At the Marcia Blaine Academy she takes a select group of girls under her wing. Spellbound by Miss Brodie's unconventional teaching, these devoted pupils form the Brodie set. Music's Meanings - Philip Tagg 2013-03-03

"In addressing a pedagogical problem —how to talk about music as if it meant something other than itself — Philip Tagg raises fundamental questions about western epistemology as well as some of its strategically mystifying discourses. With an unsurpassed authority in the field, the author draws on a lifetime of critical reflection on the experience of music, and how to communicate it without resorting to exclusionary jargon. This is a must-read book for anyone interested in music, for whatever reason: students, teachers, researchers, performers, industry and policy stakeholders, or just to be able to talk intelligently about the musical experience." (Prof. Bruce Johnson)
