nineteenth and eighteenth centuries and working back to the Bible—analyzes the writings of outstanding historians both in antiquity and in Christian times. "A book of distinction and great importance. . . . The author is a master of philosophical interpretation, and each of his terse and substantial chapters has the balance of a work of art."—Helmut Kuhn, *Journal of Philosophy*

Crevasse - Nicholas Wong 2015-05-26
"Crevasse," Hong Kong-based writer Nicholas Wong's newest collection of poetry, starts with an epigraph from Maurice Merleau-Ponty that notes the impossibility of observing one's own physical body and, therefore, the necessity of a "second," "unobservable" body from which to view one's own. The poems in "Crevasse" seek to uncover the thread connecting these mutually observed and observing bodies. Like Samuel Beckett and others before him, Wong has deliberately chosen to write in a non-native language-English, his second language after Cantonese. Freed from the assumptions and conventions of his mother tongue, Wong strips down, interrogates and ultimately reorients the fragmented complexities of the multiple communities he inhabits-queer, Asian, poet, reader, lover-in a collection of poems that exposes the gap between familiarity and the inevitable distance of the body.

Napoleon the Great - Andrew Roberts 2016-05-27
From Andrew Roberts, author of the Sunday Times bestseller *The Storm of War*, this is the definitive modern biography of Napoleon. It has become all too common for Napoleon Bonaparte's biographers to approach him as a figure to be reviled, bent on world domination, practically a proto-Hitler. Here, after years of study extending even to visits paid to St Helena and 53 of Napoleon's 56 battlefields, Andrew Roberts has created a true portrait of the mind, the life, and the military and above all political genius of a fundamentally constructive ruler. This is the Napoleon, Roberts reminds us, whose peacetime activity produced countless indispensable civic innovations - and whose Napoleonic Code provided the blueprint for civil law systems still in use around the world today. It is one of the greatest lives in world history, which here has found its ideal biographer. The sheer enjoyment which this book will give anyone who loves history is enormous.

Double Blind Edward St. Aubyn 2021-06-01
Double Blind follows three close friends and their circle through a year of extraordinary transformation. Set in London, Cap d'Antibes, Big Sur, and a rewilded corner of Sussex, this

thrilling, ambitious novel is about the headlong pursuit of knowledge—for the purposes of pleasure, revelation, money, sanity, or survival—and the consequences of fleeing from what we know about others and ourselves. When Olivia meets a new lover just as she is welcoming her best friend, Lucy, back from New York, her dedicated academic life expands precipitously. Her connection to Francis, a committed naturalist living off the grid, is immediate and startling. Eager to involve Lucy in her joy, Olivia introduces the two—but Lucy has received shocking news of her own that binds the trio unusually close. Over the months that follow, Lucy's boss, Hunter, Olivia's psychoanalyst parents, and a young man named Sebastian are pulled into the friends' orbit, and not one of them will emerge unchanged.

Expansive, playful, and compassionate, Edward St. Aubyn's *Double Blind* investigates themes of inheritance, determinism, freedom, consciousness, and the stories we tell about ourselves. It is as compelling about ecology, psychoanalysis, genetics, and neuroscience as it is about love, fear, and courage. Most of all, it is a perfect expression of the interconnections it sets out to examine, and a moving evocation of an imagined world that is deeply intelligent, often tender, curious, and very much alive.

Survival in Paradise - Manfred Wolf
2014-04-10

Survival in Paradise: Sketches From a Refugee Life in Curaao is a funny, moving memoir of growing up in the Caribbean West Indies, in the aftermath of World War Two. The narrative covers Manfred's childhood and adolescent years in Suriname and Curacao between 1942 to 1951, focusing on his development between the ages of eight and seventeen. In doing so, it renders through specific moments the long, sad shadow cast by the war over the refugees. In Curacao, the Wolf family's life was shaped by three occasionally clashing cultures: colonial Dutch, native Curaaoan, and, of course, the refugee culture itself. The family found itself surrounded by a joyous tropical culture, one to which, as a boy, Manfred yearned to belong. Meanwhile, his parents, each in their own way, brooded about the horrors so recently experienced and never fully left behind.

The Seventh Child - Erik Valeur 2014

Winner of the 2012 Glass Key Award given by the members of the Crime Writers of Scandinavia All the best homes are by the water, or so the matron of Kongslund Orphanage tells her small charges. But at this particular house by the sea, not all is as it appears. On September 11, 2001, on a desolate beach on the outskirts of Copenhagen, police begin investigating the strange death of an unidentified woman. Surrounding the body are what appear to be offerings to the deceased: a book, a small noose, a dead golden canary, a linden tree branch, and a photo of the Kongslund Orphanage. As the police puzzle over their bizarre findings, the Twin Towers fall in walls of flame and the case is quickly overshadowed by the terror half a world away. Years later, as the sixtieth anniversary of

the matron's reign at Kongslund approaches, identical anonymous letters are sent to six of the home's former residents, hinting at a cover-up that has allowed Denmark's most influential to hide away their dirty secrets and keep their grip on power. As one tenacious reporter hunts for clues, he begins to unravel the true parentage of some of Kongslund's "orphans." Can he figure out who is sending the mysterious letters and who murdered the woman on the beach years earlier before it is too late?

It is the late twenty-first century, and Momo is the most celebrated dermal care technician in all of T City. Humanity has migrated to domes at the bottom of the sea to escape devastating climate change. The world is dominated by powerful media conglomerates and runs on exploited cyborg labor. Momo prefers to keep to herself, and anyway she's too busy for other relationships: her clients include some of the city's best-known media personalities. But after meeting her estranged mother, she begins to explore her true identity, a journey that leads to questioning the bounds of gender, memory, self, and reality. First published in Taiwan in 1995, *The Membranes* is a classic of queer speculative fiction in Chinese. Chi Ta-wei weaves dystopian tropes—heirloom animals, radiation-proof combat drones, sinister surveillance technologies—into a sensitive portrait of one young woman's quest for self-understanding. Predicting everything from fitness tracking to social media saturation, this visionary and sublime novel stands out for its queer and trans themes. *The Membranes* reveals the diversity and originality of contemporary speculative fiction in Chinese, exploring gender and sexuality, technological domination, and regimes of capital, all while applying an unflinching self-reflexivity to the reader's own role. Ari Larissa Heinrich's translation brings Chi's hybrid punk sensibility to all readers interested in books that test the limits of where speculative fiction can go.

Summer House with Swimming Pool - Herman Koch 2014-06-25

When a medical procedure goes horribly wrong and famous actor Ralph Meier winds up dead, Dr Marc Schlosser needs to come up with some answers. After all, reputation is everything in this business. Personally, he's not exactly upset that Ralph is gone, but as a high profile doctor to the stars, Marc can't hide from the truth forever. It all started the previous summer. Marc, his wife, and their two beautiful teenage daughters agreed to spend a week at the Meier's extravagant summer home on the Mediterranean. Joined by Ralph and his striking wife Judith, her mother, film director Stanley Forbes and his much younger girlfriend, the large group settles in for days of sunshine, wine tasting, and trips to the beach. But when a violent incident disrupts the idyll, darker motivations are revealed, and suddenly no one can be trusted. As the ultimate holiday soon turns into a nightmare, the circumstances surrounding Ralph's (later) death begin to reveal the disturbing reality behind that summer's tragedy. Featuring the razor-sharp humour and acute psychological insight that made *The Dinner* an international phenomenon, *Summer House with Swimming Pool* is a controversial, thought-provoking novel that showcases Herman Koch at his finest. Herman Koch was born in 1953. He is a successful actor, screenwriter and columnist in the Netherlands, and has written a number of satirical novels, including *The Dinner* (2011) which became an international bestseller. *The Dinner* was adapted for stage and screen in the Netherlands. An English-language film adaptation starring Richard Gere, Steve Coogan, Laura Linney and Chloë Sevigny is in production. 'Herman Koch has a knack for asking the right simple questions that threaten to completely unhinge who we are and what holds us together. As in his previous novel, *The*

Dinner, you'll wonder how far you would go for your children, and again you'll wonder what you might be capable of once the rules have been broken. But *Summer House with Swimming Pool* is more assured and complete and immersive. Viciously funny, tense, and disturbing, this is one vacation you won't forget.' David Vann 'Summer House [with Swimming Pool] is a dark satire, scalpel-sharp and more cohesive than *The Dinner*, with a more complex unreliable narrator, a compelling structure, and a sutured but festering wound of themes.' Weekend Australian 'Even in translation from Dutch, there's no false note...The ending is tantalisingly ambiguous. What is clear is that Schlosser, with his scepticism and suspicion, has built his own dark universe. A world that is both disturbing and engrossing, to which we are granted a privileged view, from a merciful distance.' Saturday Paper 'This is a masterfully wrought, wickedly witty tale of sexual attraction, ambition, lewdness and deception...*Summer House with Swimming Pool* is an engrossing read written in a style that flows easily yet sneaks up to pack quite a punch.' 4.5 stars Good Reading 'Just as he did in his bestseller, *The Dinner* (2013), Dutch novelist Koch tells a sinister tale through the eyes of a questionable narrator...Koch's deft and nuanced exploration of gender, guilt, and vengeance make his second novel to be translated into English an absorbing read.' Booklist 'Another rich stew of language, character and cynicism from the author of *The Dinner*.' Shelf Awareness
