Yeah, reviewing a ebook **promise me defiant motorcycle club 2 cora brent** could build up your near contacts listings. This is just one of the solutions for you to be successful. As understood, achievement does not recommend that you have astonishing points.

Comprehending as competently as covenant even more than supplementary will offer each success. next to, the message as skillfully as perception of this promise me defiant motorcycle club 2 cora brent can be taken as without difficulty as picked to act.

The Circle Dave Eggers 2013-10-08

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Nature Girl - Carl Hiaasen 2006-11-14

Honey Santana—impassioned, willful, possibly bipolar, self-proclaimed “queen of lost causes”—has a scheme to help rid the world of irresponsibility, indifference, and dinnertime sales calls. She’s taking rude, gullible Relentless, Inc., telemarketer Boyd Shreave and his less-than-enthusiastic mistress, Eugenie—the fifteen-minute-famous girlfriend of a tabloid murderer—into the wilderness of Florida’s Ten Thousand Islands for a gentle lesson in civility. What she doesn’t know is that she’s being followed by her Honey-obsessed former employer, Piejack (whose mismatched fingers are proof that sexual harassment in the workplace is a bad idea). And he doesn’t know he’s being followed by Honey’s still-smitten former drug-running ex-husband, Perry, and their wise-and-protective-way-beyond-his-years twelve-year-old-son, Fry. And when they all pull up on Dismal Key, they don’t know they’re intruding on Sammy Tigertail, a half white-half Seminole failed alligator wrestler, trying like hell to be a hermit despite the Florida State coed who’s dying to be his hostage . . . Will Honey be able to make a mensch of a “greedhead”? Will Fry be able to protect her from Piejack—and herself? Will Sammy achieve his true Seminole self? Will Eugenie ever get to the beach? Will the Everglades survive the wild humans? All the answers are revealed in the delectably outrageous mayhem that propels this novel to its Hiaasen-of-the-highest-order climax. BONUS: This edition includes an excerpt from Carl Hiaasen's Bad Monkey.

The Future of Making - Tom Wujec 2017-04-25

Prepare yourself: How things are made is changing. The digital and physical are uniting, from innovative methods to sense and understand our world to machines that learn and design in ways no human ever could; from 3D printing to materials with properties that literally stretch possibility; from objects that evolve to systems that police themselves. The results will radically change our world--and ourselves. The Future of Making illustrates these transformations, showcasing stories and images of people and ideas at the forefront of this radical wave of innovation. Designers, architects, builders, thought leaders--creators of all kinds--have contributed to this look at the materials, connections, and inventions that will define tomorrow. But this book doesn't just catalog the future; it lays down guidelines to follow, new rules for how things are created, that make it the ultimate handbook for anyone who wants to embrace the true future of making.

Till It Hurts (Brother's Best Friend Romance) - Cora Brent 2021-07-31

No one would say that our story is pretty... But we were in love before we hated each other. And we were friends long before that. Growing up, I saw Jace Zielinski every day. He lived next door. I cheered him on at football games. I gave him advice on girls. He was my brother's best friend and the three of us were inseparable. I didn't realize I'd already fallen for Jace until the hot summer night when we kissed for the first time. Our magical season felt like destiny. And then came the disaster that tore us all to shreds. I lost Jace. I lost my brother. In many ways I lost myself. Ten years later, Jace is untouchable in a world of pro athlete fame and glory. I never wanted to see him again and I'd definitely never pick him to be my hero. Not even when I'm broke and terrified and running for my life. But it seems I have no choice. Somehow we're both back in the same place where we started. I have nowhere else to go and Jace refuses to leave. We're not the same as we were. We're not those teenagers who fell in love years ago. That doesn't mean we'll keep our hands to ourselves now. If anything, I want Jace more than ever. And we are foolish enough to repeat our own turbulent history. Both the parts that felt crazy good. And the parts that hurt the most... TILL IT HURTS is

a complete stand alone at 110,000 words. Expect hate banter, plot twists, scorching chemistry and all the feels of a small town second chance romance.

Posthuman Bodies - Judith M. Halberstam 1995-12-22

"... will draw a wide readership from the ranks of literary critics, film scholars, science studies scholars and the growing legion of 'literature and science' researchers. It should be among the essentials in a posthumanist toolbox." -- Richard Doyle Automatic teller machines, castrati, lesbians, The Terminator: all participate in the profound technological, representation, sexual, and theoretical changes in which bodies are implicated. Posthuman Bodies addresses new interfaces between humans and technology that are radically altering the experience of our own and others' bodies.

The Transhumanist Wager - Zoltan Istvan 2013

Philosopher, entrepreneur, and former National Geographic and New York Times correspondent Zoltan Istvan presents his visionary novel, The Transhumanist Wager, as a seminal statement of our times. Scorned by over 500 publishers and literary agents around the world, his philosophical thriller has been called "revolutionary" and "socially dangerous" by readers, scholars, and religious authorities. The novel debuts a challenging original philosophy, which rebuffs modern civilization by inviting the end of the human species--and declaring the onset of something greater. Set in the present day, the novel tells the story of transhumanist Jethro Knights and his unwavering quest for immortality via science and technology. Fighting against him are fanatical religious groups, economically depressed governments, and mystic Zoe Bach: a dazzling trauma surgeon and the love of his life, whose belief in spirituality and the afterlife is absolute. Exiled from America and reeling from personal tragedy, Knights forges a new nation of willing scientists on the world's largest seasteading project, Transhumania. When the world declares war against the floating city, demanding an end to its renegade and godless transhuman experiments and ambitions, Knights strikes back, leaving the planet forever changed.

FALL - Cora Brent 2017-01-25

JENNY... I was a lost girl, a child bride. Now, to most people I appear to be just an average college student. They would never guess my strange history. But secretly I'm still held down by my past. I cannot bring myself to trust men. So why do I find myself drawn to the most dangerous one of all? Oversexed, foul-mouthed and ten years my senior, he should have been my nightmare. Instead, he's my fantasy.... DECK... How many women have I ruined? Hell if there's any point in counting. Only once did I ever do something unforgivable and the consequence crushed my soul. Maybe that's why I remain here, in the barren desert wasteland occupied by the worst of my degenerate family. This is a prison I've inflicted on myself. Into my purgatory walks Jenny; feisty, beautiful, but little more than a girl. No one decent should want a thing to do with me. I told her that. She didn't listen.

The World of Words - Margaret Ann Richek 1995-07-01

This text aims to develop vocabulary skills by teaching students three basic strategies: dictionary skills, context clues, and word elements, all within an approach that links students' general knowledge to vocabulary and helps students see that vocabulary is relevant to their lives. Unifying themes for each chapter are central to the author's approach, as are the carefully paced lessons and exercise sequences. The text includes readings on subjects from across the disciplines and supplies information that is of use to students in their other or future coursework.

The Forty Rules of Love - Elif Shafak 2010-02-18

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role

in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

Culture: urban future - UNESCO 2016-12-31

Report presents a series of analyses and recommendations for fostering the role of culture for sustainable development. Drawing on a global survey implemented with nine regional partners and insights from scholars, NGOs and urban thinkers, the report offers a global overview of urban heritage safeguarding, conservation and management, as well as the promotion of cultural and creative industries, highlighting their role as resources for sustainable urban development. Report is intended as a policy framework document to support governments in the implementation of the 2030 Agenda for Sustainable Urban Development and the New Urban Agenda.

Dive Deeper - George Cotkin 2012-09-06

An easy-to-navigate guide to Herman Melville's epic American novel, *Dive Deeper* consists of 135 brief chapters, along with Etymology, Extracts, and Epilogue, each keyed to a phrase, issue, image, sensibility or notion in corresponding chapters of the original.

This Changes Everything - Naomi Klein 2014-09-16

Explains why the environmental crisis should lead to an abandonment of "free market" ideologies and current political systems, arguing that a massive reduction of greenhouse emissions may offer a best chance for correcting problems.

Critical Thinking - Brooke Noel Moore 2011-01-11

Imagine a class where students are actively and personally engaged in thinking critically while also discovering how to apply those thinking skills in everyday life. Now imagine those same students confidently participating in class, working efficiently through the exercises outside class, and performing better in the course. With *Connect Critical Thinking*, students can achieve this success. *Connect Critical Thinking* is

a first: a learning program with pedagogical tools that are anchored in research on critical thinking. Along with Moore & Parker's engaging writing style and the wealth of topical exercises and examples that are relevant to students' lives, Connect Critical Thinking helps ensure that students can come to class confident and prepared. What other course provides students with skills they can apply so broadly to success in school and success in life?

Last Olympian, The (Percy Jackson and the Olympians, Book 5)
Riordan 2009-05-02

All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

Savor Me: a Novel Aly Martinez 2014-05-14

I lost my virginity at age thirteen. I know what you're thinking, and the answer is no. I wasn't raped or molested. Nothing horrible happened to me. I don't have a daddy complex, or a shit life that I need to be rescued from. I just happen to like boys...a lot. I like them all. Tall, short, skinny, buff, light hair, or dark, I don't discriminate. I realized early on that one man wasn't enough for me. It's a simple mathematical fact. Why have one man when you can have two? Any more than two gets complicated. Hell, half the time even two gets complicated. But it's worth it. Sometimes every woman has to make an exception though, two crappy losers or one smoking hot man. The night I laid eyes on Hunter Coy, I made my choice. At least until he introduced me to Mason Wynn.

A Future History of Water - Andrea Ballesterio 2019

Focusing on Costa Rica and Brazil, Andrea Ballesterio examines the legal, political, economic, and bureaucratic history of water in the context of the efforts to classify it as a human right, showing how seemingly small scale devices such as formulas and lists play large role in determining water's status.

To Life! - Linda Weintraub 2012-09-01

This title documents the burgeoning eco art movement from A to Z, presenting a panorama of artistic responses to environmental concerns, from Ant Farms anti-consumer antics in the 1970s to Marina Zurkows 2007 animation that anticipates the havoc wreaked upon the planet by global warming.

Long Walk to Freedom Nelson Mandela 2008-03-11

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Pre-Incident Indicators of Terrorist Incidents - Brent L. Smith 2011-01

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist

groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The Great Gatsby by F. Scott Fitzgerald 2021-02-14

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

Haitian Creole-English Dictionary - Jean Targète 1993

Strike - Cora Brent 2017-08-21

Fans of Penelope Douglas will love this story about a girl who grew up watching her soul mate parents live a fairy tale romance only to be thrown into the path of a bad boy at her summer job.

Pentagon 9/11 - 2007

The response and subsequent performance of federal, state, and especially local agencies, in particular their coordination and cooperation with each other and with Pentagon authorities, provide lessons for dealing with other large-scale emergencies in the future. Material used in this study was distilled from more than 1,300 interviews, relying on the corroborative testimony of two or more witnesses wherever possible.

The Complete Poetry of James Hearst - James Hearst 2001

Part of the regionalist movement that included Grant Wood, Paul Engle, Hamlin Garland, and Jay G. Sigmund, James Hearst helped create what Iowa novelist Ruth Suckow called a poetry of place. A lifelong Iowa farmer, Hearst began writing poetry at age nineteen and eventually wrote thirteen books of poems, a novel, short stories, cantatas, and essays,

which gained him a devoted following. Many of his poems were published in the regionalist periodicals of the time, including the Midland, and by the great regional presses, including Carroll Coleman's Prairie Press. Drawing on his experiences as a farmer, Hearst wrote with a distinct voice of rural life and its joys and conflicts, of his own battles with physical and emotional pain (he was partially paralyzed in a farm accident), and of his own place in the world. His clear eye offered a vision of the midwestern agrarian life that was sympathetic but not sentimental - a people and an art rooted in place.

The Ascent of Humanity - Charles Eisenstein 2013-02-05

Charles Eisenstein explores the history and potential future of civilization, tracing the converging crises of our age to the illusion of the separate self. In this limited hardcover edition of Eisenstein's landmark book, he argues that our disconnection from one another and the natural world has mislaid the foundations of science, religion, money, technology, economics, medicine, and education as we know them. It has fired our near-pathological pursuit of technological Utopias even as we push ourselves and our planet to the brink of collapse. Fortunately, an Age of Reunion is emerging out of the birth pangs of an earth in crisis. Our journey of separation hasn't been a terrible mistake but an evolutionary process and an adventure in self-discovery. Even in our darkest hour, Eisenstein sees the possibility of a more beautiful world--not through the extension of millennia-old methods of management and control but by fundamentally reimagining ourselves and our systems. We must shift away from our Babelian efforts to build ever-higher towers to heaven and instead turn our attention to creating a new kind of civilization--one designed for beauty rather than height. Breathtaking in its scope and intelligence, *The Ascent of Humanity* is a landmark book showing what it truly means to be human. "A tour-de-force filled with astounding insight, wit, wisdom and heart." --Christopher Uhl, author of *Developing Ecological Consciousness: Paths to a Sustainable Future* "Quite marvelous, a hugely important work. This book is truly needed in this time of deepening crisis." --John Zerzan, author of *Future Primitive and Elements of Refusal*

Favela - Janice Perlman 2010-06-10

Janice Perlman wrote the first in-depth account of life in the favelas, a book hailed as one of the most important works in global urban studies in the last 30 years. Now, in *Favela*, Perlman carries that story forward to the present. Re-interviewing many longtime favela residents whom she had first met in 1969--as well as their children and grandchildren--Perlman offers the only long-term perspective available on the favelados as they struggle for a better life. Perlman discovers that while educational levels have risen, democracy has replaced dictatorship, and material conditions have improved, many residents feel more marginalized than ever. The greatest change is the explosion of drug and arms trade and the high incidence of fatal violence that has resulted. Yet the greatest challenge of all is job creation--decent work for decent pay. If unemployment and under-paid employment are not addressed, she argues, all other efforts will fail to resolve the fundamental issues. Foreign Affairs praises Perlman for writing "with compassion, artistry, and intelligence, using stirring personal stories to illustrate larger points substantiated with statistical analysis."

HOLD - Cora Brent 2017-01-25

They all said we were trash and would end up dead or in prison. They were wrong. The three of us brothers endured hell together and somehow climbed out battle-scarred but whole. We are no longer the ferocious boys who punched our way through terrible days and went to bed hungry every night. Now we've got love, we've got hope, and we've got each other. But in order to hold on to everything that matters, we'll need to confront the vicious demons of the past...one last time.

THE GREAT GATSBY - F. SCOTT FITZGERALD 2022

THE GREAT GATSBY BY F. SCOTT FITZGERALD Key features of this book: * Unabridged with 100% of it's original content * Available in multiple formats: eBook, original paperback, large print paperback and hardcover * Easy-to-read 12 pt. font size * Proper paragraph formatting with Indented first lines, 1.25 Line Spacing and Justified Paragraphs * Properly formatted for aesthetics and ease of reading. * Custom Table of Contents and Design elements for each chapter * The Copyright page has

been placed at the end of the book, as to not impede the content and flow of the book. Original publication: 1925 *The Great Gatsby* - The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, This book is F. Scott Fitzgerald's third book and stands as the supreme achievement of his career. First published in 1925, this classic novel of the Jazz Age has been acclaimed by generations of readers which depicts the life of lavish parties on Long Island is an exquisitely crafted tale of America in the 1920s. This book is great for schools, teachers and students or for the casual reader, and makes a wonderful addition to any classic literary library At Pure Snow Publishing we have taken the time and care into formatting this book to make it the best possible reading experience. We specialize in publishing classic books and have been publishing books since 2014. We now have over 500 book listings available for purchase. Enjoy!

Where Dreams Descend - Janella Angeles 2020-08-25

"Vibrant imagery, jaw-dropping set pieces, sizzling romantic tension, and unstoppable heroine Kallia bring this ambitious debut novel to spectacular life. Fans of *Caraval* and *The Night Circus* will be delighted!" - Claire Legrand, New York Times bestselling author of *Furyborn* In a city covered in ice and ruin, a group of magicians face off in a daring game of magical feats to find the next headliner of the *Conquering Circus*, only to find themselves under the threat of an unseen danger striking behind the scenes. As each act becomes more and more risky and the number of missing magicians piles up, three are forced to reckon with their secrets before the darkness comes for them next. The Star: Kallia, a powerful showgirl out to prove she's the best no matter the cost The Master: Jack, the enigmatic keeper of the club, and more than one lie told The Magician: Demarco, the brooding judge with a dark past he can no longer hide *Where Dreams Descend* is the startling and romantic first book in Janella Angeles' debut *Kingdom of Cards* fantasy duology where magic is both celebrated and feared, and no heart is left unscathed. "[A] spellbinding melody of a book, and the true magic is how Angeles puts all the best parts of an enrapturing theatrical performance onto paper and ink. From the gripping twists in the first pages all the

way to the final, heartbreaking crescendo, Where Dreams Descend will surge you to your feet in a standing ovation.” – Sara Raasch, New York Times bestselling author of the Snow Like Ashes trilogy

Just Kids - Patti Smith 2010-01-19

It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Max's Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a time of heightened awareness, when the worlds of poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their mutual dreams and drives, they would prod and provide for one another during the hungry years. Just Kids begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists' ascent, a prelude to fame.

Walden - Henry David Thoreau 1854

A Thesaurus of English Word Roots Horace Gerald Danner 2014-03-27
Horace G. Danner's *A Thesaurus of English Word Roots* is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words

and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In *A Thesaurus of English Word Roots*, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odyacusis.. In this manner, *A Thesaurus of English Word Roots* places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

The Diamond of Darkhold Jeanne DuPrau 2010-03-23

Lina and Doon are returning to the city of Ember, but what awaits them in the dark? This highly acclaimed adventure series is a modern-day classic—with over 4 MILLION copies sold! Lina and Doon escaped the dying city of Ember and led their people to the town of Sparks. But it's winter now, and the harsh realities of their new world have begun to set in. When Doon finds a book that hints at an important, long-lost device, it doesn't take much for him to convince Lina to join him for one last adventure in the place they used to call home. But will this mysterious technology be enough to help their people? And what—and who—will they find when they return? Praise for the City of Ember books: Nominated to 28 State Award Lists! An American Library Association Notable Children's Book A New York Public Library 100 Titles for Reading and Sharing Selection A Kirkus Reviews Editors' Choice A Child Magazine Best Children's Book A Mark Twain Award Winner A William Allen White Children's Book Award Winner "A realistic post-apocalyptic world. DuPrau's book leaves Doon and Lina on the verge of undiscovered country and readers wanting more." —USA Today "An electric debut."

—Publishers Weekly, Starred “While *Ember* is colorless and dark, the book itself is rich with description.” —VOYA, Starred “A harrowing journey into the unknown, and cryptic messages for readers to decipher.” —Kirkus Reviews, Starred

The Street Was Mine M. Abbott 2002-12-19

This book considers a recurrent figure in American literature: the solitary white man moving through urban space. The descendent of Nineteenth-century frontier and western heroes, the figure re-emerges in 1930-50s America as the 'tough guy'. *The Street Was Mine* looks to the tough guy in the works of hardboiled novelists Raymond Chandler (*The Big Sleep*) and James M. Cain (*Double Indemnity*) and their popular film noir adaptations. Focusing on the way he negotiates racial and gender 'otherness', this study argues that the tough guy embodies the promise of an impervious white masculinity amidst the turmoil of the Depression through the beginnings of the Cold War, closing with an analysis of Chester Himes, whose Harlem crime novels (*For Love of Imabelle*) unleash a ferocious revisionary critique of the tough guy tradition.

Strays - Cora Brent 2021-01-26

A troubled ex con, the child he was never supposed to meet, and a feisty grad student who refuses to give up on love...Before age sixteen I was kicked to the streets. Since then I've been living up to a violent legacy. Which is why a man like me isn't cut out to be a dad. And if this kid had another option I wouldn't try to be one now. But for once I'm going to step up. I'll try to be better than I am for the sake of my son. I don't know if I'll ever be free of my sins. I do know it might not be wise to get close enough to find out. Into this chaos walks Isabella Gentry. She was warned to keep her distance. I was the one who warned her. She's beautiful and hopeful and headstrong and spoiled. And, thanks to a weird chain of events, she's also my freaking roommate. A part of me wants to turn her world upside down in the cruelest way imaginable. The rest of me wants to worship the ground she walks on. This can go one of two ways. Either I'll decide to be the worst version of myself. Or I'll surrender the past in order to build a family and a future. And maybe along the way I'll prove

something. That the villain everyone loves to hate might be redeemable yet...

RI SK - Cora Brent 2017-01-25

TRULY... My life hasn't been uneventful and a few things should have sunk in by now. I'm a tired age twenty one with a laundry list of heartbreaks. Most of all, I know what carnage comes from carelessly risking the heart. So what drives me to jump into bed with a brooding player who can barely carry a conversation? It was supposed to be just one night. One night of weakness, of passion, of every impulse I'd struggled to contain. Yet I can't stop myself from going back for more. CREED... Violence had always found us Gentrys but this time I'd put the price on my own head. It was my cross to bear. No flinching allowed. There was only room for me, my brothers, and the resolve to survive. That's all there ever had been. There was certainly no reason for more than than a quick and dirty time with any girl, no matter how much she turned my head around. I shouldn't hold on to her for more than a few hours. I shouldn't even think about it. This thing could finish us both. It doesn't matter. She's all I want.

The Psychic Life of Power - Judith Butler 1997

Judith Butler's new book considers the way in which psychic life is generated by the social operation of power, and how that social operation of power is concealed and fortified by the psyche that it produces. It combines social theory, philosophy, and psychoanalysis in novel ways, and offers a more sustained analysis of the theory of subject formation implicit in her previous books.

Italian Hours - Henry James 1909

Artists' Magazines - Gwen Allen 2011

During the 1960s and 1970s, magazines became an important new site of artistic practice, functioning as an alternative exhibition space for the dematerialized practices of conceptual art. Allen looks at the most important of these magazines in their heyday and compiles an illustrated directory of hundreds of others.

Born Savages - Cora Brent 2015-10-07

"It was something that was forbidden in that time, and in that place...."Once the Savages were national darlings, undisputed Hollywood royalty. But that was a long time ago. Now we are scattered and ruined, nothing but a cautionary tale and tabloid fodder. We've been offered a

chance to redeem ourselves. All we have to do is open the door and let the cameras in. I know our sh*t will be laid bare. Yet I can't say no to family. There's another complication as well. Oscar Savage. He's not my blood. He's more. He is forever intertwined with my soul. No one knows why he disappeared years ago. But I do... I just don't know why he's back.
