Anger... Resentment... Guilt... Pain... For millions of people, not every prison comes with a set of bars. That's because at some point, no matter who you are, regardless of your race, creed, religion or even gender, everyone has suffered at the hands of another person. You are not alone. The question is whether this wrong happened two minutes or twenty years ago, whether this person is living or dead, why are you still allowing yourself to suffer because of it? Why is this pain still being allowed to destroy the very relationships that you have with your friends, family, God and even yourself? There is help, but are you ready to accept it? In this ground breaking study of the power of forgiveness, R.A. Clark, an award-winning educator and life coach, challenges not only what you thought that you knew about forgiveness, but also questions the heavy emotional price that you are willing to pay to live without it. In a world where it is hard to love and there is so much to hate, finally somebody will tell the truth about the lies that we tell ourselves about forgiveness. Including... - Why you should never forgive and forget? - When is the right time to forgive anyone for anything? - Why your "silence" maybe slowly destroying your family? - The only biblical way that there is to forgive anyone. - Also, discover just who is the one person that you should always forgive, even when your heart tells you not to. Prepare yourself. This book is the first step in a remarkable journey to help you to become the spouse, parent, and/or friend that you were truly meant to be; the one person that many people wish they were and others only pretend to be.

Catholic God, True God Parker Manning 2022-10-19

Have you ever wondered why Catholics believe in God or who this God is? In his new book, Catholic God, True God, Parker Manning explains just that. He goes through evidence for the existence of God but doesn't stop there. He also argues that this God is the God of the Bible by giving evidence to the most famous Old

Testament stories and New Testament ones. He also goes through supposed errors in the Bible and explains how they are not truly errors. Lastly, and most importantly, he details why Catholics are the only ones who fully understand God. Also, be sure to check out his first book, Fundamentals of Catholic Theology in Just Over 100 Pages. "Parker Manning takes a fresh look at the big topics in Catholic apologetics. He avoids the well-traveled areas in previous works and focuses on the questions that lurk behind the questions - things typically missed by others." * Gary Michuta, author of "The Case for the Deuterocanon" and "Why Catholic Bibles are Bigger"

My Search for the Real Heaven - Steve Hemphill 2009-08

What do you see in your mind's eye when you hear the word 'heaven'? Do you see transparent people

floating on clouds and playing harps? Or do you imagine a perpetual praise and worship service, singing 'Holy, Holy, Holy' for all eternity? This often-promoted Christian view of eternity doesn't even appeal to the saved-much less to the unsaved. But is this the true, biblical picture? Not even close. After his father died, author Steve Hemphill began searching the Bible for glimpses of heaven, anything to give him comfort about his father's new home. My Search for the Real Heavens is the culmination of seven years of studying, meditating, and cross-referencing biblical findings and is unique in its Bible-based evaluation of eternity. Find the real heaven with Steve Hemphill.
