**Nineteen Eighty-Four** -  
George Orwell 2021-01-09  
"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the

ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

We Beat the Street - Sampson  
Davis 2006-04-20

Growing up on the rough streets of Newark, New Jersey, Rameck, George, and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel *The Pact* is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.

*Shakespeare and Girls' Studies*

- Ariane M. Balizet 2019-11-27

A modern-day Taming of the Shrew that concludes at a high school prom. An agoraphobic Olivia from Twelfth Night sending video dispatches from her bedroom. A time-traveling teenager finding romance in the house of Capulet.

Shakespeare and Girls' Studies posits that Shakespeare in popular culture is increasingly becoming the domain of the adolescent girl, and engages the interdisciplinary field of Girls' Studies to analyze adaptation and appropriation of Shakespeare's plays in the late 20th and early 21st centuries. Through chapters on

film, television, young adult fiction, and web series aimed at girl readers and audiences, this volume explores the impact of girl cultures and concerns on Shakespeare's afterlife in popular culture and the classroom. Shakespeare and Girls' Studies argues that girls hold a central place in Shakespearean adaptation, and that studying Shakespeare through the lens of

contemporary girlhoods can generate new approaches to Renaissance literature as well as popular culture aimed at girls and young people of marginalized genders. Drawing on contemporary cultural discourses ranging from Abstinence-Only Sex Education and Shakespeare in the US Common Core to rape culture and coming out, this book addresses the overlap between Shakespeare's timeless girl heroines and modern popular cultures that embrace figures like Juliet and Ophelia to understand and validate the experiences of girls.

Shakespeare and Girls' Studies theorizes Shakespeare's past

and present cultural authority as part of an intersectional approach to adaptation in popular culture.

**Critical Theory Today** - Lois Tyson 2012-09-10

Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches

to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

*Eat s, Shoot s & Leaves* Lynne Truss 2004-04-12

We all know the basics of punctuation. Or do we? A look at most neighborhood signage tells a different story. Through sloppy usage and low standards on the internet, in email, and now text messages, we have made proper punctuation an endangered species. In *Eats, Shoots & Leaves*, former editor Lynne Truss dares to say, in her delightfully urbane, witty, and very English way, that it is time to look at our commas and semicolons and see them as the wonderful and necessary things they are. This is a book for people who love punctuation and get upset when it is mishandled. From the invention of the question mark in the time of Charlemagne to George Orwell shunning the semicolon, this lively history makes a powerful case for the preservation of a system of printing conventions that is much too subtle to be mucked about with.

**The Lightning Thief** - Rick Riordan 2010-02-02  
Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

**Amusing Ourselves to Death** - Neil Postman 2005-12-27  
What happens when media and

politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." - CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A

brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one.”
