Thinking about Gambling - Harold William Taylor 1972

Mike Matusow: Check-Raising the Devil - Mike Matusow 2012-05-01

The tumultuous rags to riches, fame to fortune, dream to nightmare autobiography of the most volatile and colorful poker player in the world, fan and media favorite Mike “The Mouth” Matusow. This book has it all: drugs, sex, partying like a rock star, jail, suicidal depression, bipolar bouts and world championship poker. Mike “The Mouth” Matusow, one of the top professional poker players in the world (with over \$6 million in tournament earnings) has become more than just a household name. He’s a favorite among the millions of television viewers who have come to count on his outrageously candid comments, emotional outbursts, and constant taunts that affirm the aptness of his nickname and make for great television theatre. A rags-to-riches success story, Matusow’s life

has been as much nightmare as it has been dream. His struggle with undiagnosed bipolar and ADHD disorders led to self-medication with illegal drugs, such as crystal meth and ecstasy, and a tumultuous descent in the drug-fueled Las Vegas club scene. As drug use turned to drug abuse, Matusow’s descent, taking his multi-million dollar bankroll along, went on the downward spiral that led to an arrest for a narcotics buy and the specter of a ten-year prison term (subsequently plea bargained down to a six month jail sentence). The Mouth’s story is a high stakes rollercoaster ride featuring an insider’s view of some of the world’s largest poker tournaments, unbearable depression and suicidal tendencies, the Las Vegas party scene, rock star-like excess, outrageous antics, drug abuse, jail, and, in many ways, salvation. And through the worst of it, Matusow’s phenomenal talent and tenacity prevailed; there was never a year that Mike failed to make a final table in a World Series of Poker event. This memoir is funny, outspoken and brash, while humbly and painfully honest about the highs and lows of poker, life, and the odyssey of overcoming psychological illness in a bastion of pressure and temptation. There is also a foreword by Phil Hellmuth, 11-time World Series of Poker bracelet holder.

REIMAGINING JAPAN - Brian Salsberg 2011-07-12

REIMAGINING JAPAN: Contributors to this volume include some of the world's most brilliant thinkers from fields as diverse as business, politics, academia, science and technology, journalism and art and design. In the aftermath of the earthquake, tsunami and nuclear crisis of March 2011, Japan has become a bigger part of the world's consciousness than it has been for years. But Japan also is grappling with other problems that, over the long run, pose a much greater challenge to its national well-being than the devastation in Tohoku.... How can the country compete with a rising China? Cope with a fast-aging society? Deal with its enormous debt? Rediscover its entrepreneurial verve? Regain its position as a leader in technology and innovation? In Reimagining Japan, McKinsey & Company, the world's top management consulting firm, asked more than 80 global leaders and experts to consider these questions. In essays brimming with insight, affection and occasional humor, the authors offer their assessments of Japan's past, present and --most important-- future. What sets Reimagining Japan apart is the breadth and diversity of its contributors. They range from Fortune 500 CEOs to acclaimed writers (including three Pulitzer Prize winners) to a star videogame creator, a

soccer coach, a school principal and a manga artist. There has not been such a comprehensive book about Japan in the past generation - and perhaps ever. Forensic Investigator - Esther McKay 2009-08-03

FORENSIC INVESTIGATOR Geoff Bernasconi had always been passionate about his job as a policeman in rural New South Wales and, from the earliest days of his career, went the extra mile, both for victims of crime and for their families. But one night in 1984, he was called to investigate the scene of an horrific car accident in which an entire family had been wiped out - and which it was impossible for him to forget. Geoff's day-to-day working life became a catalogue of tragedies, some of which involved people close to him, and he found himself spiralling downwards in the grip of post-traumatic stress disorder. When Esther Mckay, fellow forensic investigator and author of the best-selling Crime Scene, heard that Geoff has been awarded maximum compensation for his suffering, she knew immediately this was a story that needed to be told. This is a harrowing account of what it is like to work on the front-line of crime and tragedy as a forensic investigator. But it is also the inspiring story of someone who has been exposed to sights and experiences many of us can hardly even imagine, yet has emerged from the darkness to begin his journey to recovery.

Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality.
