Originally a Brit, Caroline Cienki has fond memories of vacations spent in the rural North of England with her grandparents, where she learned to love the countryside. She now lives in the US, and calls Texas her home along with her husband, two children and three fun-loving doggies. Among her current passions are home-making, travel and spiritual formation. The God Chair is her first children's book.

**Knowing Yourself Knowing God** - John Shackelford 2015-10-13

Dr. John Shackelford, Christian psychologist, wants to help you know yourself. Your journey starts with being honest about your life and what you have been through - the good and the bad - and considering how it has affected you. He then offers three personality systems which have helped him and which can help you know yourself better: Myers-Briggs, ego states, and Enneagram. While there may be no one exactly like you, there are many people with whom you share personality traits. The Myers-Briggs has sixteen types. You will fit one of those. The Enneagram offers nine types. You will see yourself in one of these. The Enneagram adds value as it describes the deeper dynamics which limit you. This knowledge helps you move beyond your ingrained way of living life, i.e. your ego-life. Learning about yourself can be fun at times, and hard at times. You will come to see your strengths and weaknesses more clearly. Dr. Shackelford also offers chapters on the ego, the False Self and the True Self. In your life you go through painful experiences where you flounder and fail (collapse of False Self). This life crisis, though difficult, can be a portal from your ego-run-life, to a healthy dependence on God, what the book refers to as a God-Led-Life. The author shares his own story of collapse and how he found God in a new way, despite being a Christian for years. Actually, knowing yourself better proves to be quite helpful in knowing God better and trusting Him to be the Lord of your life. In the second part of the book, Dr. Shackelford offers three chapters toward knowing God better: God's Gift, God's Will, and God's Desire. This can serve as a foundation for beginning to "pursue God." The last section of the book is very personal. It is the story of six individuals who made a consistent effort to pursue God and journal their experiences. The reader can see how these six Christians moved from an Ego-Led-Life to a God-Led-Life. On this journey life becomes less about striving for love or significance, and more about knowing and following God/Jesus. As one's identity becomes secure in the unconditional love of Christ, the believer understands that life is not about what we can do for God, but about what He has done for us. This book was written to increase awareness of self and God, so that one may in humility accept the riches of knowing Christ in a intimate way. Following Him flows from deep attachment, gratitude, and having learned to hear His voice. The reader may come to better understand St. Paul who said, "I have been crucified with Christ and I no longer live, but Christ lives in me." Galatians 2:20 NIV.

Conversations with God for Teens - Neale Donald Walsch 2012-10-01

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal

conduit, showing teenagers how easy it is to converse with the divine.

When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

*Tree of Life* Nigel Shindler 2015-01-14

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

**Life with God** - Richard J. Foster 2010-05-04

Too often, our study of the Bible focuses on searching for specific information or some formula that will solve our pressing needs of the moment. But what if we approached the Bible differently, and instead of transforming the text to meet our needs, allowed it to transform us? That's exactly the idea behind Life with God, Richard J. Foster's much-anticipated book on the Bible. Foster, bestselling author of Celebration of Discipline and general editor of The RenovarÉ Spiritual Formation Bible, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible is all about human life "with God." As we read Scripture, we should consider how exactly God is with us in each story and allow ourselves to be spiritually transformed. By opening our whole selves—mind, body, spirit, thoughts, behavior, and will—to the page before us, we begin to grasp all the Bible has to teach about prayer, obedience, compassion, virtue, and grace and apply it to our everyday lives to achieve a deeper relationship with God. With a wealth of examples and simple yet crucial insights, Life with God is an indispensable guide to approaching the Bible through the lens of Christian spiritual formation, revealing that reading the Bible for interior transformation is a far different endeavor than reading the Bible for historical knowledge, literary appreciation, or religious instruction.

*Prayers by a Prisoner* Aubrey Lee Price 2017-05-08

As disappointing and difficult as your incarceration may be, there is always hope and a spiritual solution. In your desperation, take time to be still, put your anxieties to rest and draw close to God. He is very near and will meet you at your point of need. This book will help you discover that the God of all comfort is near to the brokenhearted and discouraged. God will turn your despair into hope, your darkness into light, and your doubts into faith. What other prisoners have written about Prayers by a Prisoner: "Price puts our deepest questions about walking with God through this darkness into perspective. Every prisoner must read this book." Jason Chapman, federal prisoner "I've been arrested forty nine times and have read many books in jail and prison. I've read this book three times already, and I feel like I need to read it again and again. This book on prayer helped me understand that God loves me no matter what I've done." Terry Buck, federal prisoner "After struggling with years of depression, bad decisions and lots of prison time, chapter twelve has changed my entire thought process. If you read nothing else, read chapter twelve. Chapters fourteen and fifteen are very powerful too!" David McNutt "After over thirty arrests and being in and out of jail since I was thirteen, this book helped me finally understand why I am making so many impulsive and irrational decisions. I did not understand that God loved me this way. My life is now being transformed." Johnny Hill, federal prisoner From the Introduction: I want to explain that I am a fellow struggler in Christ. I am not infallible, and thankfully, I have abandoned the God complex. My flaws and mistakes are obvious, and I say along with the apostle Paul that I am the chief of all sinners. This book is not about any extra ordinary knowledge or insight that I have attained. It is simply about the practices and habits that God has led me to develop to make the most of my time in prison and the remainder of my life. I am a learner, an avid reader, and a lifelong student of contemplative prayer. I am always asking God to make the necessary changes that He knows I need to implement in order for me to conform to the image of Christ. Just because I am a Christian does not mean I am without troubles, pain and suffering. We all know the affliction and darkness we experience in prison. We have been through the inhumane, harsh and brutal process of eternal condemnation. We are alienated, isolated and despised by society. Our names have become a reproach. The odds of any kind of comeback are stacked against us. The world looks upon us as pariah and with contempt. Many of us are rejected and forsaken, and we wrestle with feelings of deep loneliness, abandonment and overwhelming regret. We wonder if there is any hope. The good news is that Jesus repeatedly gave dignity back to the despised. Others may look at us with scorn, but Jesus makes us human again. Here is the bottom line: God knows every thought we have ever had, every step we've ever taken, and every word we've ever spoken. He knows the intentions of our hearts. He knows all the things we've seen and done that make us want to run, hide, and even die. And yet, He still loves us. Jesus is a friend and lover of sinners like you and me, and there is nothing we can do to make Him stop loving us. He meets us where we are. He disciplines and corrects us when necessary. He forgives our past. He overwhelms us with His love, and He gives us an eternal home in

Heaven. Nothing can separate us from His infinite love. Because of this, we can say along with the Psalmist, "I will not die, but live, and tell of the works of the Lord. The Lord has disciplined me severely, but He has not given me over to death (Psalm 118:17-19)." Included as a supplement is a five chapter preview of my memoir, *Hope Is Not My Enemy*, which details my life story and the failure of my securities business and MBT Bank.

[A Man Approved of God](#) David J. Keyser 2007-10

David J. Keyser, Ph.D. \*\* Christian Theology \*\* This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for too long. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. [Conversations with God, Book 4](#) - Neale Donald Walsch 2018-08-23

We're in Trouble. But There Is Help . . . If We Listen. In the middle of the night on August 2, 2016, Neale Donald Walsch found himself drawn into a new and totally unexpected dialogue with God in which he suddenly faced two questions: Is the human race being offered help by Highly Evolved Beings from Another Dimension? Is there a key role that humans are being invited to play in advancing their own evolution by joining in a mutual mission to assist the planet during the critical times ahead? He was told that the answer to both questions is yes. Then he was given 16 specific examples of how Highly Evolved Beings respond to life differently than humans do--and how adopting even a few of those behaviors could change the course of world history for the better forever. That information makes up the body of this work. A striking invitation to every reader sets the stage for the extraordinary explorations that follow. Picking up where Book 3 in the *Conversations with God* Trilogy series left off, the revelations about Highly Evolved Beings and about how ordinary humans can answer the call to help awaken the species on Earth will breathtakingly expand your view of both your personal and your collective future. Which is exactly what the dialogue was intended to do.

[Restoring the House of God](#) - Frank Madison Reid 2000

A thief has quietly crept into our churches. This thief has robbed us blind and most of us do not even realize it. Most of what our Lord wants for us has been taken from us by a "spirit of religion". This spirit has caused us to become a self-centered, flesh-serving institution instead of the life-giving, hope-building, Christ-filled Body that Jesus wants to build. Our only hope of reconnecting with our Lord and the culture around us is to

return to the Lord Himself. He will build His own Church, with much less help from us than we realize. This book shows the power of restoring the Church by restoring the intimacy of relationship with our Lord and then with the people God has put into our lives.

[365 Life-Changing Scriptures Day by Date](#) - Katheryn Maddox Haddad 2015-08-22

We all want our life to change for the better. These 366 inspirational daily devotionals were written for that purpose. You will notice that the date coincides with the chosen scripture. For example, the scripture for February 7 (2/7) is Proverbs 2:7. The Scripture for February 8 (2/8) is Genesis 2:8. They were written to be a guide for the rest of the day. If you prefer to read them at night, just read the devotional for the next day. These inspirational messages have endured the test of time. They have been sent on a daily basis for some ten years to around 30,000 people worldwide over the internet. While the author plans to continue this practice, some people prefer to have them all together in book format since the internet is not always available or convenient. God bless you and God bless us all on our journey day by date to arrive some day in the future at our Glory Home.

[Experiencing God at Home](#) - Richard Blackaby 2013-05-01

*Experiencing God at Home* takes a fresh path back into the rich roots of Henry Blackaby's world-renowned *Experiencing God* writings to connect what happens in our homes to what happens in our churches. Here, his sons Tom and Richard Blackaby first establish the biblical case for the idea of experiencing God at home, illuminating how the clear foundation for God's work in nations and churches around the world is his work in families. Indeed, healthy families lead to healthy churches, and the Blackabys illustrate that through real-life stories of families that have found ways to experience God in marriage, in choosing life's direction, in rescuing broken relationships, in forgiveness, in the salvation of loved ones, etc. Lessons from the Bible support these moving accounts, and the book concludes with resources that will guide individuals families as well as entire churches toward practically experiencing God at home.

[Nothing But the Truth So Help Me God](#) Band of Wives 2012-10-30

[The Home of God](#) - Miroslav Volf 2022-09-27

We live in the midst of a crisis of home. It is evident in the massive uprooting and migration of millions across the globe, in the anxious nationalism awaiting immigrants in their destinations, in the unhoused populations in wealthy cities, in the fractured households of families, and in the worldwide destruction of habitats and international struggles for dominance. It is evident, perhaps more quietly but just as truly, in the aching sense that there is nowhere we truly belong. In this moment, the Christian faith has been disappointingly inept in its response. We need a better witness to the God who created, loves, and reconciles this world, who comes to dwell among us. This book tells the "story of everything" in which God creates the world as the home for humans and for God in communion with God's creatures. The authors render the story of creation, redemption, and consummation through the lens of God's homemaking work and show the theological fruit of telling the story this way. The result is a vision that can inspire creative Christian living in our various homes today in faithfulness to God's ongoing work.

[Freedom, Glorious Freedom](#) - John J. McNeill 2009

In *Freedom, Glorious Freedom*, acclaimed author John J. McNeill shows how lesbian and gay Christians can achieve full spiritual maturity and self-acceptance. McNeill discusses freedom of conscience and discernment of spirits, ancient teachings of the Christian church that have a special urgency for lesbian and gay people who need to free themselves from all the homophobic authorities and deal with God on a direct and personal basis. The liberating process of coming out of the closet is seen as a spirit-filled effort to achieve the glory of God by becoming fully alive. McNeill offers a twelve-step spirituality as a spiritual process of liberation from all addictions in order to experience the love of God in its fullness. The epilogue expresses in detail a philosophical vision, looking both to the past and to the future, of how gay liberation fits into the Spirit-directed evolution of human history and its role in the ongoing struggle for human liberation. For more than thirty-five years, John J. McNeill, an ordained priest and psychotherapist, has been devoting his life to spreading the good news of God's love for lesbian and gay Christians.

[Inspirational Living](#) - Neale Donald Walsch 2007

*On Achieving Physical, Mental & Spiritual Wellbeing* I have learned about life that when we live wholly, we live holy. I have been searching for ways to live my life as a whole person, as an integrated being, for 25 years. The first thing I came to understand was that, if I am to live an

integrated life, I must become far more integrated with my environment. That is, I must become one with it, and treat it as if it were a part of me, not something from which I was separate, and which was separate from me. Holistic living means being aware that I am part of a whole system, a whole idea, a whole reality, and that everything I think, say, and do affects that reality indeed, at some level, creates it.

*Heading Home With God* - Jim McGuigan 2011-04

In this ground breaking study of the power of forgiveness, R.A. Clark, an award-winning educator and life coach, challenges not only what you thought that you knew about forgiveness, but also questions the heavy emotional price that you are willing to pay to live without it. In a world where it is hard to love and there is so much to hate, finally somebody will tell the truth about the lies that we tell ourselves about forgiveness. Including... - Why you should never forgive and forget? - When is the right time to forgive anyone for anything? - Why your "silence" maybe slowly destroying your family? - The only biblical way that there is to forgive anyone. - Also, discover just who is the one person that you should always forgive, even when your heart tells you not to. Prepare yourself. **What God Wants** - Neale Donald Walsch 2010-12-14

Be careful. This book is dangerous. It explores with startling freshness the most important question you could ever ask, and offers with breathtaking courage the most extraordinary answer you could ever imagine. That answer is so theologically revolutionary and so spiritually empowering that it could change the course of human history. If embraced, it most certainly will change your life. There are people and institutions in the world, long in place and long in power, that want neither of these outcomes to occur. They would rather that you put this book down right now. It's up to you.

**The Gospel Messenger, #1** - Galen Shotts 2015-12-16

Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

**Communion with God** - Neale Donald Walsch 2002-10-01

Neale Donald Walsch has changed the way the world thinks about God. His books have been translated into twenty-five languages, and his Conversations With God series, book 1, book 2, and book 3, have all been New York Times bestsellers-book 1 for over two years. In the Conversations books, Walsch shared with his readers the beginning of a sacred relationship, as he began an exchange with God on everything from love and faith, to life and death, and good and evil. And then, as Walsch recounted in Friendship with God, something else extraordinary began to happen. His relationship with God began to strengthen and deepen, just as our own relationships do, into a friendship. Now in Communion with God, his most richly intimate book yet, Walsch discovers how to elevate that friendship to a state of communion. In this blueprint for seekers, he reveals The Ten Illusions of Man-the misconceptions we hold about ourselves and our world and our God. He describes with striking clarity how we might heal the great divide that has arisen from these illusions. And as he explores the true meaning of bringing God into our everyday lives, of having the courage of our convictions. Walsch shows us that we can only break free from our illusions when we act always from a place of deep fellowship with all that is holy-a place of communion with God.

**Islam** - Adeel Zeerak 2012-09-01

One of the largest and fastest-growing religions, Islam is currently practiced by approximately one-fifth of the world's population. Unlike most religions that only consist of acts of worship, rituals, and a set of beliefs, it also offers a just socio-politico-economic system, which is especially important today as we continue to make significant material and scientific progress. However, although it presents real solutions to problems faced by the whole of mankind, factors such as worldwide media propaganda and the current condition of the Muslim community have seriously distorted the public image of Islam. Adeel Zeerak hopes that his book Islam: A Superior System of Life will help change all that. He says that after careful study, even those with non-Muslim unprejudiced minds will appreciate the beauty of his religion's teachings. To prove the superiority of Islamic system over other systems, he provides concrete data obtained from authentic sources and refrains from using boastful or exaggerative language. Chapters in Islam: A Superior System of Life include: • This is Islam • Characteristics of the Islamic System • Spiritual System • Social System • Economic System •

Political System • The Prophet, peace be upon him, the Message, and the Ummah “Despite commendable progress in the field of science and technology, this world is full of evil, exploitation, and injustice,” says Zeerak, who believes any effort to find a solution to our problems continually fails because we choose to ignore the light of Divine Guidance. We all know what happened to prophet Noah's people when they rejected this guidance, but we, thankfully, still exist in this world to follow our Lord and accept Islam. Written for the Muslim and non-Muslim, *Islam: A Superior System of Life* is for readers interested in Islam, the prophet Muhammad (PBUH), the Islamic view of women, the concept of Khilafat, Islamic finance, Islamic spirituality, and Islamic history. The author promises that our obedience to Allah, subhanahu wa-ta'ala, will result in endless favors and blessings both in this world and

the hereafter.
