The Word of God - Jan-Marie Davis 2017-09-12

Have you ever wondered if God is real? Do you think about what happens after we leave the realm of the living? Are you curious about what really happens to your loved ones, when they pass over? The first time God actually spoke to me through a psychic channeller, I dropped to my knees in shock and disbelief. God's voice was so distinct and truly unmistakable! I was so humbled by this first encounter; that it took years of talking to God, to come to terms with this new reality. I kept thinking, how is this even possible? Then God asked me to write this book. How could I refuse? In this book, you'll learn how to: - Talk to God - Live with

a joyful heart - Learn from every situation - Discover your true purpose in life - Communicate with loved ones in the spirit world - Use practical tools to help you solve any dilemma - Shift your perception and view the world in a different way The Word of God is written in simple and concise language. Realm Walkers have the special ability to clearly communicate between the spirit world, otherworldly realms and this world. They can talk to God, Jesus, spirits, angels, guardians and any other beings from the light they choose, who are all just on the other side of the psychic veil. It was their amazing talent and faith throughout the years that inspired me to write about The Word of God. I cannot keep this amazing wisdom that comes from God all to myself. That would be selfish and I am learning to be selfless. This needs to be shared with everyone and God wants you to receive The Word of God. Every gender, every race, every culture, every faith, every belief system that exists including all of the creatures great and small, would live such a meaningful life if they acknowledged their divine heritage and took the opportunity to reconnect with the Creator. To deny the existence of our Creator is only hurting yourself and you may find yourself stuck in a loop until you come to the realisation that the Universe was created by an intelligent life force that we each have a

different name for. No two beings see the Universe in the same way, but one consistent factor at the heart of every soul is the Source of all love and light, our beloved Creator. The simple lessons presented in The Word of God are timely, important and give humanity a clear path forward to help them live in peace & harmony with God's creation. Close Encounters with God presents a study of multiple close encounters with Yahweh, the name of God in Hebrew Scripture. These encounters enable us to have a clearer portrayal of the self-revealed God, one who is different from the conceptualized deity envisioned through such means as transcendental meditation, vision quest, or mystical rapture. By rediscovering the true personality of the self-revealed God, we will be able to understand the great mysteries of the universe that have baffled mankind for millennia. Why do the blameless suffer? Why does evil persist in the world? Why do the wicked prosper? Must the chosen people suffer the destiny of martyrdom? And why should Yahweh remain the hidden God?

God's Presence Has a Profound Impact On Us - Bill Vincent 2021-11-22

Many individuals believe in God and believe that God is present everywhere, but they have not yet had the opportunity to experience his presence in their lives. What did God's contact with Moses at the burning bush mean for him and his people? What impact did it have on his life and his understanding of God? Exactly what is it that prevents you from feeling his presence in your life? What if I were to tell you that a brief encounter with God may transform your life? All around us, we can see that the Church is in serious need of a renewed sense of awe for God.

I've learned a lot about the presence of God after authoring five books on the subject. You need more of God, no matter where you are in your relationship with Him. Your appetite for God's presence in His Presence will be whetted by this book, I pray. In today's world, does God still use the supernatural to affect people's lives? What happens when God has his hands on a human being? What are some of the life-altering effects of meeting God? According to Scripture, nothing ever goes back to normal!

Kingdom Spiritual Laws and Principles - Frequency Revelator 2020-04-26

This publication awakens the believer to a myriad of spiritual laws and principles of God which he can take advantage of and enter deeper realms of the spirit. It is worth exploring the divine truth that there are laws and principles that God has put in place by which He governs the universe. These are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit. For example, there is a law of gravity which stipulates that if you throw an object up in the air, it will evidently crash back onto the earth; the law of floatation which allows ships and boats to float on water, the law of aerodynamics that enables aeroplanes to fly and the law of electricity which helps us generate heat and light energy. The reality is that when we operate in obedience to these physical laws within nature, we reap positive results but when we violate them, the repercussions are severe. However, as much as there are physical laws, there are also spiritual laws which are the highest class of laws governing and controlling the entire universe. In the spiritual realm, God has established a court system with laws, principles and divine protocols which functions just like the court system of the natural realm. Just like physical laws, when we cooperate with these spiritual laws, we reap alarming results but when we violate them, we face the consequences. It's a pity that most

people do not understand the operation of these divine laws and protocols, which explains why the devil ends taking advantage of their ignorance, thus gaining a legal foothold that grants him the right to ensnare them into debilitating circumstances of poverty, sickness and defeat. There are certain principles that one can tap into in order to walk into the deeper realities of God's power. Just like there are laws of gravity which governs how to operate in the natural realm, there are also spiritual laws that govern the spirit realm or how to operate in the realm of the miraculous. These laws of the supernatural complement each other and are progressions to enter into the greater depths of God. Each of these laws has a specific manifestation that produces something special. However, it is unfortunate that many believers are failing to operate in the realm of the miraculous because they do not understand spiritual laws and principles which they could take advantage of to generate positive results.

Sodmont answers these questions and more in Kingdom Encounters. Sodmont explains that God not only interacts with mankind to bring about his good purposes, but also holds an incredible love for the people he created. In addition, Sodmont shows that the spiritual world is indeed real and that there is a fierce battle waging between good and evil. The time to grow close to the Lord is now. Power Portals Study Guide - Joshua Mills 2020-11-24

Become a Conduit of God's Power "I encourage you to read Joshua's book, not only to learn about the glory but also to be changed by the glory." —Bill Johnson "This book is boot camp for the next and greatest move of God's Spirit in history." —Sid Roth All Christians are intended to live, move, and operate in the supernatural realm. But many people aren't sure how to enter into this realm—or how to go deeper in the

Spirit. Joshua Mills explains that, much more than sensing what God is doing, we can participate in the supernatural on a daily basis through divine portals, or gates. In this study guide companion to his book *Power Portals*, Joshua clearly shows believers how they can become conduits of God's power. Within a power portal, we may experience a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands, and feet. There are also direct heavenly portals and geographical portals, special places where we can experience the release of God's power. The *Power Portals Study Guide*, which can be used by either individuals or groups, contains some brand-new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Get ready to awaken your connection to the Spirit realm. Get ready to encounter *Power Portals*! Moving in Glory Realms Joshua Mills 2018-09-04

A Blueprint for Revival! Many believers today yearn for an encounter with the supernatural. They hunger to experience the glory of God they've only read about in the Bible. Joshua Mills believes that all Christians are intended to live, move, and operate within what he calls "glory realms." Now Joshua opens up God's glory by explaining the different realms, spheres, and dimensions of the kingdom. He systematically builds a faith framework in which the reader can begin to move into the glory of God with ease. Joshua breaks down our understanding of God's glory into three parts: first, moving in the Spirit, which is about understanding the different dynamics of faith, anointing, and God's glory; second, moving in the supernatural by recalibrating ourselves to heaven's frequency, working with angels, and accessing the highest power of God's glory so that the miraculous dimension begins to manifest; and third, moving in the heavenlies, dealing with spiritual travel and prophetic encounters, manifesting divine abundance, and living in heavenly revelation. Throughout, Joshua shares many unusual and extraordinary testimonies of God's glory working through uncommon signs and wonders, heavenly experiences, angelic appearances, and other manifestations of the miraculous. Through his dynamic teaching and powerful testimonies, Joshua will not only help you understand God's glory, he'll also guide you into experiencing and walking in the glory every day.
