American Psycho - Bret Easton Ellis 2014-12-15

A cult classic, adapted into a film starring Christian Bale. Is evil something you are? Or is it something you do? Patrick Bateman has it all: good looks, youth, charm, a job on Wall Street, reservations at every new restaurant in town and a line of girls around the block. He is also a psychopath. A man addicted to his superficial, perfect life, he pulls us into a dark underworld where the American Dream becomes a nightmare . . . With an introduction by Irvine Welsh, Bret Easton Ellis's American Psycho is one of the most controversial and talked-about novels of all time. The Gospel of Hip Hop KRS-One 2013-04-16

The Gospel of Hip Hop: First Instrument, the first book from the I Am Hip Hop, is the philosophical masterwork of KRS ONE. Set in the format of the Christian Bible, this 800-plus-page opus is a life-guide manual for members of Hip Hop Kulture that combines classic philosophy with faith and practical knowledge for a fascinating, in-depth exploration of Hip Hop as a life path. Known as "The Teacha," KRS ONE developed his unique outlook as a homeless teen in Brooklyn, New York, engaging his philosophy of self-creation to become one of the most respected emcees in Hip Hop history. Respected as Hip Hop's true steward, KRS ONE painstakingly details the development of the culture and the ways in which we, as "Hiphoppas," can and should preserve its future. "The

Teacha" also discusses the origination of Hip Hop Kulture and relays specific instances in history wherein one can discover the same spirit and ideas that are at the core of Hip Hop's current manifestation. He explains Hip Hop down to the actual meaning and linguistic history of the words "hip" and "hop," and describes the ways in which "Hiphoppas" can change their current circumstances to create a future that incorporates Health, Love, Awareness, and Wealth (H-LAW). Committed to fervently promoting self-reliance, dedicated study, peace, unity, and truth, The "Teacha" has drawn both criticism and worship from within and from outside of Hip Hop Kulture. In this beautifully written, inspiring book, KRS ONE shines the light of truth, from his own empirical research over a 14-year period, into the fascinating world of Hip Hop.

Re-Viewing Resistance in Namibian History - Silvester, Jeremy 2015-07-13

Re-Viewing Resistance in Namibian History brings together the work of experienced academics and a new wave of young Namibian historians - architects of the past - who are working on a range of public history and heritage projects, from late nineteenth century resistance to the use of songs, from the role of gender in SWAPO's camps to memorialisation, and from international solidarity to aspects of the history of Kavango and Caprivi. In a culturally and politically diverse democracy such as Namibia, there are bound to be different perspectives on the past, and history will be as plural as the history-tellers. The chapters in this book reflect this diversity, and combine to create a remarkable collection of divergent voices, providing alternative perspectives on the past. Re-Viewing Resistance in Namibian History writes 'forgotten' people into history; provides a reading of the past that reflects the tensions and competing identities that pervaded 'the struggle'; and deals with 'heritage that hurts'.

Easter Is Coming! - 2019-02-01

Mommy and her little ones are settling in for story time, and this time it's the biblical story of Easter that she's telling. As the youngsters hear God's tale unfold with its sometimes somber notes about sin and death, they are softly and continually reminded, "But Easter is coming!" By the end of the book, the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday. In a time when children's Easter excitement often focuses on only egg hunts and candy, this book offers a different—and true—reason for joy and expectancy. It's designed to be read and reread on the days leading up to Easter, telling the greatest story and building a sense of anticipation and celebration in little hearts. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

Music Production - Michael Zager 2012

The guidance of a skilled music producer will always be a key factor in producing a great recording. In that sense, as Michael Zager points out in his second edition of Music Production: For Producers, Composer, Arrangers, and Students, the job of a music producer is analogous to that of a film director, polishing work product to its finest sheen. And this is no small matter in an age when the recording industry is undergoing its most radical change in over half a century. Although innate talent and experience are key elements in the success of any music producer, Music Production serves as a roadmap for navigating the continuous changes in the music industry and music production technologies. From dissecting compositions to understanding studio technologies, from coaching vocalists to arranging and orchestration, from musicianship to marketing, advertising to promotion, Music Production takes readers on a whirlwind tour of the world of music production, letting readers keep pace with this rapidly changing profession. The focus of the second edition is on such topics as the expanded role of music supervisors, the introduction of new production techniques, and the inclusion of new terms in music industry contracts. Including new interviews with eminent industry professionals, Music Production is the ideal handbook for the aspiring music production student and music professional.

Worship His Majesty - Jack W. Hayford 2000

-- All-new, expanded version of the classic book that set the tone for the contemporary worship movement -- The signature book from worship pioneer Jack Hayford, founding pastor of one of the best-known churches in America, The Church On The Way -- Integrity Music will be co-promoting this product along with their music CD of the same title from Jack Hayford. The Father certainly doesn't need our praise, yet He prescribes worship as a daily activity. Why? Because, as pastor Jack Hayford clearly shows us, God graces His people with worship as a gift, not a demand. Worship liberates all of God's people to discover genuine wholeness, but only as they recognize and acknowledge the holiness of God. Hayford examines the lives of more than a dozen biblical figures to illuminate the fulfilling effects of worship -- including seven truths Jesus revealed about the blessings of praise. God's grace fills everything He gives -- and everything He calls us to do. And this same grace overflows in a special and unique way on all of us who humbly and wholeheartedly worship God.

The Nature of Christ - H.H. Pope Shenouda III 1985-01-01

The nature of Christ is a very important subject that caused a serious dissension within the Church in the fifth century, in 451 AD. When the theological dialogue started as an effort towards the unity of churches, the subject had to be discussed. Therefore, our Orthodox Church found it necessary to issue a book which presents its concept in this regard in a language fit for theological dialogues. This subject (the Nature of Christ) was taught by me to the students of the Seminary "St. Mark Theological College" in 1984 in the form of lectures which I delivered to them in St. Bishoy Monastery, Sheheit Desert, as part of the courses of comparative Theology. The lectures were printed merely for the use of the students. The same lectures were afterwards translated into English in Ottawa, Canada, in 1980 and became available in English only for six years... We had to print them in Arabic for the students of the Seminary and its branches and for the benefit of those who are interested in theological studies whether ministers or ordinary individuals.. and whoever has the desire-from other churches to be acquainted with our concept of Christology. The first theological dialogue we attended on this subject was in Vienna, Austria in September 1971 AD convened by the ProOriente Group. In this dialogue we reached a theological formula that was accepted by our Catholic brothers and those in the old Oriental orthodox churches: the Syrians, Arminians, Ethiopians and Indians. It was an important dialogue indeed, for the dissension that occurred in the fifth century had distorted the face of every church before the other.. But now the way is open for a common understanding. Then, there was an official agreement with the Catholic churches after 17 years of differences (since 1988), based on the previous understanding. The agreement was recorded in a concise "Statement" which you will find at the end of this book. There was another dialogue, in more detail, with our brothers in the Byzantine Orthodox Churches in St. Bishoy Monastery, Sheheit Desert in 1989 AD. It was attended by the theologians of twenty Orthodox Churches and was followed by another meeting of the priestly representatives of the Orthodox churches in Chambesy, Geneva, in 1990. Now, seeing it is necessary to make our people acquainted with the details and evidences that prove our concept of the Nature of Christ, and since the Pro-Oriente Group is convening a religious conference for the representatives of all Churches at the end of October 1991 to present to them the Agreed Statement on Christology. And since we were asked to present a paper on the subject and deliver it as a lecture in the conference. Therefore, we proceeded to print the former lectures delivered in the Seminary in 1984 as a book to be presented to the conference and to be available in Arabic and in English for all who are interested. Hymns of the Apostolic Church John Brownlie 2018-06-13

Although most of the poetry and hymns from the Apostolic father is no longer with us, what has been preserved is given here in a beautiful form translated faithfully from the original Greek. The translator is a gifted poet that was awarded high honours for his work on this and other projects. Leaving the task to translate such vivid and real poetry from such a time as we have not seen before could only be handled by a true poet at heart. These hymns will bring you to a time and place where the gospel was being preached boldly and will embolden you to take on the evangelical call to spread the word of our saviour Jesus Christ.
